# Blood Drive Here Tomorrow

## Roundup

Boise, Idaho, January 19, 1950

**Bloodmobile to Arrive Here Tomorrow  
At 1100 A.M.; Will Remain 'til 3 P.M.  
Big Turnout Expected By Intercollegiate  
Knights; Bob Peterson, Chairman**

Pictured above are some of the members of the IK's who have charge of the blood drive tomorrow. The Intercollegiate Knights hope to beat the University of Idaho's record. Shown left to right: Ron Carpenter, Jerry Williams, John Carley and Bob Peterson, chairman

The Intercollegiate Knights have embarked on their biggest project of the year in getting the Red Cross Bloodmobile to visit BJC tomorrow. This project is one of the most worthwhile programs a fraternity could sponsor.

The IK's main goal is to beat the University of Idaho on a percentage basis. The students of the University of Idaho were inspired enough by this drive that 50% of the student body participated. This figure has given them the top rating in the nation for the number of pints of blood received from a single school. But the IK's hope the U. of I.'s fame will be short-lived when the Bloodmobile gets to BJC. There is a total of 436 students enrolled in the college and that means at least 262 must give blood to beat the University of Idaho's record. Let's help the IK's hold true to their vow by everyone giving a pint of blood tomorrow.

The Bloodmobile will arrive at the school at 11:00 tomorrow morning and will set up in the Student Union ballroom. The drive will last from 11 a.m. to 3 p.m.

Bob Peterson, the committeeman in charge of the drive has expressed his hopes that everyone will give a pint of blood to this association. "The blood we give will save someone's life on the battlefield in Korea or wherever the blood is needed," Peterson said.

If anyone should doubt the importance of giving blood they should talk to some of the veterans on the campus.

The staff of this paper wish to extend their heartiest congratulations to the IK's for this project. We also hope that everyone is able to give some of their blood. See you all tomorrow at the ballroom in the Union.

### Student of the Week

This week we would like you to meet Sherman Snyder. Sherman is a sophomore this year and is taking a general course. After finishing his studies here at BJC he plans to attend Idaho State College. Besides his studies, Sherman is very busy with his work of being a member of the Intercollegiate Knights. Last year, also, Sherman was a very busy man on the campus when he held the office of freshman class representative. When asked what was his pet peeve, Mr. Snyder answered: "People who don't keep their word when they say they will do something and also women who are committed." His favorite interest is—yes, hunting. Sherman states that ice cream is his favorite food. If you want your life to be a bed of roses, you'd better start reading.

### Spanish Club

The Spanish club meets Monday evening in Morrison Hall recreation room for its regular meeting of the month. Special speaker for the evening will be Lt. Col. Jack G. Parsons, who will show motion pictures he took in Bolivia while stationed there. He will speak both in Spanish and English to the group. Refreshments for the meeting are being prepared and served by the members of the night school class with Mrs. Margaret Frein as chairman. President Joseph Garro said that the College of Idaho Spanish Club will be guests at this meeting. Music is being arranged by Oliverio Ruiz.

### Five Clubs Get Profit For Working At Games

This year at the football games these various clubs helped run the stadium and received a financial profit for this work. The Pi Sigs had a total of 57 people working and received \$68.23 for their own club fund. B-Cubes had 66 students at the games and received \$79.00 for their efforts. IK's had 30 men at the games and made a profit of \$35.91. The Associated Women had 23 girls at the functions and made \$27.53. The Valkyries with a total of 77 students at the football games were high and received the most money, a total of \$92.17, for their club fund. This profit from selling programs and parking cars along with ushering is determined by the number of students each club gives to do these various jobs around the stadium during the football season.

### New Cheerign Section At Basketball Games

Everyone is invited! You'll miss some fun if you don't join the group. A rooting section has been started at basketball games. Your help is needed to make more noise, and give the team more support. Wolf whistles, big mouths, new years horns, drums, most anything that is good and loud will help the group that has some of these now. How is the school spirit? Do you know what is wrong if it isn't good? You aren't making enough noise at games. Join the crowd and help out. All it takes is your presence and a good spirit brought with you.

Our games will be victorious if every one of you will help cheer at these games, and lead our team to the victory they want.

