My breakfast lies over the ocean,
My dinner lies over the sea,
My tummy lies in such a commotion
Don't ever mention my supper
to me.

Weekly Wisdom

By Cleon M. Kotter

While we are in the process of attuning our hearts and minds to the much spoken of need for recognizing the reality and responsibility of human brotherhood, should we not give recognition to Him through whom we are literal brothers?

Scriptural Wisdom: Furthermore we have Fathers of our flesh which corrected us, and we gave them reverence. Shall we not much rather be in subjection unto the Father of spirits, and live?

(Hebrews 12: 9)

First Performance To Be March 6

Bach to Boogie, the annual musical show sponsored solely by the Boise Junior College choir, is scheduled for the first performance on March 6 in the auditorium.

B.J.C. has a wide variety of talent in the show this year. The complete cast was drawn from the choir and four alumni of the choir will be one of the many highlights this year.

The plot, staging and arrangement are on the vaudeville type. A jazz' combo consisting of Gib Hochstrasser, trumpet; Keith Black, drums, and Fred Ghertler, piano, and the choir will furnish the background music for a number of the shows.

James Jewell is the production manager with Marliese Freeman as director. They are assisted by Sid Nelson and Georginia Hopkins. In charge of music arrangements, is Fred Ghertler, and lights and staging, Ronald Cochran.

Others on the production staff are Margaret Bailey, Sue Freeman, Myrtle Sieve, Bob Fulker-son, Bob Cole, Ruth Pond, Sharon White and Shirleen Shaffer.

A few of the numbers which will be heard and seen are: a semi-modern dance and a Latin dance, St. Louis Blues, sung like it was really from way down there where it originated; an aria from the opera, Samson and Delilah; an aria from a Latin Opera, a brass sextette, a piano number, some modern jazz and semi-classical numbers and the Varsity Drag. These are only a few of the many numbers to be presented.

Night Classes Near 300 Mark

The night classes offered at BJC are being received with great enthusiasm, enrollment totaling near 300, according to Mr. Mathews, Dean of Registration. The exact figures were not available at press time, but approximately 250 have registered for evening classes to be held at Boise Junior College and an additional 70 or so have registered for classes to be held at Gowen Field. Registration in the child psychology and foreign language classes was slow at first but all classes are now filling up quite well, according to the Dean of Registration.

Front Page Humor

I used to think I knew I knew,
But now I must confess
The more I know I know I know,
I know I know the less.

Jake: "Your wife used to be so nervous. Now she doesn't seem to show a sign of it. What did you do for her?"

George: "That was easy. The doctor simply told her nervousness was a sign of old age."

During the intermission as a masquerade ball, an irate husband address his spouse: "See here, Helen, didn't I see you kissing some no-account wolf during the early part of the evening?"

"Why darling, it was quite dark," answered the wife sweetly, "I really thought it was you."

"Come to think about it, honey, maybe it was I. What time was it?"

Faith Brotherhood, by Father Peplinski; and International Brotherhood by Mr. Millar.

This assembly, with chairman of the Inter-Faith Council, Mary Gottenberg, presiding, will conclude the Brotherhood Week activities.

Brotherhood Week

We of Boise Junior College join schools, churches and various organizations across the country in the observance of a week set apart and designated Brotherhood Week. In the short span of our years we have seen directly or indirectly much of the strife resulting from the failure of man to recognize and treat his fellows as brothers. One needs but imagine what the inevitable destructive outcome will be if the estranging barriers of race prejudism, national hatred and international suspicion are not soon removed from the hearts of man.

CLUB CAPERS For Those Sports Inclined

SPANISH CLUB

Monday night, February 4, the Spanish Club had as their guests Sgt. Manuel Gonzales and Pvt. Harry Perez. These Spanish speaking fellows are stationed at Gowen Field, and come in to chat a while with Spanish Club members. Oliverio Ruiz played the piano and guitar as the group sang while munching on apples.

B-CUBES

The three Cubes with the bright sweaters and all the pep, ran up and down stairs at the Globetrotter game selling cokes, candy, apples and popcorn. Headed by Norma Dike, these freshman gals have been working mighty hard this year to uphold their motto "Boost Boise Broncos."

NEWMAN CLUB

A meeting of the Newman Club was held Monday evening, February 11th. Talks on reformation were the main topic for the evening followed by group discussion on the subject. Later doughnuts and coffee were served.

Snap! Crackle! Pop!

Has anyone heard of a girl being truly mad at a boy for getting her home late? I was always under the impression that that part of life was left for the girl's parents. Jerry White, in some respects, thinks Sue Freeman is a strange girl.

Seen Lowell Sheirbon's new girl? That boy has really struck oil.

We have a new man at our school, ladies. His name is Robert Donnelly. Take my words of advice and watch him. He's a killer.

You can have her! I don't want her! She's too _____ for me.

Bogus Basin will be open Wednesday, Thursday and Friday afternoons from 12 until 4 p.m., according to word from Miss Jean Catherin, women's P.E. instructor. Students may take advantage of a two-hour skiing lesson for \$1. Ski equipment may be rented for \$1.15 for a half day. These lessons will be especially good for beginners. Anyone needing transportation see Miss Catherin.

For those students interested in badminton, there are evening classes being held on Monday and Thursday at 7:30 p.m. in the gymnasium. People in the dormitories are invited to visit and may participate once or twice, and may enroll if they wish to do so.

W. A. A.

The Women's Athletic Association invites all women students interested in playing basketball to be at the gymnasium on Tuesdays and Thursdays at 3 or 4 p.m.

The W.A.A. is also sponsoring a co-recreational (men and women) tennis group for those who know how to play. However, all tennis enthusiasts are invited to join the group. Be at the gymnasium on Tuesdays and Thursdays at 4 p.m.

Congratulations to Gale Davis and Jerry McDaniels.

It's all in the game. For a short while it seemed DD had finally swung it but now it looks like someone isn't sticking to the rules.

Someone call a doctor. After those semester grades your truly took an attack of the well known disease.

A scene from the basketball game February 9, when the famous Harlem Globetrotters played our Broncos. A capacity crowd watched the Trotters go through their well-known antics as they won over BJC 48-32.

Broncs Take Second Place In Conference

The Bronco basketball team came through the 1951-52 season with a record we can be proud of. Although the Broncos lost half of their games the better half set them in second place in the conference.

Last Wednesday the second place spot was in a three way tie but our boys came through at the right time by defeating Weber in a two-game series and grabbed second place honors for themselves. They won their first game with Weber 69-55 and took the second game by a 63-56 score.

This ends the conference season for the Broncos with only Ricks lording over them. When Ricks College remembers how our football team dumped them, however, I don't think they will feel too much like lords.

The Broncos have only two more games this season. One at Nampa and they will meet N.N.C. on our own court. The basketball team has done a great job this season and we are all proud of them and the honor they have brought to our school.

"Daddy," sobbed Jessica as she ran crying into her father's arms, "Mommy just drowned one of my kittens."

"Oh, that's too bad," said her father consolingly, "but maybe she had to do it."

"No, she didn't," she sobbed, "she promised me I could."

This week's star is Joe Stynes. Joe came to B.J.C. for the last semester of '51 and started playing ball for the Broncos. Joe plays on the Broncos' first team and plays a good game of defensive ball as well as ranking high on the offensive list. Joe has no plans for his future education. He likes BJC fine and I'm sure we will all miss Joe and his ball playing next year.

Then there's the one about the cross-eyed teacher who had no control over her pupils.
