Parade, Pep Rally, Bonfire And Game Highlight Event

Stand by Students... It's Homecoming. The Jamboree week end of the year will blast open with a gala celebration on November 22 and 23. It will be the first all out Homecoming since 1940 and is anticipated to be the best ever. The students have been asked to pull together and do their part in making the event a success.

Heading this traditional fiesta is Merle Collins, chairman of the social committee. Dean A. W. Hind from the University of Idaho, who is now on the faculty at the University of Illinois, will be the chili-teacher and will give instructions to the homecoming spirit staff.

For a Better Roundup

Now that the Roundup will have a permanent staff for the remainder of the fall term, the attitude of the editor and his staff should be made clear in reaction to the paper.

The Roundup is owned and published by the Associated Student of Boise Junior College. The editor is elected by the Student Council. The editor has a great deal of discretion and with the advice of the Student Council enforces the policies and organizes the staff to comply with them in order to put out a paper everyone can enjoy.

The Roundup, as a function and publication supported by the students, is to be developed as much as possible to the student body and its activities. To the different activities, the editor will try to maintain an impartial attitude—give the student body, his newspaper. The editor will, however, try to maintain a reasonable amount of recognition of the student body.

In general, all students interested in the student body and the newspaper are interested in the Roundup. With a newspaper they can contribute to, they can enjoy, and they can be proud of. Without the opinion of the students this purpose can be of no avail. Therefore, you are invited to make your views to the editor and his staff.

School Closes When We Have Assemblies

To those who did not approve of the closing of the fountain at the Student Union during the Pep Assembly last Friday morning: It has been the custom of Students Business Staff to suspend all classes, and all student activities and to close the library and the Union during a general assembly.

ORCHIDS

ORCHIDS—To those who devote time and energy to their important work and contributions, making posters, and helping with school functions.

ORCHIDS—To those who have worked in the Student Body for many years to suspend classes, and other student activities and to close the library and the Union during a general assembly.

Spanish Club Plans Float

At the monthly meeting of the Spanish Club, on November 4, Mrs. C. R. Metzler, a retired nurse, was elected President. The club will join the other two Foreign Language groups in preparing for the presentation of a musical comedy in Spanish, for Foreign Language Night. Latin American music highlights of the program of the evening, and Carmen Monzanto performed for the attendees.

Spanish Club will be held Monday evening in room 112 at the football stadium Nov. 11 in the auditorium where the members will be able to participate in the contest. The prizes have not yet been announced until air time. So it's anybody's guess which numbers are in and which are to be held for another week. The second meeting of the Spanish Club was held at the meeting. They enjoyed a movie about Stan Valley. Plans were discussed for the next meeting which is to be held at the football stadium Nov. 11 in the auditorium where the members will be able to participate in the contest. The prizes have not yet been announced until air time. So it's anybody's guess which numbers are in and which are to be held for another week.

Student of the Week

For the past seven issues of the Roundup, we have introduced several BJC students in this column. This column could not be complete without mentioning one of the football boys, so we are introducing a regular fellow who has been playing a swing game at football.

Lover’s Lane?

The walk between the Ad building and the Union has recently been rechristened ‘Lover’s Lane.’ It was somewhere between here and there that Frank Rohrbaugh gave the engagement ring to Ethel Mae Rose. Congratulations!!!

Blaundard and Davis

Two of Boise’s Hi-Hat gold stars, Bob Mays and Mike Hennicken, came out and looked over half the collage. Maybe they are two more recruits.

Postscript

Singing in the rain (only in the hall) last week were Carl Goicoechea, Ethel Mae Rose, Jackie Morris and Ann Ebert. They all looked happy. Good.

Don’t Encourage!!!

Good deed Yo-Yo Yukon has nothing on Yo-Yo Harry Kendall and a few other overgrown juveniles. Wonder what kind of a discharge they received? From the Army that is.

Pop and Merry

All the kids are real excited over the selling of chrysanthemums at the Homecoming game. Several of those who get one, incidentally fellows can order theirs next week in Mrs. Burke’s office.

A trite phrase but Mr. Ingham is ready to give grades to those five clock bridge players . . . .

