B. J. C. Coed Wins Free Trip as Prize

Winner of first prize in a state-wide swimming contest sponsored by the American Viscose company, Geraldine French, B. J. C. freshman, is now enjoying her award, a 12-day trip to Chicago with all expenses paid. She made a formal dress and modeled it at a star review sponsored by the 4-H club, in Chicago, and is attending the National 4-H Clubs Congress, December 2-6. She was also scheduled to enter the national contest there, again modeling the dress she made for the state contest.

A major in music, Geraldine studied swimming at Boise High School for one year, but learned a good deal of her skill outside of school. She described her prize-winning dress as a “blue net over light-blue taffeta.” She made the dress during last summer.

She left Boise yesterday and expects to return here Dec. 10.

The Deep Dark Mystery of the Broken Window

In the dark recesses of forest vastness strange supernatural “things” have been known to lurk. Mysterious beings inhabit dark jungles or bleak deserts. Voodoo calls forth spirits to work harm on hapless humans. This has long been known by all informed persons.

But— for the first time, these strange things have come to B. J. C. Or how was the window of the Zoology Lab broken? No one saw it happen; no one can say who did it. But there it is, completely shattered.

Or are we seeking too far for the answer? Perhaps Mr. Bauer locked an unwilling student in the room— and the student dove out through the window.
HOW ABOUT SOME ATOMIC STUDY?

Breathes there a student
With brain so large,
Who never to himself hath said,
"How in the world am I ever going
to get my homework done!"

Sir Walter Scott, if he ever should see this would turn over in his grave six times; but unpoetic though it be, it's the sad, sad, truth. Of course there may be a few people (no, not people, geniuses would be a more appropriate word) who always get their homework done with hardly any undue strain on their cerebrum. But the rank and file of us belong to the other group all their homework done with hardly any undue strain on their homework.

We are told that it is customary for most college students to spend at least two hours in preparation for each class. Two hours for your homework for each class is more than sufficient. Here's the problem: we are assigned with homework which two hours. Now, who can come up with a good formula (like 2 hours flat?)

WHY NOT TAKE THE CURE?

Students! Are you troubled with a vague nagging feeling inside of you? Do you feel a heavy pressure on your brain? Have you the feeling that you want to get something off your chest? Do you feel a heavy pressure on your brain? Do you feel a heavy pressure on your brain?

If so, try our "tried and true" method of cure. It's guaranteed by all prominent journalists all over the world. Here's all you have to do: Just grab a piece of paper, any paper will do, grasp a pen or pencil firmly and just spill your idea. This cure is known as "editorial writing". So why don't you try it? Your money (or talent) back if your aren't entirely satisfied.

ORCHIDS AND ONIONS

A carload of Orchids should be taken into the laps of those students who smoke in the halls.

A large bouquet of Orchids to the students who have enough ambition to organize a pep band; we really need one.

On the list of persons who use the telephone in the student union kitchen between 11:30 and 12:30, consider the kitchen workers; you get in their way.

Gazing Into The 8-Ball

These rainy days and dreary weather seem to leave Lois Perkins in a very depressed mood... "I'll never smile again," says Lois. We just don't seem to see Louise Sawyer around anymore, and Fred declines to make a statement... We're wondering whether or not Kenny Chilton is trying to crash the society column of the Statesman. She was the Society Editor wasn't she, Kenny? ... Dan Smith, man about town, has been seen with Eileen Olson, escapades... Are my eyes deceiving me or have you also noticed Ed Hoffman's resemblance to "The Picture of Dorian Gray"? ... And then there is Jim "Smokey" Stover and that "Canadian Bombshell" with the exotic eyes and perfume... We also observed Bill Mathison at the Golden Phoenix Ball, tah, tah. Bill, Arthur Murray would never approve... All in all the Ball was a great success. We found out that Sherron Coffin "still suits him" but we're wondering whether or not he still suits Sally McMullan... I hear through the grapevine that Harold Allender became slightly perturbed Saturday night at the Miramar when some character spilled a bit of the old stuff on his lean suit... I hear also via the GV that Dot Humphreys is running Bugs Bunny a little competition in his current consumption and the pit too.

Lady: "My word! Doesn't that little boy swear terribly?"

Little Boy: "Yes'm, he sure does. He knows the words but he don't put no expression in them.

Boys Give Facts About "Dream Girl"

Dan Smith: She must be intellectual but cute, and short enough to stand under my arm. It is essential that she be able to dance, but she doesn't have to cook. She might poison me.

Howard Waterman: "She should be able to cook, and be good looking, of course. And smart in calculus so she can help me with my homework."

"Cork" Fowler: "Fine, I own, and good enough to eat — just like a Georgia peach."

Ted Nydegger: "She's tall, has brown hair, wonderful smile, and a good sense of humor."

Eddie Hoffman: "She must be blonde, intelligent, not married, have a good line, be very sweet and bring me my pipe and slippers when I come home."

Bob Bush: She should be intelligent, and a good cook or it's no soap. She must be shorter than I because I refuse to look up to her. And, Oh yes, she has nice eyes.

Zane Scott: She's blonde, 5' 6", weight 120, blue eyes, and a good cook. She dresses plainly, and has a sense of humor.

Sherm Coffin: "She's blonde and sweet (she really is). She should be a mixture of the athletic and domestic type."

BRONCS SET FOR GOWEN CASABA TILT TONIGHT

Dropping a game Wednesday night to the league leading Gowen Field Zephyrs, the B. J. C. Broncs will pressure the works in an effort to redeem themselves tonight as they meet the Gowen Irish in the B. J. C. gym at 8 o'clock tonight.

The Zephyrs hold first place in the Gowen National League and the Irish in the B. J. C. tonight as they meet the Gowen American League. There is little basis for comparison of the two teams, but as the Broncs hold the Zephyrs to a close score, they should have a good chance against the Irish.

Enthusiasm, dampened when the Broncs had to cancel their football season, is gradually coming back as the Broncs launch their basketball season, Coach Carl Warner.

Starting lineup tonight will probably be Buckner and Wilson at forward. Root at center and Williams and Chavez at the guard positions.

"We're figuring on a lively and successful basketball season," Coach Warner said. "Of course we can't say now what percentage of games we will win, but we have some good boys in there and with the support of the student body we promise to give a good account of ourselves."

Yell leaders and other student body leaders urge "the gang" to be there supporting the squad and building up the good old Bronc spirit at the start of this, the first peace time year we have had in a long, long time.

Then there was the incident who stripped down so many times for his physical exam, that he didn't know whether he was deferred or just fascinating.

BRONCO'S LOSE FIRST CLASH TO ZEPHYRS

Starting the basketball season with a bang, the B. J. C. Broncs came out on the short end of a 44 to 43 score against the Gowen Field Zephyrs, National League leaders, at the B. J. C. gym last night.

The inexperienced Broncs held the Zephyrs to a close score, but as the Broncs held the Zephyrs to a close score, they should have a good chance against the Irish.

Playing a very fast game the Zephyrs were unable to do more than match the Broncs point for point. High point men for the Gowen team were Steffen, with 20 points, and Granich with 15.

Buckner and Marty Wilson were high for the school with 19 and 11 points respectively.

The score at the half was 25 to 23 in favor of Gowen. From the opening minutes of the game, the crowd was on its feet. The game was not lacking in thrills.

The Broncs missed the service of center Bill Burkhalter, who was out with the flu. However, he is expected to go against the Irish Friday.

With the experience of two games under their belt, the Broncs will be ready to roll against the College of Idaho December 3 and 4.
