4-18-1947

Roundup, April 18

Associated Students of Boise Junior College
A sample of the well-dressed man is now wearing suit and tie. There are still plenty of women, men, and children present. The event was well attended, with a large number of people in attendance. The atmosphere was lively, with people mingling and enjoying the festivities. The weather was pleasant, with blue skies and mild temperatures. Overall, it was a successful and enjoyable event.
UNCLE SAM SAYS
By JOE ANDRESEN
National Service Life Insurance team policies will be conversely three kinds of endorsement policies: 25-year endorsement, endorsement at age 60, and endorsement at age 65.

Endowment nature for the face amount of the insurance at the maturity date. For example, an endorsement age 45 for $50,000 provides that in the event of your death prior to age 65 the $50,000 is paid to whomever you may designate as beneficiary. If, however, you are still living at 65, then the $50,000 will be paid to you in cash (or in deferred payment, if so desired).

Thus, those in an endorsement investment plan in which you may choose a specific dollar amount during your working lifetime, so that you may be able to handle the necessities of life when you can no longer work. On endorsements you may discontinue your plan at any time after one year and receive a proportionately paid-up estate.

The outstanding advantage of endorsement policies is that in an endorsement situation that in the event you do not live long enough to complete your payments, the balance of the payments are cancelled and your family receives what you had intended to save rather than what you had saved. An important advantage to all National Service Life Insurance policies is that no matter what financial difficulty you may get yourself into, the money you have paid in your lifetime subject to lapsed, ley, or seizure during your lifetime or after payment to the beneficiary.

If you wish to convert your term policy into a permanent form of National Service Life Insurance, call at your VA office located Regional Office, Boise.

MUSIC NOTES
There was a Student Recital presented in our auditorium last Saturday, April 12. The recital, under the direction of Mr. Carroll E. Wade, consisted of the following students: Orlie Kling, Raymond Blinn, Warrenton, Hazel Drummond, George Pinder, Valentine, Emma Frazier, Eugene Oude, and Joyce Johnson.

An enjoyable evening didn't forget "Back to Boogie" to be presented in our auditorium next Saturday.
Robert Switzer, 22 year old, brown hair, blue eyes, native of Rupert, Idaho, has entered BJC for the third quarter and plans to remain for the Summer term. Bob graduated in 1942 from Rupert High and went into the Army where he spent almost three years in the Flying Infantry, coming out under a doctor's care due to a mortal wound received while in the South Pacific.

Not long after his discharge Bob was involved in an auto accident and again laid up for a few months. When Mr. Switzer was finally able to start his education for higher learning he enrolled at the Southern Idaho State College of Education located in Albion, Idaho. He finished two quarters before coming here to ESC.

Bob is striving to become a coach and is very capable of doing just that. When asked his favorite dish he stated "I just live to eat."
NO TRACK AT B.J.C.

There will be no track at B.J.C. this year due to lack of interest and need of funds for traveling and equipment. Most of the athletic minded fellows here at school this year are devoting their time either to tennis or baseball.

Idaho Club at U. of I. Becomes Girls’ Dorm

Moscow, Idaho. — Because the university was forced last fall to turn down applications of many women for lack of dormitory space, the Idaho Club will be changed from a men’s to a women’s residence. Addition of a 386-man emergency dormitory should make the shift possible.

Phi Theta Kappa Charter

Continued from Page 1 National President shall send the petition to the National Secretary, who shall transmit to all the active members of their fraternity or sorority, of funds for the erection of a 386-man emergency dormitory at the University of Idaho.

Mr. Young stated that the ambassadors were not wisely chosen, because they were selected because of their wealth and position rather than for their ability and while some of them made good ambassadors, others were failures.

Mr. Young said there was too much interference in international affairs by prominent statesmen who exceeded their authority by making statements not truly representing the view of the American government and he cited in particular the view of the American government and he cited in particular the view of the American government and he cited in particular the view of the American government and he cited in particular the view of the American government and he cited in particular the view of the American government.

The society shall consist of students who have a grade point average of 2.5 or better. The list consists of both full-time Freshman and Sophomore students who have a grade point average of 2.5 or better.

During the winter term there was a total of 480 full time freshman and 168 full-time sophomores. This means that 10% of the full-time students made the honor list.
