**READY FOR BOND SALE**

Through every possible channel, the message of the SIXTH WAR BOND DRIVE is being carried to the public end to you students. The drive will be officially launched on November 20th and continued through December 16th. BONDS and STORES are for sale at all these and purchases made after the first of November will be credited to our Bond posting.

Nothing that can be said or written can adequately express the importance of every individual to cooperate in this national campaign. Yes, it can mean the difference of ending or prolonging the absence of our fighting G.I. Joe. Let's get behind them students, and meet B.J.C.'s substantial goal of $1,000.00.

**FRESHMAN DANCE**

Friday, November 17th, at 9:00 o'clock, the students of B.J.C. are invited to attend the grand opening of the "Bucket of Blood Club". Bob Bush is chairman and will be assisted by Betty Longroll, co-chairman. The dance is informal and couples will be admitted with one activity ticket.

Proprietor, Captain Zid Land will be there to welcome you and other entertainment has been arranged.

Committee chairs are: Elmoon Brower, entertainment; Bernardette Ertter, accompaniment; Harold Reppert, publicity; Walter Hamons, clean-up.

**RUSSIAN WAR RELIEF**

The need for warm winter clothing by the Russian War Relief is being stressed by the B.J.C. students. If you have any clothing in good wearable condition to donate to this beneficial cause, leave it at the Home Ec. Department. The Home Ec. students will sort and repair these articles that require it.

We need your cooperation to make this Relief Drive go over the top.
