B. J. C. To Get New Housing Units

B. J. C. is to have new housing units capable of quartering twenty-four families, President Eugene B. Chaffee announced following his return from Seattle where he had completed arrangements with the Federal Public Housing Administration.

The buildings, which will be donated and hauled here from Vancouver, Washington, by the FPPHA, are to be situated on the south east corner of the campus, between the gymnasium and the machine shop. They will be placed in a U formation with the open end of the U facing Bellevue street and the other two sides fronting on court that will be beautified with a lawn, shrubbery and flowers. Around the buildings will be a driveway and sidewalk.

Each unit will have a coal range, heater, hot water tank, and all necessary furniture. Twenty of the units will be two-bedroom apartments, two of them will be three-bedroom apartments, and the other two will each have one bedroom. One of the apartments will be occupied by a housing manager.

Rental costs have not yet been determined but will be only enough to pay for the operation and maintenance of the project, including a salary for the housing manager. The units will be made available to veterans, or the widows or veterans, in attendance at B. J. C.

The college will pay for the preparation and beautifying of the building site, an area five hundred feet long by two hundred feet wide, and for bringing service utilities—electricity and water—to the area. Any expenditure in the houses, however, will be at government expense.

With work beginning this week, the college expects to complete by August 1.

JUNIOR AD CLUB ELECT

Mr. E. G. Harlin, President of Boise Chamber of Commerce gave an interesting talk on the advantages and benefits of advertising to the Boise Junior Ad Club on their last meeting last Monday, March 25.

Four members, Katie Zupan, George Shaker, Floyd Rathburn, and Bill Mathison, were elected to the board of directors and two new members, Lois Crane and Joe Huckabee were accepted as new members.

The Boise Junior Ad Club is responsible for the publicity of the National Cancer Drive month, winning Arizona, Idaho, and Ada County. The club is planning an intensive campaign in Boise and vicinity.

Benefit dances whose proceeds will be contributed to the National Cancer Fund are being arranged by the special events committee of which Bob Bush and Mary Zupan are co-chairmen.

A. W. SPONSORS FASHION SHOW

The latest in fashions was the subject of an all-girls assembly yesterday, March 28. Under the auspices of Carroll's Dress Shop, B.J.C. girls modeled some of the newest creations.

Suits, cotton dresses, informal dresses and play suits, as well as hats and some jewelry were modeled.

Elvira Chaney and Jean Barber were in charge of the assembly. Girls modeling in the fashion show were Elvira Chaney, Louise Sawyer, Mary Riedel, Sally McMillen, Mary Moore, Shirley Kranzfeld and Eileen Brewster.

Annual Shortage Foreseen by Editor

Francis Gibbons, editor of the Lewiston Tribune, announced that there is a shortage of annuals this term and students will receive second preference, while third term students will receive second preference.

The activity ticket is all third term students need to get their annual while other students must pay one dollar for each term they desire.

Those students whose names appear on the bulletin board should have their pictures taken at the indicated time and place.

Notification will be given when the annuals are ready.

B. J. C. CHOIR TO TOUR VALLEY

Mr. L. L. Starchen announced that Monday, April 1, the choir and girls' ensemble will begin a three-day tour of Parma, Payette, Cambridge, Council, New Meadows, McCall, Cascade and Emmett. Forty-five members will participate.

There will be 12 numbers of which "Go Song of Mine," by Barlow, "In Silent Night," by Rachmaninoff, and "Pilgrim's Song," by Tchaikovsky are the most outstanding.

The ensemble has a clever number which gives the effect of: "What is the fireman's daughter out doing when the first man is out firing?"

W. S. S. F. FUND DRIVE CLOSES WITH DANCE

The World Student Service Fund brought its drive for funds to a close yesterday, March 28, when no new waves of teachers were auctioned off during intermission of the coke dance.

Contributions were made to the drive Wednesday and Thursday. Each person who contributed a dime or more received a ticket which entitled him to go to the coke dance. Co-chairmen for the coke dance are Barbara Bronken and Marilyn Rushfeldt.

During intermission, the services of two teachers were auctioned off to groups of students. Mrs. Power volunteered to teach a student to play bridge. Mr. Wensstrom was willing to use his persuasive powers to help some boy get a date with any girl in school.

