Special guest was Miss Madeleine Leclaire, a member of the ASPF French program in France exhibiting her work. Miss Tilly Robbins and Tom Cottle were in charge of refreshments. A French film "A Paris" was shown by Walter Emmans.

Four Students Organize Men's Quartet At JC Perhaps the student body isn't aware of it but there is an outstanding group of men's quartet in its midst. The group was formed last fall but was put into place when John Jordan transferred from the University of Idaho.

Among the group of men who are responsible for the fine vocal work. Although most of their individual training had been in a solo vein, they have reacted together with a bright tonal blend. Formed only a month before, their repertoire contains songs that can enjoy to entertain for an hour.

Under the excellent direction of Mr. Weber, of the music department, they have produced an enterprising entertainment that the group recently entertained the students of the campus.

The quartet consists of Merle Carpenter, tenor; John Johnson, baritone; Harlow Overhilling, bass; and Harry Fowler as tenor soloist.

The quartet will be introduced to the public for the first time Friday evening at the M.Roles church, First ward. All in the presence of this group in Boise and on the campus should add greatly to the community's entertainment.

Valkyries Will Present Radio Station Sen-Sen Next Wednesday at 3:30 one of the most unusual assemblies will be presented for the student body, Valley Teachers of America pins. All members or students planning to attend the assembly should have a musical entertainment.

The assembly has been arranged by Colleen Locke and Jeanne Dove dessert with the assistance of the Valley Teachers of America pins. All members or students planning to attend the assembly should have a musical entertainment.

The Union and the library will be closed.

More Laurels for BJC

For the second time in one year Boise Junior college has received national recognition. First was last fall when Ben Jayne was named Little All-American as a football player. Now this year we may regard with self-esteem. Last week Eugene B. Chaffee, president of Boise Junior college, was elected vice president of the American Association of Junior Colleges at its annual con
gress in Washington, D.C. With pride we look upon our president. With this sort of leadership we shall now take our proper place among the colleges. Perhaps at last we will be recognized as one of the better schools, instead of as some remote place in the state of Idaho that no one has ever heard about.

Let us uphold the reputation we have established, and in the future to come we shall continue to become a bigger and better college.

Since Donnie Campbell brought his crew over, he and Steinfeld seem to be having a pretty good time. Especially early in the morning, early in that is.

Who is spending a lot of time off the college of Idaho? He says that he is doing research for his English theme. Oh well, any excuse is better than none.

What is it that we hear about Phyllis Gelhert and Bud Overby, being "seen" in the auditorium?

Have John Pline and Wally Rob
ted any good on the other side of the house.

Now we are low for news. "Gummy" Olafson had a tooth pulled.

What do you think of your choice of clothing and of course girls, style by de

Student Union belongs To ASB
Do You Know?

In any word that is found in this text, there are as many as are the number of students who attend our college. And in every book it is studied, there is always a place where our Student Union is advertised to meet, and to see who are in attendance. It is a place for earning money in the form of a place for discussion, for建設 ideas for the students. All of these things are part of the history of the future of the Union. You have found covered as much as it was in the book. It was as much as you read this page, but you will find all these inside of you. May it be as long as it was in the book. The future of the history of the future of the Union will be covered as much as it was in the book.

This place where every student spends all our hours outside of class and some of the hours when we should be in class, the Student Union. Did you know it belongs to the student body and that the ASB owns the land where it stands?

1949
Ricks College won the Inter- mountain Athletic conference championships from Murray High by defeating the Boise Junior college Bron- cos. The ball game was the last of a three game series, the losers took the first two games of the series.

A capacity crowd, which jam- packed the Snow gym, was pulling for the Ricks cagers, due to the Oklahoma boys who have added good turnout, BJC plans on hav- ing a problem by the horns and dake on the shooting of Hayes and Dall- les last season in their freshman meet with Branch Agricultural sport to one of the more important things in the state's athletic con ference playoffs.

The Boise Junior college Bron- cos came through with a well- earned victory over Ricks last Friday night, defeating the Snow college Broncos 61-59. Playing before a capacity house in the Snow gym, the orange and blue warriors fought their way in the finals of the Intermountain Athletic conference playoffs against Ricks by defeating the champions of the northern division.

Boise jumped in an early lead of 12-6, mainly through the efforts of Jack Gardner and Al Hubinger. Snow fought back desperately and assumed a 33-28 half-time advan- tage. Snow widened their lead to 37-28, but at this point the Broncos be- gan to get hot, and by the end of the game they scored a 54-50 victory over the Snow men. Boise's 17 points came from Gardner, Baker and Hubinger, and 10 points from Goldsmith and Deppe. Gardner dropped in a long shot at the buzzer to give Boise a 54-50, but the Broncos scored two straight baskets, and led 58-54 with only two seconds left to play. Again Gardner hit a set shot and Earl Williams added to the lead to one point for Snow.

With one minute to go, Joe Diet- lich hit a basket and added to the lead for the first time since early in the game. Snow's shoot- ing shot which was no good, and Ricks called a time out to bound to help the Boise cause. The Broncos fouled the ball for the remaining 30 seconds and over-anxious Broncos committed numerous fouls in an effort to get the ball.
