Broncos Mash Spud Bowl

Roundup

BOISE, IDAHO, FRIDAY, DECEMBER 7, 1951

Here is a picture showing the huge Pep Rally the BJC students held in Bakersfield, California, before the game Saturday night. At the far left is June Obenchain, 1951 Homecoming queen, who is riding in the car with the two other queens from California. In the center are the four BJC cheerleaders whooping it up. A few of the JC students shown here are Dwight Dickie, Barbara Castleton, Rex Frazer and Dorla Jo Hogenmiller.

BRONCS END WITH 34-14 VICTORY

The BJC Broncos used a powerful ground attack to gain a 34-14 victory from Bakersfield Junior College in the Kern County Shrine Potato Bowl game at Griffin Stadium on the night of December 1.

Tailback Merlin Howard and fullback Dwight Winslow were big stars on offense for the Broncos. Howard spent most of the evening sprinting the ends while Winslow used his power plunging through the middle of the line. Winslow turned in a total of 245 rushing, including an 80-yard run for a score in the third period.

The Renegades backfield, led by Burnell "Arm" Jamerson, was held at bay by strong Bronco defensive line paced by Guard Pete Quinn and linebacker Joe Fulwyler. Jamerson was a constant threat to Boise, and he figured on both of the Renegades T.D.s. He passed to Dean Hojnsen for the one score and ran over for another six points on a safety in the final period.

Howard opened Boise's scoring on the first play of the second quarter by smashing seven yards off tackle. Leland Fowler's kick was good. On the kickoff Wise fumbled on the 20-yard line and Harvey Detwiler recovered for Boise. Three plays later found Winslow scoring from the three. Wayne Patrick passed to Frank

Treverbaugh to put Boise in scoring position just before the half. Howard scored from the three and Fowler's kick was good. Boise had a 20-0 lead at the half.

Boise received the kick-off to start the third quarter. Winslow climaxed a 71-yard march by crashing over from the seven. Fowler's kick was again good. Boise's final score came on Winslow's 80-yard sprint. Fowler's kick was again good and Boise had set a new scoring record in the Potato Bowl.

This was the second victory for the Boise Junior College in the Potato Bowl. They previously defeated Taft J. C. 25-6 in 1949. The Broncos set 15 new records in the contests and tied several others.

Apologies and Amends

The Golden Plume Ball, which was to be held Friday, November 30, was postponed because of the Potato Bowl game. However, it will take place next Friday, December 14, so get your dates now!

The wife was working out a crossword puzzle when suddenly she turned to her husband and asked: "What is a female sheep?" "Ewe," he replied without looking up from his paper—and then the battle raged.

Tragedy Strikes C. Student

Three causes for accidents—"I didn't see", "I didn't think", and "I didn't know". "But I didn't see!" cried Beverly Brennan as she tried to explain a little mishap to a group of inquisitive students. "I was driving along minding my own business when 'He' loomed up—and I hit him." Bev had to phone for someone to come and pound out her bumpers so she could go home. Never you mind, Bev, it happens to the best of us. We of BJC only hope "He" won't sue for damages.

AW Offers Thanks To Student Body

The Associated Women would like to thank everyone for their generous food and money contributions for the Thanksgiving basket. They collected a bushel basket of canned goods and \$12 in change—enough to buy the turkey and the trimmings.

CANDY SALE

The A.W.s are planning a candy sale in the main hall and Student Union on December 18. All girls in school are asked to donate a batch of candy for the sale. You will all be notified by telephone but if some are missed please don't forget to bring some in to Mrs. Burke's office on the 17th or the morning of the 18th.

WSSFC Conducted Fund Drive

Under the direction of Laura Lyman, World Students' Service committee chairman, the International Relations club put on a drive this past week to raise money to contribute to the fund. Collections taken in the hall of the Ad building in the form of a contest between Freshmen and Sophomores amounted to over \$40, with the Sophomores winning the competition. A cake sale sponsored by the IRC at the Cash Bazaar last Saturday brought in another \$25. With the additional collections and contributions from church groups, clubs and faculty members the amount raised by this drive is expected to be over \$100. To help promote the drive for the World Student Service Fund, posters and literature have been displayed to enlighten students on the uses to which these contributions are put in helping students of other countries get educations.

