ASSOCIATION TO BE HELD IN AUDITORIUM 9 A.M.

On Tuesday, April 9, 1947, at 9 A.M., in the School Auditorium the Nominating Assembly for next year’s Student Body Officers will be held. The student officers to be nominated are: President, Vice-President, Secretary, Treasurer and Sophomore Representative of the Student Council. On the following Tuesday, April 15, 1947, between the hours of 9 A.M. and 3 P.M. the vote will take place; the secret ballot will be used and the polling place will be located in the main hallway of the Administration Building.

Most Requirements

Students who contemplate becoming candidates for office must meet with the following requirements as set forth in the Associated Student Body Constitution:

1. Must be a full-time student at Boise Junior College and must be a member of the Associated Students of Boise Junior College.
2. Must complete forty-eight (48) or more quarter hour college credits by the end of this spring quarter.

In other words, the total number of credits they have already completed plus the number of credits they are now carrying must equal or exceed forty-eight quarters.

Veterans are hereby notified that, to the credits they earn, they may add credits they have earned in the service. The number of these credits to be assigned to servicemen shall be decided by the school authorities. Each veteran can, by inquiring at the General Office, find out how many credits he is entitled to through service in the armed forces.

3. Must fill out and submit (Continued on Page 3)

HELL’S CANYON TO BE SHOWN AT B. H. S.

Hell’s Canyon, River of No Return, a breath-taking color movie will be presented Wednesday, April 10, at Boise High School Auditorium at 8 p.m.

The picture tells about Nevill’s Expedition through Hell’s Canyon on Idaho and Oregon along the Snake River for about 100 miles. It is far deeper than Grand Canyon.

The picture is full of thrills, and spectacular scenery holds your interest from beginning to end.

The Delta Psi Omega members are selling tickets out here and may sell any of the remaining tickets. Tickets may also be secured from McCall’s, Inland Sports Service, and Twentieth Century Bowl.

STRAIGHT A STUDENTS

The following students, during the winter term, received straight A’s:

Hrs. Brandt, Robert W., Soph... 12
Green, John G., Fresh... 15
Goin, Alice Louise, Soph... 16
Hepler, John Francis, Post... 14
Keuter, Joe Duane, Fresh... 17
Mays, Carolyn B., Fresh... 19
Riddle, Harry, Soph... 12
Sheldon, Gale W., Fresh... 17
Staton, Mary, Fresh... 18
Ward, Wrenn S., Fresh... 12
Swengel, Hilds A., Soph... 10
Wright, Robert, Soph... 17
Tovey, James D., Fresh... 17

Former BJC Student

To Take Vows

Robert James Kohls, former B. J. C. student, has announced his coming marriage to Miss Mary Elizabeth Garrettson. The wedding is to take place Sunday, April 6th, at the First Methodist Church here in Boise. Bob was well known here at college and was active in Dramatics, taking a lead part in last year’s production, The Silver Cord.

Rowe - Croco

Receive Awards

Two B. J. C. students, Jack Croco and Harry Rowe, received cash awards last Wednesday night at the Ella’s lodge. The Lodge gave scholarship awards for “Most Valuable Student.”

Their papers will now go into the state competition and winners will be announced in June. State winners will go into national competition for prices totaling $10,000.

British Vice Council

Speaks

Mr. George E. Vaughan, British Vice Consul of Seattle, addressed the B. J. C. student body, last March. He spoke of the British desire to come to terms with the Russian government. He spoke of the British aid to Greece, and their cooperation with the United States in this endeavor.

In regard to Germany, he said that his country wished to see them completely disarmed, but united, that his country wished to see them as a good neighbor to the rest of Europe.

Of the 195 members present, 61 have been answered. Nineteen members are living in Idaho, 25 in other states, and 5 are living abroad. Five members have married and members of that first class is deceased. Two members have returned to teach at Boise Junior College, one of whom, Mr. Fails, is teaching in the English department.

Gains

Miss Margaret Sinclair has been appointed an Alumni Secretary of the Public Relations Department of the College of Idaho. She plans to leave the faculty of Boise Junior College in July, to accept this position.

Class of ’32-’33 Plan

For First Reunion

"Preparations for the first annual class reunion are progressing nicely," says faculty member Clark H. Fails, chairman for the event.

Scheduled to be part of Commencement week in June, it will give graduating students of B. J. C. a chance to see how their own careers may shape up, if one believes the statistics.

Of the 195 members present sent to the registered members of the class of 32-33, 61 have been answered.

Miss Margaret Sinclair has been appointed an Alumni Secretary of the Public Relations Department of the College of Idaho. She plans to leave the faculty of Boise Junior College in July, to accept this position.

(Continued on Page 4)
PEDAGOGERY

Mr. Skeen, the popular young man who joined the B. J. C. faculty in January as instructor in accounting, achieved his degree in Business Administration. In his junior year he was interrupted by his entry into the Army Air Corps in which he served for three years. Two of these were spent in England and Germany with the Finance Section.

1947 Idaho Laws Which Affect Veterans

By ROSS WARE

For the veterans of this college we present a brief synopsis of the more important laws which were introduced and passed in the House of Representatives of the 29th Session of the Idaho State Legislature. These bills directly affect the veterans of the State of Idaho.