A Cressman, Gene Root and half the football team who persisted in staying until the wee hours. Six, that is.

After the Ball

... game that is . . . . many couples were seen on big dates at the usual places . . . Norma Burnham and Jack Crocco, Sally McMillon and Martin Brown and Pauline Brewster and Dick Worthin.

Campus - Couples

Any more campus couples? Students able to supply this information please get it down to the Roundup office as soon as possible. We want to write a feature on all married couples attending BJC.

Boise and graduated from St. Teresa’s in 1943. Carl then entered the service and served with the Army Air Force as a sergeant. He was overseas in the ETO. Carl entered BJC this term and is in business administration.

He is extremely fond of BJC, especially the Union where you will generally find him drinking milk shakes. Among his hobbies are hunting, fishing, baseball. Ethel Lou Iverson and collecting records of symphonic swing. His favorite dish in tongue; fried, baked, or ham and beans.

Carl’s future plans for education are undecided as yet, but for the present he plans to continue his schooling.

USO camp shows made 50 appearances before patients in Veterans Administration hospitals in the Pacific Northwest during September.

ERNEST WOLFF

Sings, Plays, Teaches
During B. J. C. Music Weekend

Ernest Wolff, featured on the sound of the Lyceum series, delighted an audience of approximately 500 people, with his brilliant performance. Accompanying himself on the piano, he presented a German Lieder group, as well as English, French, and Italian folks songs. He was most generous with encores, and as a finale, he played his pianistic arrangements of a group of Viennese waltzes.

Mr. Wolff, who was born in Burton, England, near the Black Forest, began his career when he came to America. In 1945 to sing in musical play, because of a lack of funds, the play was never produced, but he remained in the United States, working with concerts of school, where he gave talks to students in colleges throughout the country. Thinking they were to have been in German, he spent one summer abroad preparing his talks in English, only to find, upon his return to the United States, that they were to be in English. His first performance was scheduled for the college at Amherst, Massachusetts, in November of 1935, where he attempted to rewrite his song only to find that the translation was impossible. In the one day he had to complete the work. It was then, that he started singing instead of talking before his audience.

When asked his opinion of the campus, Mr. Wolff is in his picture, broken English stated, "I think the buildings are beautiful, with the brown brick and green roofs. From plans I have seen, it is going to be a grand campus." He was much impressed with the view of the mountains from the campus.

Mr. Wolff will go from Boise Junior College to Salt Lake and then to Provo, Utah, where he will give a concert. Starting in January and continuing through March, he will make a country-side tour. Next summer he plans to go to Europe, where he will tour Italy and Switzerland.

**Broncos**

102 Yard Run By Willy Sparks BJC

It was the Broncos V Day, last Saturday when they tangled with Eastern Oregon College of Education. Under a bright blindingly sunny sky, sports fans witnessed one of the most outstanding games ever played in the history of the Montaineers by a score of 38-0.

An early highlight was made in the second quarter when Frank Willy, BJC halfback, ran 82 yard for the first score of the game. EOCOE was set to score when they had reached the Boise 1-yard line, but something happened. The ball was fumbled when Carey of the Montaineers hit the goal line. Willy amazed sport fans when he gathered the ball and downed it on the sideline, as he reached the Mountain 40-yard line.

Then, Reineke led West led McKee and Cammack, which Carey with long passes in the fourth quarter were appointed to carry out and go up once even if they never did.

As the game progressed, the Broncos were ready to go when you get the kick. Don't let louse up skies could make such a deal, because he was a fine man--and besides the beautiful runs and lifts of the Sun's favorite valley, came into view. The club has quite a number of good skiers in its organization. A ski film entitled "Salute to the Mountain," was provided by the U.P. and as result the enthusiasm for the coming season was realized a new and better one and will have a room too installed.

Bogus Basin has gone through the third touchdown. Silver's chance. Descending a hill, the ball was fumbled when Carey of the Montaineers hit the goal line. Willy amazed sport fans when he gathered the ball and downed it on the sideline, as he reached the Mountain 40-yard line.

With only about 2 minutes to play Carey tossed the ball back from his half, and as he released the ball he intercepted the toss on Oregon Stadard line and rushed for the second score of the game.
