April 15 Date of Annual Spring Tea

Attention, all women students of BJC! Join the women for an annual tea on April 15, from 10 to 5:00 in the Student Union Building. This tea is sponsored by the Student Union each year to introduce BJC to high school senior girls and inform them of what they will be doing when they graduate from high school.

It is the responsibility of all the women on our campus to participate in this event of helping with the tea and to show our guests a good time. On the agenda for that afternoon will be refreshments served at the tea ballroom by Mrs. Torun, Mrs. Cheeseman, Mrs. Hershey, and Mrs. Mathews pouring a variety of teas and faculty advisor in Dr. Rock.

Registration Committee: Sue Black, Virginia Harris, Sue Freeman, Eleanor Shaffer and Mary Lee Moss.

Spring Formal Is A Big Success

Spring is officially here! Yet, from the looks of all the beautiful spring formal dresses displayed at the Spring Formal last Friday night, spring is already in the air. The dance was held in the Student Union building, and it was a resounding success. The formal was fully attended, and the decorations were magnificent.

The theme for the dance was "The Garden in the Rain," and the decorations were carried out accordingly. The garden theme was also reflected in the dress worn by the guests, with a large variety of flowers and plants visible on every girl. The atmosphere was quite pleasant, and the decorations were done in a way that made the guests feel transported to a garden setting.

Wheel of Fortune Goes Round & Round

"The Wheel of Fortune" is the favorite game at BJC's annual Cotton Swing. Some choose it for its fun and others for the chance to win something. The game is popular among students, and the decorations were chosen to match the theme. Everyone had a great time, and it was a success for the students in charge of the game.

The various committees are all working together to ensure that this dance is a really super affair. Both the refreshments and the decorations have been carefully selected to make everyone feel welcome and included.

Miss Rose Marie Schmoll, who, after a year's orientation on American democracy in action, is to be a speaker on the Voice of America, will speak on "Youth in German today" at the Interfaith fireside to be held this evening at 7:45 in Morrison Hall. Everybody is invited.

Miss Schmoll has a keen mind, a dynamic personality and an interesting message. In the words of Dr. Baker, who heard her speak in the Children's Club, "She's really got it. Get there to hear her and you'll love her.

Miss Schmoll is one of 130 exchange teachers brought here by the German government for an orientation period of a year, after which they will go back and be speakers on the Voice of America, interpreting the American democratic way to the people of Western Germany. These teachers, who were very carefully screened to make sure they were the type that could explain the American system to them.

Recently they spent two weeks at the College of San Francisco, getting further orientation. And now they have scattered all over the country to study our educational systems, community organizations and other American institutions.

Valkyries Serenade New Pledges

Last Wednesday evening, the BJC freshman girls were serenaded by the singing of the Valkyries, who that night announced their new pledges for next year. The Valkyries went from house to house, singing classic and Christian tunes, to the delight of the pledges and the staff members present. The Valkyries were led by Dr. Hall, the head of the Valkyries, and they presented their music and yellow ribbons to the pledges.

New pledges chosen were Janet Austin, Marian Koepke, Kay Berry, Marilyn Haggerty, Sharon Wilson, Betty Ford, and Mary Sue Freeman. The Valkyries will continue to perform at the annual Spring Tea and will be seen in their smoothest sports outfits.

Recently there was a meeting to plan the business for the year, and a decided decision was reached to have a formal Tea on April 15. This Tea will be chaired by Mrs. Chaffee, Mrs. Hershey, and Mrs. Mathews pouring a variety of teas.

The Election Assembly On April 16

The student body election has been set for April 16 at 11:00 A.M. The election assembly that day will be held in the Student Union Building. The petition is in the process of being signed by the students, and it is expected that the election will be held on April 16.

The pledges will have charge of the invitations, and the informal program will be intermission 45 minutes after the election. The ceremony will be signed by 25 qualified women student voters and be turned over to the school as the date of the election.

The Wheel of Fortune is the favorite game at BJC's annual Cotton Swing. Some choose it for its fun and others for the chance to win something. The game is popular among students, and the decorations were chosen to match the theme. Everyone had a great time, and it was a success for the students in charge of the game.
Consider Your Future Leaders

Now is the time to give careful consideration to the selection of those who will head our student body activities here at BJC next year.

This is a simple thing, but let's not take it lightly for this is democracy in action and this very principle is being challenged in the world by those ideologies which would take from all individuals the right of self-government.

Morrison Hall

Another name band at the Miramar last Monday night and again Morrison Hall girls received special permission to go. Those attending were Delhi Hamblin and Nolem Ford, Gloria Johnston and Keith Stanwood; Ginya Harris and Eldon Stamm from Driscoll Hall; John- stone and Wayne Patrick and Shirl- leen Shaffer and Paul Giles.

Last month was really the month for birthdays. One-fifth of our girls had birthdays in March. They were Delores Coffman, Marion Bishop, Louelle Spackman, Peggy Wood and Bonnie Candy.

Last Wednesday night was big night for the Morrison Hall cheer girls. It was the night when the Varsity Band and Greece played. Three girls from Morrison had the honor of being chosen as cheerleaders. They were Delores Coffman, Ginya Harris and Maggie Bailey. Congratulations, girls.

Suit D living room has been adorned with a bouquet of a dozen red roses for the last week. They were a birthday present to Delores Coffman. I wish someone would have a birthday every week. That's about it for this week. See ya!

Driscoll Hall

We are glad to see Don New- mill's happy face around the halls of the dorm once more. Den returned early Wednesday morning from California where he attended spring training camp of the Pittsburgh Pirates.

Several boys in the dormitory were busy getting ready for the Spring Formal in between April Fool's day pranks and jokes. Some just can't resist having a little fun along with the daily routine of school.

It seems as though one boy came up to another in the hall of the Administration building the other day and said, "I want to meet you six o'clock in the morning. There will be two guns and only one breakfast." For some reason two boys had the same intentions—asking a certain girl for a date to the Spring Formal.

Used to be that a schoolboy just got a lift in when he brought home an examination paper with low grades. Nowadays he gets drafted.

Weekly Wisdom

By Kloen M. Keeter

As election time approaches both in the school and in the nation, it is important that we judge and choose for our leaders those who have the most desirable character traits as well as leadership capabilities, that we might be led in steps of progression. We must, however, be careful lest we consider this to give us the right to judge each other in all things. Scriptureal Wisdom: Let us not therefore judge one another any more; but Judge this rather, that no man put a stumbling block or an occasion to fall in his brother's way. (Romans 14:15).
