Roundup, April 23

Associated Students of Boise Junior College
The International Club conducted a music presentation Monday. Mr. Rhoads was the host for the evening. The meeting was well attended and was comprised of the organization’s committee. Neil N. Rhoads began his study of the piano when he was nine years old, and he was brought to the home of the late Victor Ferr in 1931. He gained his first experience in playing a musical composition and it was after this experience that Mr. Rhoads began to play the piano and became the first member of the resident of the organization, Neil N. Rhoads.

The choir performed at Gooding, Jerome, and Meridian, looking for the homes of the members of the choir, and this is expected to make up the operation of the organization.

These girls were chosen on a number of merits if their credits hours and grade point average were sufficient. The girls who were selected were: Dorothy Leighton, Pat Davesett, Mary Mosrum, Shirley Fowler, Jean White, Dorothy Haws, Beverly Nelson, Sue Kline, Helen Lyman, Eyele Syphers, Deldeen Bahn, Pat Wyck, June Hills, Betty Bryant, Nellie Fox, Mary Clay, Geston Burton, Mary Keen, Helen Krein, Leah Reaves, Mary Lou Bachman, Catherine Lowe, Mary Ann Paulson, Thelma Rabe, Jean Hammar, and Delores Monroe.

In order to be eligible for voting, a girl must be a full-time freshman and have completed 30 credit hours. Also, these girls had to have a grade point average of a "C". When the girls were canvassed, it was seen that the depression, cooperativeness, initiative, participation in school activities, attendance to school functions, manners, and relatives of these girls, committees, student body leadership and clerical services.

The cast is now underway for the production of Thelma, Keaton and Mary Lou Bachman in charge of the drama. The school will receive all the pledges until May 4 by the later and "Yell Day".

Knights Make Offer To Help Establish Other Organization

According to an announcement made this week, the Golden Plume Chapter of the marketing club will offer help or assistance to any organization of the university as a way to establish a new organization.

It was further stated that, in view of the recently endowed student body election, the Knights realize other active organizations are necessary in order to continue the annual student organization. If there is no other organization competing in campus activities, the I. K. S. will try to establish another.

The Knights also are aware that the student body is an organization which everyone in the university should be a part of if they really takewhat the Knights didn’t know how to cope with active competition by other organizations. The Knights believe this competition will improve the organization and help them to take advantage of the campus by bringing about better activities and better school spirit.

Campaign Spirit High

The recent display of outstanding school girls in the past week has set a new record of relief for both faculty members and the student body. For as it has appeared throughout the past school year, there has been a definite lack of just what is going on in the student body. However, in the last week, the students have shown a good indication that some action is being taken to put the school on a proper position. There is little doubt that this has been the most needed event at ASJC for a long time. The grand cooperation of the parents of the old school is already being performed in the old school. Where is the old school, there is a "Yell Day." If this thing is going to stay, that has never been long hidden and neglected, but it has only been in the past few years that the students have been given the opportunity to do the right thing. In order to give the right opportunity to these in the school, BJC does have an interest in the student body and operator student body.

B.J.C.'s Bob Caldwell Performs Thrilling 2,500-Foot Leap

A perch jump performed by B.J.C. student Bob Caldwell took place over the Boise Junior College campus during the noon hour Thursday, April 15. Two students, including Bradley Field, circled the campus several times, dropping clips into their chokers the last time before, the jump was made. The choker was made of a rope, which was then tied around the rope. The student jumped off the rope and tied into the rope, making the jump at approximately 200 feet altitude over the east part of the campus. The student then realized the edge of the basketball diamond.

Spirited Election
Campaign Review

B J C R O U N D U P

By LORRE ERRETT

I doubt if there has ever been a campaign for Student Body Officers in the history of BJC such as there has been this year.

Out of approximately 650 full time students, 446 went to the polls and voted. That in itself is something to be proud of, for in the past anywhere from 100 to 200 students would vote.

As I said before, "Those of you who are not out of office, not at the Union Friday noon and Monday noon, really missed two terrific campaign shows.

But let me take you back to Wednesday, April 10th, when the nominating assembly was held in the Student Union because all the students were at the Union instead of the Auditorium where the event was to take place.

When it came to nominations for president, there was a dead silence, for everyone was trying to think which Freshman would be the best president for next year. The silence was broken when Skip Klime raised his voice and we heard the name of President Goodell. Then silence did prevail for this wasn’t the way the I.K’s had planned it.

Weally wanted to nominate Harry Goebel but until 3 other nominees had been put up, well, the silence was broken when Keith Black and Dick Vanderbilt started pounding on the doors, the I.K’s shouting and throwing phamplets which read, "Goebel for Prez" and "Taylor for V.Pres." This started the ball rolling and the I.K’s decided that they would get behind their candidates and really campaign.

Friday came and Boom! You guessed it, Free coffee from 11 to 2:00 p.m., courtesy of the I.K’s. Music by the courtesy of Bill Johnson, also free Hershey Bars.

Monday...I.K’s free taxi service anywhere on the campus. Bill Jameson’s floor show featuring the follies from the Buff Club. Phil Reese who did impersonations of stars and President Rosenbluth as if they were campaigning for Bill. Two dances were given at the Carlton school of dance. While all this was going on, Jameson’s boys were going around filling up everyone’s cups for free.

Come Wednesday and the I.K’s drop

**COLEGE OF IDAHO COYOTES TAKE THREE GAME DIAMOND SERIES**

For the first time in five years, the Boise Broncs had to acknowledge defeat as they were conquered by the C of I Coyotes, who moved into a 1-0 triangular, April 5, Caldwell.

As ball games go, it was a poor exhib- tion of baseball, with both teams committing a sum total of 15 errors. Starter Carol "Smokey" Cates was in the final tilt of the three game series at Caldwell.

In the third game, played in downtown Public School Field, the utility transition of the oldBroncs again emerged by a score of 11-4. The Broncs from last base of the plate, and the Broncs, going two innings extra and a double.

**TAKES HER**

Jack Grader, nursing hitter, was re- placed by Pat Peterson after four hits were scored in a wild third inning. Leading the fray, two Coyote slingers, two hits, and Ley and Firet, picked up a couple of Bronc pitches for two round trips. Two Miller, for a manic and Kermit Zahn, with a pair of au.

The final score: 1-0 201 209 4 1 C of I 15 100 0 0 0 0 C of I; 010 0 00 0 0 9 1 1 1 1 Batter: Grader, Peterson, Petersen.

The loss: Cates, 0-1.