The goal set for contributions is $50, according to Fred Reich, chairman of the drive.

The W.S.S.F. is an organization to help students in destitute countries further their education. First meeting soon.

Vets' Club to Hold First Meeting Soon

The Vet's club will hold its first meeting of the new term on Thursday, April 4th. All members are urged to attend and participate in a discussion concerning the inauguration of a flying program at Boise Junior College. All non-members who are interested are also invited.

Due to the fact that two officers, Bill Wood and Jim "Smookey" Bois, have withdrawn from B.J.C. and have thereby withdrawn from active status in the club, new officers will be elected at this meeting.

All members of the club, since its organization last November, has sponsored a hayride, a dance, and a smoker. With the steadily increasing enrollment of veterans at B.J.C., the club looks forward to bigger and better things, and extends an invitation to all the eligible non-members to attend this meeting and join," said Warren Willey, president.

Psychiatrist Will Speak Here Soon

Dr. Benjamin Grueben, an eminent New York social hygiene worker and psychiatrist, will address the B.J.C. student body Wednesday, April 3, at 11 a.m. He is an expert on personal problems, emotional problems, and social adjustments. His appearance in Boise is being financed by the various service clubs, churches, and organizations interested in improving and stabilizing family life and social welfare.

In addition to addressing the students, Dr. Grueben has consented to interview a limited number of students who desire well qualified help in solving their personal problems. Returning veterans with new social adjustments or emotional adjustments to make may find Dr. Grueben especially helpful. In order to make the fullest use of this opportunity, any students interested in personal interviews should first make arrangements through Dean Mathews.

While in Boise Dr. Grueben will address many other organizations. The program for his appearance is being arranged by A. H. Chatburn of the B.J.C. Psychology department.

Enrollment Grows

284 Men, 150 Women

Over half of the students in B. J. C. are war veterans. Mrs. Mary T. Hershey, College Registrar revealed this week that of the four hundred thirty-four students registered for the spring term two hundred and twenty are veterans.

Thus the enrollment exceeds that of last term by more than a hundred, with fifty-five new veterans coming in. Two of these are women veterans; they are Virginia Akenberg and Dorothy Craven. Together with Lois Stevens, who has already been here one term, they will bring the number of women veterans to three.

The new figures show two hundred eighty-four men, one hundred fifty women.

MONOTONOUS, BUT NECESSARY

Last term the major sport at B.J.C. was basketball. We wonder how many people even knew we had a team, or cared whether we won the games or not.

This term our athletics are going out for baseball. From all indications, it appears to us that we are going to have a first-class team. Quite a few men have turned out for practice. Games have already been scheduled with other teams. How many of you are going to attend these games?

We know that you students are getting tired of reading all these editorials asking you to support the team. But if you do just that, you won't have to read the same thing over and over again. Wouldn't that fact alone make it worth your while to attend all the games?

QUESTION OF THE WEEK

What is your favorite song? (The tastes of the B.J.C. student in music range from St. Buy to the classics. Some students shook their heads coyly and refused to answer, while some recited a list that sounded like the program to a music recital.

Bill Bowman started us off with "Worship Before God." That was right. We could spell it.

When Patricia Pierce told us her favorite, we gasped just a little. It is "Vesta la Guibba," from "Il Pulciello."

"Personality" seemed to be a great favorite. Jack Anacleto and Andrew G. Sefieli said it was their favorite.

"Symphony" was also ranked high. Shirley Glimp and Doris Reichert cited a list that sounded like the classics.

"It's either The Great Gatsby or that last "Beguine." That was all Margot Kranhold.

In the place of honor this week we find Bill Mathison as Student of the Week. Well known as one of the busiest men in school, Bill has rightly earned this reputation.

On his list of accomplishments we might mention his splendid work as editor of the Round-Up for the fall term and his position as business manager for the winter term.

Bill attended Nampa High School and won a Journalism scholarship to B.J.C. Bill plans to return to B.J.C. next year and attend Columbian University a year next as a business major. Bill claims unswerving fidelity and devotion to a certain brunette co-ed at the U. of I. but we have noticed his recent interest in Coleen Marin and wonder if "Absence makes the heart grow fonder" for someone else...

