Greenroom Gossip

"The Magical, Mystical Woo and Friends Touring Children's Theatre" lives again. This summer Kathy O'Neill, BSU theatre arts major, will again produce and tour two children's theatre plays. Along with a troupe made up of BSU and local high school students, she will entertain in libraries in various cities throughout the entire state of Idaho. Those who were fortunate to see performances of last summer's successful tour will look forward to this summer's equally attractive productions.

On the occasion of this last play of the 1977-1978 season, the BSU Department of Theatre Arts wishes to thank our audience members, both on and off campus, for their support. Plans are under way for the selection of next season's offerings. We hope to see you all back again in October. In the meantime, please support **all** live theatre in and around Boise.
