ALUMNI NEWS

**CLASS CAPERS**

Home for Christmas was 2/L Walter E. "Wheaties" Emmons, who recently graduated from the Air Force Pilot School in Lub- lock, Texas. "Wheaties," a 19 B.J.C. grad, and Ann Gelsinger, another 49 grad, attended the Alumni Ball 26th of December.

Home for Christmas from Victoryville, Calif., were Bruce and Betty Martin, Jack Mott, Lyle Cott- vin, Jim Rushford and Warren Pepperdine, all former students at B.J.C.

Madeline Melveng, a freshman at BJC last year, was elected Student Body President of Sigma KI at the University of Idaho recently. He al- so says he would give anything to be home again, going to BJC.

Marvin Gerdiner, stationed at Mt. Home Air Force Base, has been around the campus a lot lately. Nice to see you again. Marvin.

Bob Empie just can't seem to stay away from his old stamping grounds. He is seen in the Union quite often at noon playing cards with the boys.

**Broncos Suffer Second Defeat**

---

**Star of the Week**

The man chosen for this week's star is Dwight Dickey or "Dead Eye Dick." Dwight has come a long way this year and so far has ended up at or near the top of the scoring list of each game. Dwight played ball for the Broncos last year so this makes his last season at B.J.C. and it looks like he means to make it a good one. Dickey came to BJC from Vale, Oregon, and as far as our basketball team is concerned I'm sure we're all glad he did.

Although Dwight only stands 5 foot 11, he can make some of the taller men look rotten but rebounds and ball handling. One of his favorite pastimes on the court is completely confusing to his opponent.

"Dead Eye Dick" plays a very important part in making up the Broncos squad. If "Dead Eye" can continue to live up to his title I'm sure we will see a lot of him throughout this season, "I advertised that the poor and needy shall be welcome in this church," said the minister, "and after in- vestigating the collection, I see they have come.

**WEEKLY WISDOM**

"As we consider the few test resolutions made for the new year (many of which have already been broken), we might add, 'Have we hanker's "wants" to talk to the full weight of our waist.'""The best festive way to get rid of those un- nerving words is to place them on paper. (Scriptural Wisdom: Judges 1:1 with the "drink" of the 10 commandments)

Jesus said unto him, "Thou shalt love the Lord thy God, thy heart, and with all thy soul and with all thy mind. This is the first and great commandment. This is the second is like unto it, Thou shalt love thy neighbor as thyself." (St. Matthew 22:37-39)