"What cha got in the shape of trees, huh?"

"Blessed wreathes, doughnuts, and life savers".

Waves: "When do you propose to get married?"

Chief: "Usually after the third or fourth drink."

AD LIB

By Joan Carlson

In the phraseless age we can all settle down to the happy prospect of another term... oh well, all the new years have that shouldn't be so hard... or should it?

It looks as though the new students don't take too long to be recruited... there seems to be that feeling between Alva Noy and Rex Swanson, Frank Bessie, Marjorie Jordan and Dick Cornwall, Rick Hansen and Eileen Morris... and lots of others.

The Browns in this school seem to be in the majority this term... Marvin, Bob, Wilbur, and many others.

Did anyone hear about the ride in the hills with Welton and Louise, and Eddie and the baby? The tune he broke down? ? ?

Poor Sue is someone else Eric... and after all the trouble that man poured out? This time he had one out. This is confirmed.

Oh, those embarrassing moments as the Browns return to their voices with a formal and Clark Cable (ear, at least). But he insists on taking me home by 9:00. What shall I do?

Dear Miss Bottom:

What should I do when not one, but two of my suitors appear at the same time, at the same place (my front room)?

Ans. Do you have a deck of cards in the house?

Dear Miss Bottom:

I have a question. There are two girls A and B who both talk to the string, while I manipulate C a bit.

Ans. Study algebra.

Advice to the Lovelorn

By Bertha Bellbottom

Dear Miss Bottom:

Why is it the people of B.J.C. seem to believe a girl must sport a sparkler on her forehead? Ans. Why is it necessary to be in love to sport a sparkler?

Dear Miss Bottom:

Is it true that in the spring men's faces turn to other things? Ans. Yes, in the spring men's faces turn to what women have been thinking about all winter.

Dear Miss Bottom:

Why do men wait for the light of their life after class, carrying her books and telling her she never spends her time with them? Ans. After all, you can't spend all your time at Ward's.

My boy friend is 6'2", broadshouldered and he resembles Clark Cable, (ears, at least). But he insists on taking me home by 9:00. What shall I do?

Golfing Enthusiasts

**Turn Out in Force**

Dr. Spulnik and Mr. Nash now have 26 students out for golf instruction. Of the 26 persons, 19 are women. According to Doc Spulnik, this proves that golf isn’t just a man’s game after all.

Students are required to play 10 nine-hole rounds of golf. The Phantasia golf club offers special rates to the college players which results in a lower cost for students. Monthly and season tickets can be bought at this rate also.

24 PLAYERS START

**BASEBALL PRACTICE**

Twenty-four men have turned out for the B. J. C. baseball team. Infield practice has been stressed this past week.

A practice game with Boise High School has been scheduled for April 2, at the public school field. Game time is 4:00 o’clock.

Games have been scheduled with Eastern Oregon Normal for April 19-20 at Boise, May 17 and 18 at La Grande, Lewiston Loggers at Lewiston on May 24 and 25, Dates for the Nampa Nazarene and College of Idaho have yet to be scheduled.

Players who have turned out and who are potential candidates are: Pitchers: Tom Hardy, Arthur Beche, John Gardner; catchers, Dick Gilbert, Bob Peterson, Joe Hardy, Herb Everitt; Louie Leddy, Gene Reusser, and Bruce Knowles; first base, Gene Root, Bob Gessett; second base, Bill Onweiler, Arthur Beche; third base, Aurora Bucbner, Bob Craft, Ed Smith; short stop, Jim Wheelier, Bud Beche; second base, Darel Thiel; out-field, Elina Layne, Bob Peterson, Gene Reusser, John Gardner.

**DRAMA, JOURNALISM STUDENTS COMING**

Debate and drama and journalism students from high schools of southern Idaho and eastern Oregon will converge at Boise Junior college on April 18 and 19 for their annual contests and conference.

The journalism part of the affair, sponsored by the B.J.C. Press club, will be a one-day affair on April 18, Wilford Overgard, Press club president, announcing the conference were sent out today and plans for entertaining the visitors are being worked out by a series of committees appointed by President Overgard.

