IMMY ZITO TO PLAY AT FORMAL

*Name Band Chosen for Spring Dance in BJC Gymnasium*

It was rumored; everybody has talked about it; now it is WHAT it is! A name band for the Annual Spring fest, of course, Everyone's been saying it, "Let's have a band!" Now we have one, that is, if enough of the students buy tickets.

IMMY Zito, the man with a horn, and his orchestra are waiting for our contract. Have you heard Jimmy and his band? They're just a little short of terrific, so says the record chatter.

The decorations for this year's dance will be beautifully arranged under the skillful direction of Catherine Evans, with the assistance of Jim Morris and other art students from BJC.

There will be a meeting Monday of the students assisting Miss Evans, and any other people who wish to volunteer to help with the decorations. At that time a chairman of the designing committee will be elected. Also, at that time, a theme will be chosen from which the decorations will be centered. Those interested are welcome.

Time has been allotted for the decoration committee to work two weeks in advance, so that the decorations will be carefully and lavishly decorated.

Remember that after tomorrow, tickets will be available at the Student Union. The feature attraction was playing bridge and charades.

The evening ended with a business meeting concerning the next business meeting of the Travelettes.

In previous years spring and summer sports have failed to go over so big at B.J.C. Perhaps the reason for this is when the weather begins to turn warm the school spirit goes down about 10 per cent. The students who are eligible for these sports fail to turn out, and when finally a game is played the members of the student body do not show up to see if there is a winner.

But this year there should be a change. Coach Lyle Smith announced that he has set up an inter-collegiate schedule for the spring sports. Competitive games will take place between Boise State, Eastern Oregon, and several of the minor colleges in the district.

Swinging the tennis racket will be Ralph Hill, who won the Idaho State high school singles last year. Other players of distinction will be on hand as well.

We see no reason why our spring sports should not be as good as our football and basketball have been in the past years. And, regardless of the outcome, let's work hard to make the BJC campus really beautiful and not to let the grass grow long. These games are open to anyone, and all of the students are urged to attend.

As for the students cooperating with the custodians in making an attractive campus with lawns free from ugly or. baseball. And, regardless of whether or not the next cycle ride. We advise Eddy Lunn to hang down over his necktie if a rope is used. Lassie wears sweatsocks.

He wakes up with someone should break it to him. If he were the only guy in town, he'd have to go alone from in a telephone booth. Our atom bombs are useless.

Our cat's only one thing which differentiates him from an ape. Course there are others which make him more intellectual, the one that comes to mind is that he can cope with him mentally. Our atom bombs are useless.

(Man-Mountain Milford) Another casualty of the war is his height. He is now a mere 6 ft. 2 in. and all the rest of him is relatively small. Someone should break it to him.

(Bruno Oscar) This has slipped down the scales. He expects to uphold off everyon on the hour. This last but one
certainly who can deal with him. Many students can be seen or pulled in close tilts; disgusting. Recently "Keep Off the Grass" signs were put up where the steps lead to the street. They are being used by the custodians to try and hold his Argosy in his grasp. It takes a lot of effort, but he will break his bag.

Another casualty of too much fishing.

In Dot Sapling's car to the usual boy, "What's Pocatello like the other day? He could have broken his leg.

Jean Jones was spending the night at his place. It was 8 p.m., and at 6:45 the hospital had an operating room, and the telephone rang. The patient was not in the hospital, so he called the hospital. There is always another way to spend a hour on the finer arts! God Jeanie's feet?

Either One Is Here In Spring

How many times it has been said, in spring a young man's fancy turns to thoughts of ladies or baseball. And, regardless of your particular fancy, you will soon have an opportunity to listen to it. According to Connie Charnelton's "B.U. Notes," the bulletin board and scuttle-butt is in full swing, young women from across the continent are sending in romantic inclusions which will soon have a glimpse of the attending students to court their favorite gals.

Questionnaire Results Show Student Wishes

Here are some of the results of the questionnaire which was distributed to all student assemblies. To mention which of what specifically these answers were obtained, is the last of May, Mr. B. was announced.

Let's Have More Like This One

Above is just one of the hilarious scenes of the Valkyries assembly. Valkyries Varieties presented two weeks ago. Ruth Buettner is shown leading the “First lady of the land,” Betty Bryant back to the Snake Pit asylum. Many students have said it was the best assembly of the year and we heartily agree.

School clubs and organizations should be urged to follow the lead of the Valkyries and present more of these clever programs. Let's have some more assemblies like the Valkyrie Varieties!

Mary Hostetter Married

Mary Hostetter was married to Mr. Hostetter at Wesley Chapel, March 6 at 7:30. John W. Hostetter and Maria Chellena were best man and bridesmaid. The marriage was performed by Deputy Mayor of Beth and a member of Beth.

Shirley Fowler Wins District And Intermountain Contests

Boise Junior College is proud of Mrs. L. T. Fort, previously won first in the state division of Idaho at the state contest held at Idaho Falls. She is well known for her leading roles in Franklin High School, Boise Junior College and other musical group productions.

The Idaho State representative had many roles in the opera produced by the BJC opera workshop during the past two summers— as Cherubino in “The Marriage of Figaro” and as Zerlina in “Don Giovanni.” In another college production, “The Sorceror,” a Gilbert and Sullivan comic opera, she sang the leading role.

Shirley is versatile as well as talented. When not singing, her favorite pastime is speaking French and square dancing. She is a member of the Valkyries, Associated Women, Student Council, French Club, Women’s Ensemble and of the scholastic honor society, Phi Theta Kappa. She plans to continue her studies at Occidental College, Los Angeles, and the Juillard School of Music, New York. Her graduation recital will be presented March 28.
