A Message from the President

Welcome to Spring!

It has sure been a busy semester for everyone. I am sensing we are all working hard and feeling the stress of heavy workloads. This can be overwhelming at times so we need to stay focused on the important things in life. Take a deep breath and look around at the beauty of spring that is blooming all around us. Don't forget to take a look at the beauty in others as well. Our organization is made up of so many beautiful people with so much talent and inner strength. I am certainly enjoying this year as president and being surrounded by all of you who bring so much to this organization and inspire me to do better.

We conducted a membership drive in February and now have a few more members. Thank you to everyone who participated in "Going Bananas Over BSUAOP" and promoted our organization.

We sure had a lot of fun at the Fashion Show in March. The models looked fantastic in their new clothes and we all ended up with something fun to take home with us. Don't forget to use your coupon at the Fashion Bug before it expires! We want to see everyone in new spring fashions to brighten the campus.

Many of us are looking forward to the IAEOP conference in Coeur d'Alene where some of our members will be recognized for their PSP certification and others will be there to cheer them on. It's a wonderful conference with really good workshops to attend and a lot of networking to be done. It's always fun to meet new people and see new places. If you would like more information on this conference, you can visit their website at www.idahoaeop.org.

I'm sure you've all heard the buzz about the National Conference being held here in Boise and many of you already have an assignment or two. Check out the website www.naeop.org for more information about NAEOP and the conference in July.

Mark your calendars for the next luncheon on April 8 at 11:30 where we will be learning how to grow personally and professionally. Our presenter, Gina Wolfe, is a licensed professional counselor and a friend of mine from way back. Please join us for an inspirational presentation. Watch for the flyer via e-mail.

If you have any questions about BSUAOP, IAEOP, or NAEOP, please feel free to contact me, or any board member. We would be happy to answer any questions you might have.

Have a wonderful and relaxing spring break!

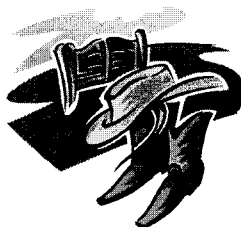

Gay Barzee, President

I am looking for additional fund raising events. We can't get back into R.C. Willey's until this fall. If you have any great ideas that you would like to share with me please contact me.

Bosses Breakfast by Connie Robinson

Howdy Partner! The Bosses Breakfast this year will be held on May 6th in the Jordan D Corral. The theme is "What if the Hokey Pokey Really IS What it's All About?" The entire cowboy crew, yes all those hard-working ranch hands, have put together a routin'-tootin' fun time for all. Come watch the line dancing & horse race contests. (No betting allowed!) Don't forget to wear your boots, things might get pretty deep! Look for the flyers that will be coming out soon, and join us for a mighty fine breakfast.

ACE REPORT Connie Charlton

ACE: The General Meeting and Luncheon, an annual event, will be held on Wednesday, April 2 from 11:30 to 1:30 in the Jordan Ballroom, SUB. Dr. Ruch has granted release time for this event. Dan Hawkins will be the speaker.

A call has gone out for nominations for the Outstanding Classified Employee. Nominations are to be mailed to Connie Charlton, MS 1600 (or by email, cchar@boisestate.edu) and are due on March 18. The Outstanding Classified Employee will be announced at the General Meeting on April 2.

ACE encourages all classified staff to write, call or email their legislators on issues that affect state employees.

Area VI: Luncheon meeting flyers were distributed to all personnel in Area VI. Representation in that area remains slight. I am planning a "personal touch" communication effort for fall.

**HB 329 PASSES
by Guen Johnson**

House Bill 329, the Voluntary Contributions Act, passed on Thurs-
day, March 13 with a vote of 19 to 16. The SEIU Union and other groups
worked very hard to try to stop this bill from coming to fruition. Five senators
were persuaded to see the light and vote against such an injurious piece of
legislation and that is tremendous.

Please take the time to contact Jeff Olson, and Andrew Hanhart at their office
(343-1043) and thank them for working so hard to stop this bill. And please
take the time to go to their website (<http://myweb.cableone.net/seiu687/>) to
see who voted for this bill, and contact them and tell them how you feel about
their passing this legislation. It will make it harder for us to have a voice, but
not impossible.