### Inter-Faith Council Gets New Constitution

With affirming eyes the Inter-Faith Council ratified their new constitution, written by Mary Gottenberg. On Tuesday noon last, the present members of the council heard it read, discussed its merits and signed their names in approval to the first document uniting the students of different faiths and beliefs on the campus. Copies of the constitution will be available for the officers of each club to notify the separate organizations just what the council means to them. This is the first successful attempt in the history of BJC to have such a chance to commonly work together toward common goals. Let's congratulate the council and their good work!

### Phi Theta Kappa

Tuesday evening, January 13, Phi Theta Kappa held an initiation for eligible sophomore students. Among those initiated were Ilene Muhlestein, Jessie Mae McQueen, Fred Ghertler, Rosalee Hartwell, Jo Ann Hartzler, Jean Fisher, Judd Rogstad and Margaret Clemens. After the initiation program, Mr. C. Griffith Bratt spoke on the trends of contemporary music. Officers of the organization are president, Terry Wagstaff; vice-president, Norma Dike; secretary, Ginea Greer, and treasurer, Glen Hostetler. Dr. Buck is the advisor for the Phi Theta Kappa.

### Tickets On Sale

ATTENTION, GIRLS! You haven't forgotten that big event that is coming up February 14, have you? Well, it's the Sweet-heart Ball. Nominations for King of Hearts will be taken January 19 and 20 in the main hall. Also, tickets will be available at that time. Any girl can nominate but only those buying tickets can do the final voting, which will take place on the 13th of February. Remember, get your dates early, avoid that last minute rush.

### Pictures

The following pictures will be taken Wednesday for the Les Bois:  
12:15—Girls Ensemble, in Mrs. Forter's studio.  
12:25—Union Night committee, Mrs. Forter's office.  
12:30—Les Bois staff, Mr. Gottenberg's office.  
12:45—Roundup staff, Mr. Gottenberg's office.

### Dorm Holds Dance

"Winter Wonderland," was the theme of the dormitory dance held January 10, sponsored by Morrison hall girls in the recreation room. The theme was carried through with silver, white and blue decorations. A parson (decked out with cap and scarf, donated by Bill Kramer), trees, birds, pine boughs, and even snow flakes, covered the room in a wintry scene. Kay Richardson and Delores Hanson sang "Winter Wonderland" during intermission. Music was played by the "Blue Notes". Ina Routson-Dick Newby, Delores Hanson-Joe Leonard, Kay Richardson-Dick Fisk, Shirleen Shaeffer-Paul Giles, Barbara Pritzel-Bob Walker, Joanne Waddell-Bill Gardner, Suzanne Collins-Dick Newbill, Barbara Rae-James Pyne, Gail Robbins-Roland Biehn, Avis Smith-Art Koenig were couples at the dance. Guests of the evening were Mrs. Turnipseed, Dean and Mrs. Mathews, Dr. Chaffee, Mr. and Mrs. Gottenberg, Mr. Roulette and Mrs. Burke, Dr. Baker and Miss Dingham. Committees for the dance were suite A, intermission; suite B, band; suite C, refreshments; suite D, invitations; suite E, decorations.

## Blood Drive

We see that many sacrifices are made that really aren't sacrifices at all. Time means a lot to most everyone, even just a few minutes. So does life. Inconvenience costs a lot of people money, trouble or a grouchy disposition. But there is one so-called inconvenience that may mean life or the loss of life. BLOOD spells inconvenience to some. They label it fear, or health or something else just as insignificant when to others it spells all the good things that people enjoy such as games, friends, school, work, pleasure, relaxation, family, and travel. It isn't just the fighting men that need it either. Accident victims, disease sufferers, crippled children and shock patients require a lot more of it than we realize. Yet if the stocks are full for home use, then an even greater need for it is neglected. The fighting men need blood just as much as food, warm dry clothing, and medicine.

Blood is very inexpensive—it costs you nothing! Just a little time, no effort, and no inconvenience. Won't you come with us to the center and give a little life to someone?

## "January Thaw" To Be School Play For This Year

"January Thaw" was chosen as the Boise Junior College play for this year.

This play was originally a novel by Bellamy Partridge, and was the best selling novel in the early 40's. William Roos dramatized the novel in 1945. It immediately became a Broadway success.

This is the story of the Gage family who are living in a pre-revolutionary Connecticut farm house.

Mr. Gage is a writer trying to work on "The Great American Novel." His wife, Marge, is an amateur interior decorator who spends most of her time redoing the house. Other members of her family are the two little girls, Paula and Sarah, and an older daughter, Barbara. Through a legal technicality the previous owners, Jonathan and Mathilda Rockwood, returned to their home claiming the right to live there. (A fine print clause in the deed gives the Rockwoods the right to use their house as long as they live.)

