It is possible to perform a text search of much of this material; however, there are sections where the source microfilm was too faint or unreadable to allow for text scanning. At a meeting held last Monday, the B. J. C. Debating Club was formally organized under the sponsorship of Mr. Paul Challahan of the English Department as Faculty Advisor, with Eugene Cudd elected as president and Greta Stunz as secretary. After the election of officers, further organization and plans were discussed, and meeting times were arranged for Wednesdays and Thursdays of each week.

The topic for debate for this term is, "Resolved: That labor should be given a direct share in the management of industry." The timeliness of the topic and interest shown by the members of the club on both the affirmative and negative sides of the question caused some interesting and lively debates in the coming weeks. Challenges have been received from several schools, and preparations are under way to engage these challenges at the earliest possible date.

The club is also planning group discussions of current topics, and an annual faculty and student annual will be held on May 15th. Questionnaires are being mailed to the eligible seniors. Test Today, please. It is felt that the veterans who are attending school under the G. I. Bill should be warned of the consequences of unexcused absences. According to Mr. F. L. Mllette, Veterans' Training Officer, three cuts constitute one day, and attendance is the only means of voting. Failure to vote may mean loss of subsistence allowance, amounting to $30.00 for each man, and $2.00 for married men.

"Veterans are allowed to accumulate two and one-half days annual leave per month, which can be used on request of the student. However, too many absences, whether from a single class at a time, or from classes on a regular basis, might result in loss of the entire leave or deducted from monthly pay. "This practice has been followed, and it is decided to be held to a minimum. However, the fellows are for the most part pushers. Next term will see wild rash of discontent, sometimes yielding to the dramatic protests of the Forfeits and other legitimate groups."

Focusing on the At last! We quit, you win. After taking another lazy poll in the halls the other day on the topic of editorials, it was rather shrewdly deduced (after listening to several pithy comments which ricocheted off the rafters) that the editorials were not in great demand. So we propose that this space be utilized to set your coffee cup in as you scan the engaging gossip column which continues on the opposite page.

At their trip at Rexburg last week the B. J. C. Broncos played a two-game series with Rick College. The first game was played January 22, and the determined Boise Junior College boys, in a neat score of 54-42.

Bob Priorbett, the Broncs' center, was the standout man. He looped in 19 points in the second game, and the game started the B. J. C. team diving for a smooth lead over the Vikings. At the half the Broncos held a 28-14 lead.

During the second half Coach Smith used all of his men, each giving his personal touch to the game. At the end of the half the Ricks' Smith used all of his men, each giving a personal touch to the lead during this half with the Ricks' forward giving the game up a couple of times. At the end of the first half the Jayvees were trailing 24 to 15. Coming back at the beginning of the second half they put on a drive lead that almost took over the lead but they were soon halted by the determined Caldwell team.

Oaks and Hamilton put on a nice exhibition of shooting. George long shots to take high honors of the Jayvees with Hamilton getting 9 and Oaks sinking 8.

The Junior Varsity fell down on free shots, missing several. Tate fouled out with only a few minutes left to be played. Alexander and Oaks started at forwards with Brassfield and Hamilton at guards and Tate at center. Every man on the squad saw action.

The local Y. M. C. A. has seen some busy Saturday afternoons the male students trying their hand at ping pong. Placers for high-point men are Glen Seibel and Ray Arch.

B. J. C. has a lot of talent, so watch the team. Eastern Oregon has split four games with Caldwell, taking two and losing two.

Despite some nice shooting the Jayvees went down to defeat at the hands of a Caldwell Five Monday night at the Y. M. C. A. The Junior College five started trailing shorty after the game got under way and the most they could do was tie the game up a couple of times. At the end of the first half the Jayvees were trailing 24 to 15. Coming back at the beginning of the second half they put on a drive lead that almost took over the lead but they were soon halted by the determined Caldwell team.
