

Submit your paper to a(n)...

## Hybrid journal

A subscription-based journal with a paid open access option

**Check for funding** to cover Article Processing Charges (APCs), such as through a grant or other funding opportunity.

## Open access journal

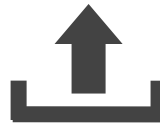

A journal where all outputs are made freely available upon publication

Skip this step for OA journals with no fees.

**Check for funding** to cover Article Processing Charges (APCs), such as through a grant.

## Subscription journal

A subscription-based journal with no open access options

**Share a copy** of your article and accompanying data in the **Scholarworks**.

# THREE PATHS to OPEN ACCESS

**CONGRATULATIONS!**  
Your research is openly available and free to access!