An insurance lawyer was questioning a client who had injured a pedestrian. Lawyer: "Was your uncle killed in the fall?" Client: "No, but he would have been except for one thing." Lawyer: "What was that?" Client: "He fell into an open manhole and was drowned."

The quiet of a doctor's office was shattered by a badly frightened man who gasped: "Quick, Doctor, do something! I was playing a mouth organ and swallowed it!" "Keep calm, sir," advised the doctor. "Be thankful you were not playing the piano."

The Broncos played spectacular football at the Potato Bowl in Bakersfield, California, last Saturday, defeating the Renegades 34 to 14. Running with the ball is Nolan Ford, while Johnny Curan is tumbling after an attempted tackle on the opponent. Johnny Milani seems to be giving the opponents the 'old eagle eye' while preparing for the leap. Grrrr!! Gus Pastos is coming in for the kill with murder in his eyes. Nice going, team, you did a wonderful job.

Weekly Wisdom

By Cleon M. Kotter

Have you noticed this appropriate message used in cancelling any of your recent letters; "Hire the handicapped"? It's good business.

"We are not yet employers, so what can we do?" you ask. Though financial means may be limited, opportunities for helping the world's unfortunate and underprivileged grow in self-respect and self-sustaining ability are limitless. Surely the opportunity and need is sufficient to call forth the maximum of our efforts.

Scriptural Wisdom: If a brother or sister be naked, and destitute of daily food, and one of you say unto them, depart in peace, and be ye warmed and filled; notwithstanding ye given them not those things which are needful to the body; what does it profit? Even so faith, if it hath not works, is dead, being alone.

Mr. Newcomer: "A king touched my grandfather on the head with a sword and made him a duke." Old Settler: "That's nothing. Once an Indian hit my uncle over the head with a tomahawk and made him an angel."

Front Page Humor

Mary: "My whole family follow the sea. My brother is an officer on a ship."

Louise: "Really. What is his capacity?"

Mary: "About four or five quarts."

"I shot my dog."

"Was he mad?"

"Well, it didn't seem to exactly please him."

Say, what's the matter with that dog of yours? Every time I come near the water cooler, he growls.

Oh, he won't bother you. Then what is he growling about?

He's probably a little sore because you're drinking out of his cup.

He was so drunk that when he came out of the hotel and saw a man with gold braid and medals on his chest, he said, "Will you call me a cab?"

The man was offended and he said, "How dare you insult me—I'm no doorman—I'm an admiral in the Navy."

"All right," corrected the drunk, "call me a boat, I'm in a hurry."

A JOB WELL DONE

Once again Boise Junior College has a new football trophy to add to the ones already in the trophy case.

Not only has the BJC football team been conference champs for three straight years, but they have also participated in postseason bowl games for three straight years, including the Potato Bowl this year, which the fellows won handily.

Congratulations, fellows, for a job well done, and we know that the record will be kept up!

CLUB CAPERS Star of the Week

NEWMAN CLUB

The Newman Club met November 12 for a short meeting and a social afterwards. During the meeting Betty German was appointed publicity manager by the president. Perhaps the event, best remembered that evening took place during the social.

The girls, it seems, were having a little trouble making coffee, but Dr. Spulnik came to their assistance and saved the evening.

They held another meeting on November 26. During this meeting the club decided to give a generous donation for the W.S.S.F. Also, Father suggested looking up some Catholic history to discuss before the meetings. Afterwards doughnuts and coffee, which was expertly made, was served.

INTERNATIONAL CLUB

The W.S.S.F. committee has just completed a successful drive to raise money for the World Student Service Fund.

Next Wednesday the I.R.C. met in the home ec room to hear reports from delegates to Portland, Caldwell and U.N.E.S.C.O. at Boise. The evening will be completed with refreshments and social. The I.R.C. has been given the responsibilities of picking three topics for the annual oratorical contest sponsored by Bob Fifer.

GERMAN CLUB

The German Club met at the home of Dr. De Neufville to hear the Christmas story from the scriptures in German.

IK, VALKYRIE

The IKs and the Valkyries have been selling Christmas seals this week in the main hall of the Ad building and in the Student Union. Also participating in the selling are the various clubs around school who are to receive recognition for a splendid job. However, today is the last day, so do your bit and buy Christmas seals. Help those who are stricken with that dreaded disease, tuberculosis.