The conferences are annual events. Details of the debate and drama affair are being arranged by Mr. Harold Wennstrom, Instructor in Dramatics. Several plays will be presented by the high school visitors.

**PRESS CLUB ELECTS**

Wilford Overgard was elected president of the Press club Wednesday, succeeding Bill Ouellet, who has guided the destinies of the club since last fall. Other officers include Jean Brown, vice-president; and Barbara Bronkin, secretary-treasurer. The club discussed plans for the annual high school journalism contest which it is sponsoring here on April 18.

Lips that touch wine shall never touch mine, declared a co-ed, and after she graduated, she taught school for years and years.

**Student Council Meets**

The Music Department was allotted $309.00 at a special meeting of the Student Council last Friday, March 22. This amount will be used to cover the expense for their forthcoming trip next month.

There was also $12 appropriated for the purchase of a plans table which will be set up in the Student Union on Friday evening.

WOMEN AT BAT

By Sonia Bloomstrand

Spring has ushered many sports into the gym classes. This term each class will divert their energy to a variety of games. Tennis fundamentals are being taught in some classes, while others will begin with baseball, tumbling, and archery.

Jean Anderson's one good pitch of her short-lived career in a bil-}

pin-baseball game last Monday was to her own disadvantage. It seems that after she had struck out the last batter that she un-

aimingly threw the soccer ball and knocked down the home base pin—a feat in itself. According to the rules this makes the next batter up automatically out—in this case it was Jean. Our conclusion is that Jean will soon be publishing her own set of rules.

Aching bones and dislocated fingers are the chief complaints of the basketball practices held this week by the W.A.A. It was then decided that in the near future, in order to keep in training, that a hike and weiner roast to Table-

rock be undertaken, providing that some form of transportation other than ambulation be on hand to take us back home.

Golf has attracted Franz Colling, Maxine Cummings, Norra Burn-

ham, Vi Ebert, Mary Helen Rounds, Mary McLeod, and Marge Goudling.

Well deserved promotion from the beginner's to the advance swimming class is in order for Barbara Terry, Betty Hutson, Jer-

ry French, Lou Grider, Claire Tel-

man, Jean Barber, Barbara Lewis and Marilyn Whiteley.

All those who are interested in tennis are asked to sign up at the gym. Coach Warner and Miss Christensen have agreed to offer their services in the way of coaching. There will be an inter-school tournament and also an invitation-

al tournament with the surrounding schools.

P.S.—One of our tennis enthu-

slasts thinks that these tourna-

ments will be better than the ping pong one.

OVERGARD VIEWS

By Wilford Overgard

After a lapse of a few years, a small group of energetic young men, are endeavoring to bring track back as one of the major sports of B. J. C.

B. J. C. has never been enthusiastic toward track. It has not been because they haven't had talent in this sport, but rather because of the inadequate facilities and the lack of substantial equipment. Also the men have to trek out to the Public School Field for their training purposes.

These men who are disregarding the "dark spots" in this program, and who claim to field a more than average track squad are:

Rich Hansen, former Boise High School track star and co-captain of the "44" squad. Rich is a 100 and 220 yard dash man, winning every race in his last two years at B. H. S. He also excels in broad

jump and discus.

Dudley Williams, also a very good dash man and exceptional pole-vaulter and high jumper.

Jimmy Thompson is one of the fastest miles in the State. He was co-captain of the B. H. S. track squad last year and has one of the best times in the mile run 4:48, which is exceptional for a high school lad and more than exceptional for a person as small as he is.

Bob Brown, co-captain of the B. H. S. track squad of "44". Bob excels in the high and low hurdles and also the broad-jump. Bob was one of the best assets to the high school track in his three years of track competition.

Other men who are turning out for the squad and who have a good record back of them in high school track are: Marvin Brown, a dash man and very good; Wilford Overgard a 440-yd. dash man, high hurdles, and pole-vaulter.

The services of Don Rea, a very good dash man, George Post, another dash man and weight man, and also very good, Jerry Lawhead a good half-miler, Bob Blair a fast miler, are trying to be acquired.

The boys are without a coach but nevertheless believe that they can carry on without the services of one.

We know that there are more men in the school that are interested in track and would appreciate it if they would contact Coach Warner and let him know that they are.