H. B. 26—Relating to income tax exemptions for veterans—Amounts received as compensation, family allowances and allowances under the provisions of the war risk insurance and the vocational rehabilitation acts of the World War Veteran’s Act, 1924, or moneys received as compensation, family allotments and allowances under the Service of the beneficiary or another in the military or naval forces of the United States in time of War.

H. B. 95—Property belonging to service-connected and totally and permanently disabled non-service disabled American veterans of all ages as recognized by the Federal Veterans Administration not exceeding $2,000.00 annually, or that such person or family does not exceed in value the sum of $5,000.00 or that such person does not have an income from property or assets equal to the sum of $2,000.00 annually.

H. B. 227—All officers and employees of the State of Idaho who shall be members of the National Guard or who shall be reservists in the armed forces of the United States, shall be entitled to leave of absence from their respective duties without loss of pay, time, or efficiency rating on all days during which they shall be engaged in field training or other duties under the provisions of mutual-defense legislation; provided that this shall not apply to any period of time spent in active service of the United States, except that a period of fifteen days or less in reserve training shall not be considered time spent in the active service of the United States for the purpose of this act.

MORE INDUSTRIES FOR NORTHWEST

The Bureau of Reclamation plans to develop extensively the Columbia basin have been submitted to the governors of the seven states concerned, Idaho, Oregon, Washington, Nevada, Montana, Wyoming, and Utah. This plan has been approved by the Secretary of the Interior and deserves the attention and approval of every citizen of the Pacific Northwest.

Although this project, if action is undertaken, will take nearly a century to complete and will cost over five billion dollars, the cost and time involved will be far outweighed by its benefits.

Nearly 5,000,000 acres of land would be improved by irrigation by water from the Columbia and Snake rivers and their tributaries.

Hydroelectric power would be increased by 10% million kilowatts.

More than 200 individual projects in the seven states have been outlined by the bureau, with 11—including the Mountain Home and Rathdrum Prairie projects—set aside for immediate consideration. Through this plan the increased water power will bring more industries to the Northwest, and product of new lands under cultivation can be used to feed the additional population brought to this area by the industries.

There are groups that are not in favor of the proposed program; one composed of hill-dwelling congressmen and their followers annually in the plan only a waste of money. They fail to understand that this development of the basin will eventually pay for itself through repayments by water and power users.

The success of TVA and REA has proved to the world that cheap, available power has played a large part in raising the standard of living of farmers and other isolated segments of population. True, the Northwest is more developed than these other areas, but is there any state in the nation that cannot send more improvement?

Although it will probably take some time before any legislative action is taken in time of War, it is time for study and discussion of the program, and for planning for the future.

The Ballad of the Chain Law

By JESS HARDING

Now I read an anec- 

dotes story which you 

should learn to love.

It's an old story about 

whom I could raise love, 

but my wife won't.

Married men are so many activities. They all 

deph by themselves.

Fifty thousand dollars 

shelled out for the Pea 

and not one person's op 

ion on how to keep men in school and the vote. 

Since part of the race 

appeared on the front 

of our local publications, 

been watched by a man 

two detectives.

The little woman even 

to get a two-way radio 

port in every fifteen s 

don't realize how 

male shortage is.

In spite of the dete 

veiled, I would score a 

place like this, we have to worry about us always get one.

Boise Junior College is 

of the college, so he is favorably impres 

condition of our 

equipment.

More Improvement?

25 BASEBALL HOPEFULS REPORT MONDAY

Baseball practice started Monday, March 24, at the B. J. C. gymnasium. Coach Harry Jacoby outlined the plan of action to 25 prospective players and demanded complete cooperation and obedience to training rules.

With the season so young, he hasn't yet had the opportunity to determine the ability of the potential players who have turned out for baseball. Many of the players have had semi-pro and service experience. Not to be forgotten are the lettermen just out of high school. These two groups will probably form the nucleus of this year's team.

Coach Jacoby would like anyone who is interested in baseball to turn out and help protect the athletic record of BJC. We have a good schedule worked out including: The College of Idaho, Nazarene College, Eastern Oregon, and the Peninsula. They will be set them in basketball, so the spirit from us after the defeats we hand.

The latest from Coach Jacoby states that P. E. students will not be credited with the required number of hours in the gym simply by signing up for tennis. We think there's many a student with the spirit of spring fever in his eyes these days.—Girls, you seem to be on your own—inter-class competition and intramural matches have been temporarily put aside since financial aid has not been distributed. But encouraging news from the student council should appear in the next issue. Listed for the B. J. C. double elimination ladder tournament are Koppel-Duncan (6-1, 6-3), Seibel-Kloepfer (6-1, 6-3), and Baranaga-McCarter (6-1, 6-3). The latest from Coach Jacoby also spoke of India, and Pal.

VANDAL BOXERS FLY TO WIS.

The Idaho Vandals boxing team has been notified that all five entries were accepted to compete in the National Collegiate boxing championships to be held in Madison, Wisconsin, March 27, 28, 29. Those who left by plane Wednesday morning enroute to Wisconsin were Ray Engberson, Herb Carlson, Laune Erickson, Bill Williams and Ted Diehl, along with Coach Ken Butler.