The conflicts which arise when the two families of unequal temperament try to live in the same crowded conditions provides the comedy situation for this play.

Among the students who are

## Shower Given In Suite E

A shower in honor of Mrs. Carol Ann Moore, formerly Miss Carol Ann Crume, was given in suite E in Morrison hall Thursday, Jan. 15. Mrs. Turnipseed and girls in the dormitory donated toward the gift which was part of Carol's silverware set. Refreshments were served by suite E.

Kay Richardson and Carol Riggs moved from their former rooms Kay took a single and Carol moved downstairs.

Driscoll hall is taking it easy these days. The boys don't seem to have any plans or have done much in the line of news.

tentatively cast for roles in the play are Bob Kellogg, Jerry Crandall, Wendell Long, Kenneth Moore dall, Wendell Long, Rosalie Hartwell, Kenneth Moore, Bernadine Aubert, Mrs. Rosalie Majette, Pat Thompson and Gloria Logan.

Production date has been set for the third week in February.

Members of the cast are in rehearsal now.

A spring play, "Shakespeare's Twelfth Night," will be produced in late April. Students interested in trying out for parts in this play may read scripts which are on reserve in the library, and may report to "T-1" any time before February 15, for audition.

## Club News

### F. T. A.

Last Monday night the FTA club held a social in the ballroom of the Student Union building. Chairmen of the affair were Danny Nielson, Carol Smith, Donna Officer, and Pat Austin. Committee heads were: Dorothea Britz, Ada Billick and Denny Brubaker, games; Welles Henderson, Jerry Keener and Carol Beery, refreshments. During the course of the evening games were played and songs were sung by the group. Also, it was strictly taboo to use a personal pronoun during the whole evening, which undoubtedly brought many laughs. Refreshments and hot punch were served.

### GERMAN CLUB

The German club has been holding their weekly round-table each Wednesday noon. The group talks continuously in German, discussing the German school system and other such matters concerned with that country.

For a school project the club has been selling at some of the basketball games. President of the group is Bob Watson.

### B-CUBES

Rah! Rah! Rah! The B-Cubes have been very loyal to the basketball team, cheering them on with their snappy pep section. Also the girls have been selling at some of the games. On the night of the Globe Trotters' game all the B-Cubes are asked to wear their club sweaters and also their orange and blue beanies.

### I.K.'s

Doing their loyal best to help save some soldier's life the I.K.'s are sponsoring a blood drive. All the boys will roll up their sleeves and part with a pint of their blood tomorrow when the bloodmobile arrives.

The I.K.'s held their formal initiation last Friday night in the Union ballroom. A party was held following the initiation.

Truth is as old as the hills is bound up in the latin proverb: "Necessity is the mother of invention." It is surprising what a man can do when he has to, and how little most men will do when they don't have to.

## Teacher of the Week

Mrs. Thelma Allison comes from "genuine" western pioneer stock—her grandfather having carried mail on snowshoes through the mountains between Franklin, Idaho, and Bloomington, Idaho. Her maternal grandparents were the first couple to be married in Hyde Park, Utah, after its establishment and her father was instrumental in the laying of the first railroad out of Montpelier to the northeast, the Oregon Short Line.

Mrs. Allison has lived most of her life in Utah, where she graduated from the Logan high school and from Utah State Agricultural college in Logan. She also obtained her BS and an MS degree in home economics education from that institution. She has received training at the University of Utah and the Brigham Young university and was instructor of home economics at Carbon college at Price, Utah, before coming to BJC.

Mrs. Allison is enthusiastic about her work at BJC. She says, "We have the most cooperative administration with which I have ever worked and my students are tops." She extends an invitation to all girls to come and visit the home economics department.

## Let's Dance

Square dancing! Sound like a good mixed group will be there Thursday nights. Everyone have an opportunity to dance there will be a lot of fun for all who attend.

Dr. Obee is willing to render service to the group if there is good turnout. Dr. Obee is an excellent caller and dancer.

Students who have done square dancing are being formed into a group and are trying to get started at BJC.

There should be an equal number of men and women so everyone can dance each time, and Dr. Obee and his physical education class will help in any way they can.

A notice will be posted on the bulletin board as soon as the starting date is set.
