Roundup, January 28

Associated Students of Boise Junior College

Although this file was scanned from the highest-quality microfilm held by Boise State University, it reveals the limitations of the source microfilm. It is possible to perform a text search of much of this material; however, there are sections where the source microfilm was too faint or unreadable to allow for text scanning. For assistance with this collection of student newspapers, please contact Special Collections and Archives at archives@boisestate.edu.
Let's Give Our Support NOW!

Have YOU turned in YOUR blood donor pledge card? If you have not, please do so as soon as possible. This is the word from Sherman Snyder, who is in charge of getting the pledge cards signed. Sherman points out that in order to keep the Red Cross Mobile to the University, the Interfraternity Knights, who are the sponsors, must have a certain number of signed pledge cards.

So, let's give our support to a real worthy cause! Turn in your pledge cards to Sherman Snyder today.

Heard over a California station: "We bring you five minutes of the latest news compiled by the wild bunch more than a glance. One of them exclaimed, "His, Ill bet she looks good in a sweater."

Boise Junior College Night School registration will take place February 5 and 6, 7 to 9 p.m., at the general offices of the Administration building.

A minimum enrollment of 15 is required in each class. Other courses than those listed above may be given if there is sufficient demand.

For any other information call 6795 or write Dean's Office, Boise Junior College, Boise, Idaho.
This is your new editor for the second semester, hoping that I can do as good a job of editing The Roundup as Ruth Pond has done first semester.

Credit is also due to Diane Huschke, first semester advertising manager. Assisting me this semester as advertising manager will be Diane Chester.

Together with my staff, I'll work to keep The Roundup an interesting and timely paper, and I'll be willing to listen to any suggestions to make it better at any time.

Dear Miss Dee Mener:

My boyfriend, when he arrived in America from France, was hit by a truck. Do you know if this will cause him any defects?—Worried.
