Although this file was scanned from the highest-quality microfilm held by Boise State University, it reveals the limitations of the source microfilm. It is possible to perform a text search of much of this material; however, there are sections where the source microfilm was too faint or unreadable to allow for text scanning. SKI CLUB HOLDS DANCE AT UNION AND RACES AT BOGUS BASIN OVER WEEKEND

It seems the BJC's of BJC are really beginning to make an impact. They have taken many new pledges and are becoming more and more popular by their activities at the school. In many you will see the new jackets that the club members will be wearing. The jackets will be blue with a gold trimming and the traditional knight head will be on the front of the jacket. All knights will have these mammoth jackets pretty soon, but if you'd like to see a sample, just take a look at Chet White.

Registrar Gives Notice Regarding Incompletes

This announcement comes from the office of the registrar: Attraction of students and faculty members is called to the following regulation regarding incompletes:

"Incompletes may be given in cases where work has been satisfactory up to the last three weeks in the semester. Work not made up within the first half of the semester after the student returns to college automatically becomes a failure unless special extension of time is granted by the faculty."
The “Silver Lining” is Getting Tarnished

As you freshmen labor, sweat and strain in your struggle to compose a research paper of sufficient merit to be worthy of college level work, you can cheer up with the thought that every cloud must have a silver lining somewhere. Besides, just think of all the fun and education you are getting in the process.

Boasts Strong Teams For Spring Sports

When Mr. Blakney was asked how the spring sports were coming, the short answer was “FINE.” The baseball team has eight returning lettermen. They are Dwight Dockey, Ray Mullins, Bob Bakes, Steve Hadley, Westley Gates, Dwight Winnow, Jerry Miller and Wally Gerhauser. Some of the newcomers out for the team are Wayne Patrick, Glen Osborn, Leroy Weber, Don (Flash) Newbill, Allen Hochstrasser, Merlin Howard, Vanoy Hyman, Dick Merl, Fred Tomiyoshi and John Tanno. A few others are expected to come out.

The Bronco baseball team has a 20-game schedule this year. Our first game is at Caldwell April 4. The first home game will be with the C. of I. April 8. The team is without a coach as Mr. Rogers is leaving, but I’m sure whoever takes the job will mold a fine team for he certainly will have the material to do it with.

As for golf, I’m sure we can count on the “Big Four,” who are Keith Stanwood, Bob Cole, Ed Hedges and Bruce Williams. Doctor Spulnik has taken the job of coaching the team.

The tennis team is “DO 0VE” our tennis coach this year. There is going to be a ladder set up for the tennis players. The four people who head the ladder at the end of the season will go to Salt Lake to represent our school. Bruce Harvey seems to be the outstanding player for our team so far but there are many people who are not far behind and you should make a good showing at Salt Lake.

The track team has a very bright future ahead of them. The boys out for track are Bob Gilbert, Paul Giles, Fred Tomiyoshi, Jerry Mcintosh and Jim D. Han. Rex Miller and others boys out for track have had a lot of previous experience and they'll make an excellent showing.