The player of this week is the greatest star ever mentioned in this column. He has more power and drive than any other eleven man team we have played this season. He played at Bakersfield last Saturday and brought the trophy home for our school.

Who is this star? The star chosen for this week is "the Bronco." It took the whole team to run over those Renegades and although one of two of our boys made outstanding runs it's sure they couldn't have done it without the rest of the team behind them.

The "Bronco" has brought much credit to our scholastic year as a football star and deserves a lot of credit. This week we bow mighty low to the "Bronco" —Star of the Week.

Chivalry Has Dropped Dead

What happened to the Knights in Shining Armor? Has Sir Walter Raleigh's good deed done no good? It seems that the chivalry has faded into the past.

For example, what did the great he-men of BJC do when poor Charlene Barber fell down and went sliding gracefully, yet embarrassingly across the lawn? Well, none offered to pick her up!! There was that poor girl, stretched out on that cold, damp grass while the better half of BJC's male population stood by and laughed.

Sue Claire Freeman was a little more fortunate. Some well-trained fellow helped her up.

Yes, chivalry is slowly disintegrating, our knights have galloped off into the past and are being replaced by the gallant (?) men of the modern age.

Tips on the Trip

The trip to Bakersfield was a lot of fun for the kids on the band bus and many things happened that we'll remember the rest of our lives.

Take the first night in Sacramento for instance. We were in bed early, early in the morning that is. Most of that night was spent talking of the coming day and there wasn't too much excitement.

The next day we staged pep rallies that couldn't be equalled in a hundred years. That night we traveled to the field to see our team down the Renegades 34 to 14 and if you can't remember that don't feel badly, I'm sure you're no orphan. There was quite a dance that night and the town was beautiful from the top of the Hotel Padre. (The town wasn't the only thing that was beautiful from the top of the Hotel Padre.)

We couldn't forget the trouble we had getting our room keys. I'm sure the management of the Hotel Padre won't forget the show we put on after the game for those keys either.

And then there was that fascinating night in Reno. That night separated the kids from the grown-ups. Harold's club was the test and many methods were used to enter its doors. Those that made it in won't soon forget it.

Room 215 seemed to be the big attraction in the hotel that night and Don Erwin liked it so well he didn't want to leave. Finally we installed "jet propulsion" and he was off.

Lowell Sheirbon, Leon Vostrez and Deanie Hodges lost their life's earnings on the slot machines while Kathy Pool, Mary Gotenberg and Bob Bate hit the jackpot.

On the home stretch Ellis Hyde turned green from things we won't mention.

It didn't take long to find the card sharks of the group. They were Ray Moore, Bob Falkerson, Cliff Jackson, Dick Blend and the one and only Mr. Best. They liked the game so well they played all the way down and all the way back and I mean all the way.

Our famous password was "Annette did it" and our banner was a palm leaf. Our comedian was Frank Carr who told us all about the grand opening. Mrs. Burke seemed to have a little trouble with her stomach but most of the kids made it fine.

W. A. A.

New additions to Boise Junior College sports equipment are three new steel tennis nets, recently purchased. Miss Catherin stated that one is now on the tennis court near the gym and that students wishing to play there (brrr!) are invited to do so.

Morrison Hall

November 26th at 6:30 there was a house meeting in the parlor. It was decided that since several of the girls were going down to the Potato Bowl game and then there would be such a short time before Christmas vacation that the tea honoring Mrs. Morrison would be postponed until after the vacation. Also conduct at the Potato Bowl game was discussed.

Luane Brent, Shirley Dunkle and Diane Huschke were appointed to plan the Christmas festivities which will, of course, include the trimming of the tree and probably a gift exchange. Also the three in charge were thinking of a party with the boys at Driscoll Hall just before Christmas.

The Hall was certainly dead this weekend except for Saturday night at which time a "listening in" party was held here for the people who didn't go down to the game. We were not without a cheerleader either, the job was very capably handled by Dr. Baker.

Virginia Harris, Shirleen Schaefer, Shirley Dunkle, Gloria Johnson and Dorla Jo Hogenmiller left early Friday morning (4 a.m.) for the game, while Luane Brent and Margaret Bailey left with the band at 8:00.