**THANKS FOR THE HOSPITALITY!
Guen Johnson**

The Hospitality Committee for the NAEOP National Conference wants
you! (To help 'man' the room during the conference that is!) Your help is
essential to make sure this room is well stocked, friendly and a great
place for conference-goers to come, relax, have a nosh and pick up a
door prize. If you would like to help by signing up for a time, give us a
call! The dates are July 12 through 19th, both morning, afternoon and
evening hours. Each hospitality committee co-chair has a list of times
that need to be covered....(with some time added on in the front for
'prep'). To find out what the times are and to sign up, please call Guen
Johnson (x1255), Valencia Garrett (x1368), or Lois Santillanes (x3434).

We will also need help during the daytime hours on Saturday, July 12, to
decorate the room and get everything set up. (The first time it is open is
that night from 7:30 - 10:00 p.m.) Thanks to all of you who donated
door prizes for this venture! Your help is so appreciated.

Caregivers Support Group
By Sue Rhodes, Management Assistant
Department of Nursing

Many Boise State University faculty and staff find themselves providing primary or secondary care to a loved one – perhaps a parent, special-needs child, sibling or friend. As one of these special caregivers you have probably wondered: How do I find the community resources I need? How do I cope with the added responsibility and stress in my life?

For answers to these and other pertinent questions, please join Boise State University Caregivers for an informal lunchtime get-together. The Boise State University Caregivers, founded in 1995 by Gwen Smith, Former Training and Development Officer and JoAnn Vahey, retired nursing faculty, meet on the third Tuesday of each month during the academic year to problem-solve and share ideas, concerns and resources. “Caregivers” is recognized and sponsored by the Boise State University Office of Human Resources.

Join us for our next meeting in the Johnson Room of the Student Union on April 15 at noon. Bring your lunch, pick up some food at the Student Union Food Court, or just stop by. Facilitated by Nancy Severance (RN, MS, faculty member and geriatric specialist in the Department of Nursing), you will have an opportunity to share your experiences with care giving, loss, grief, and coping mechanisms. We laugh and cry, but our goal is to make your day a little brighter.

If you wish to be on our e-mail reminder list, please call or e-mail Sue Rhodes at 3900 or srhodes@boisestate.edu. Sue will send out e-mail reminders at least one week prior to the get-together. Locations may vary depending upon room availability in the Student Union. Meeting dates are already scheduled for 2003-2004, so mark your calendar.

Do not take life too seriously—you will never get out of it alive.

BSUAOP MEMBERSHIP

Julie Gerrard, Membership Chair

There was a half-price membership drive in February to encourage people on campus to join BSUAOP. A really cute postcard with a sucker attached, "Go Bananas Over BSUAOP!" was distributed to members. They were asked to give the card(s) to people in their college/department who were not members of BSUAOP. As of Monday, March 3, four people have taken us up on the half-price membership offer. Three are new members and one is a renewal for a total of 72 members.

Margaritas or Lemonade?

Great Customer Service is About Small Details

by Gregory P. Smith

(Office Solutions Magazine, Nov/Dec 2002)

My family and I recently returned from a vacation in Cabo San Lucas, Mexico, and traveling outside the United States gives me reason to worry something might go wrong. Whether it is security delays, customs, the threat of terrorism, or just the inconvenience of traveling, it seems like vacationing is more difficult than ever before. Small details sometimes ruin what could have been a great vacation.

My wife handles all my travel and our family vacation arrangements. In this case, she used the Internet to plan our entire vacation, causing me great apprehension.

As our plane circled the airport in Los Cabo, all I could see was one small landing strip among the cactus, sand, and desert. My brain kicked into gear and began to analyze all the mistakes, bad service, or disasters awaiting us.

To my surprise, transportation was standing by for us at the airport. The 45-minute trip to the resort was uneventful. The air-conditioning in the van worked perfectly, and the driver was courteous and helpful. I was beside myself.

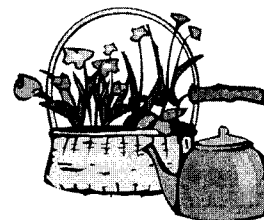

The arched gateway of La Hacienda Del Mar Beach Resort greeted our arrival, and the doorman took our baggage, asking one profound question: "Would you like margaritas or lemonade?" After traveling on a plane for eight hours and 45 minutes, small details become magical.

If you own or manage a customer service business, the recipe for exceptional service boils down to the small details. Some of those details may be as simple as friendly employees, clean rest rooms, or something to add value to the customer experience. When designing your customer service plan, consider what small details you can provide to make your place of business stand out in the hearts and minds of your customers.

The important thing to remember is that small, seemingly insignificant details have a major impact on good service. *Average organizations* ignore or overlook minor customer inconveniences, and *excellent organizations* focus on the details.
