Last Friday night at the Cotton Swing five pleased and happy BJC students were informed of their success in gaining next year's student body offices.

Elected ASB president was Rex Fraser. Next year's vice-president is Joan Hartzler. Handling the books will be Secretary Ina Routson. Keeping track of the student money will be Treasurer Jerry Weast. Representing the sophomore class in the student council next year will be Sophomore Representative Ray Miller.

## BOISE J. C. BAND GOES ON ANNUAL TOUR THIS THURSDAY AND FRIDAY

### Musical Groups Entertain at BJC

The Gonzaga Glee Club from the Gonzaga Catholic College at Spokane, Washington, rendered a half hour of musical entertainment at a BJC assembly held April 16, and this Friday, April 25, at 2 p.m., the Vandaleers from the University of Idaho will present a program of music here on their annual spring tour.

Keith Tombrink, a music student at BJC last year, is touring with the Gonzaga singers. He also sings in a special quartet arrangement. Keith is going to the Spokane school on a musical scholarship he won here last year.

The Vandaleers, a men and women's glee club from the University of Idaho at Moscow, make BJC a regular stop on their spring tour each year.

The Boise Junior College Band will leave this Thursday on their annual band tour. They will play Thursday at 10 a.m. in the Mountain Home high school. At two that afternoon they will play in the Glens Ferry high school and at eight that evening they will play at the Wendell high school. They will spend Thursday night in Wendell.

On Friday, April 25, they will play in Shoshone high school, at 10 a.m.. At two that afternoon they will play in the Filer high school. At eight that evening they will play in Clover, at a local church. They will spend the night in Clover and then will return back to Boise on Saturday morning.

### Speech Department Works on Play

The speech department classes and the play production class of B.J.C. are working on a dramatic project which, if successful, will be a production of the play "The Devil and Daniel Webster", a folk drama by Stephen Vincent Benet. A shortage of rehearsal time is an obstacle that is somewhat of a handicap and it is impossible to determine yet whether it will be presented merely to the students (to avoid royalty payment) or whether it can be worked up into a big enough production to invite the general public and charge admission.

The persons now reading the main parts are Jim Lynch as Daniel Webster, Ed Giacomelli as Scratch (the Devil), Mary Williams as Mary Stone, and Peter Quinn as Jabez. Members of the speech classes will make up the remainder of the cast.

### Weekly Wisdom

By Cleon M. Kotter

It would seem that all many of us actually learn from the mistakes of others is how to make more mistakes ourselves. Rather than striving to illuminate those mistakes, would we not profit much more by looking for the good and noble qualities in others so that those admirable qualities might become a part of our own character?

Scriptural Wisdom: Keep thy tongue from evil, and thy lips from speaking guile. Depart from evil, and do good; seek peace, and pursue it. The eyes of the Lord are upon the righteous, and his ears are open unto their cry. (Psalms 34: 13-15)

### 'Wheel of Fortune' Points to Ballroom

Last Friday night the "Wheel of Fortune" spun around and stopped, pointing directly at the Student Union ballroom. There everyone was having a wonderful time at the B-Cubes' annual Cotton Swing, dancing to the music of Judy Miller's orchestra.

Many comments were heard about the clever roulette wheel, slot machines, silver dollars, swinging doors, and the bar which were used for decorating the ballroom. During intermission Georgiana Hopkins sang a blues song. Olivero Ruiz played several Spanish numbers on the piano, and the whole thing was topped off by the hilarious Cesspool Six from BHS. Much color was added to the dance by the gals' bright cottons and the fellows' flashy sports shirts.

### Dr. Obee Goes On Inspection Tour

Dr. Obee, BJC instructor, returned last night from an inspection tour of the University of Washington and the University of Oregon at Portland medical schools. Dr. Obee left last Thursday afternoon.

He was inspecting the two universities' schools for dental hygienists, in order to determine what would be needed in the way of equipment and books to establish such a school here. The State Dental association has inquired about the possibilities of establishing such a school at Boise Junior College.

### Internationally Minded May Listen to Programs

Dr. Baker has announced that all internationally minded BJC students may listen to programs with an international theme on several local broadcasting stations in Boise.

These stations, which broadcast programs featuring the United Nations are as follows:

KGEM, Wed., 9:30 p.m., "United or Not".  
KIDO, Sat., 2:00 p.m., "UN is My Beat".  
KDSH, Sat., 4:15 p.m., "UN on the Record".  
KFSD, Sat., 10:15 p.m., "UN High Lights".

The wife of a Congressman sat up in bed one night, a frightened look on her face. "Jim," she whispered, "there's a robber in the house."

"Impossible!" was the reply. "In the Senate, yes; but in the House never!"

### Both Old and New Walkyries Plan Fun

May 18th has been set for the date of the Valkyrie Mother's Day Tea. This tea is to be from 3:00 to 5:00 in the Union. The purpose of this tea is to create friendship among the girls and acquaint the mothers with the girls and their club. Two programs have been arranged—one at 3:00 and one at 4:00. Mary Gottenberg, pledge captain, is in charge of the tea.

The Valkyries will hold their informal initiation and potluck supper for the pledges this Wednesday night at the home of Laura Lyman. May 2 has been set for the Valkyrie Dinner Dance in downtown Boise. The dinner is a final affair of the old Valkyries and the dance is a welcome to the new ones.

Attending the Associated Women's Tea last Tuesday were Emma Radler, BJC student from Meridian, Allene Seibe of Boise, Marlene Lobbs of Kuna, Shiril Yates of St. Teresa's Academy of Boise, and Mrs. Chaffee, pouring.

### Annual AW Tea Host to 200

Tuesday, April 15, was the day of the annual Associated Women's Spring Tea for senior girls from surrounding high schools. About 200 girls attended from Boise, Kuna, Eagle, Meridian and St. Teresa's high schools.

Registration of all guests was in the auditorium with a planned tour over the campus ending with a tea in the ballroom.

Background music was played during the tea by La Rae Dunn, Bonnie Cady and Sue Freeman on the piano and Eunice Watson on

the cello. Spring flowers were the only decorations.

Faculty members were on hand at the tea to welcome the guests. Mrs. Chaffee, Mrs. Mathews, Mrs. Otness and Mrs. Hershey poured at the tea table.

The squaw and papoose were on the platform at a jerkwater stop in South Dakota when the train pulled in. A society matron from the east pointing a finger at the papoose inquired: "Him Injun?" "Him part Injun, part injineer," replied the squaw.

Elderly train passenger to a smoking Irishman: "If you were my husband I'd give you poison." Irishman: "If you were my wife, I'd take it."

### Graduating Sophomores Must See Mrs. Hershey

Mrs. Hershey, director of admissions, has issued a notice that all students expecting to graduate this spring are to see her immediately to check their scholastic records to be sure they meet graduation requirements.

She urges these students to come in at the earliest possible date.

### We've Voted Them, Now Let's Support Them

The votes have been cast, the tally has been counted, and we hope the best man (or woman) has been chosen for each of the offices. But be he best or not, he is the majority's choice and therefore democratically meritorious of support from each of us. If you have supported him in campaign and vote you naturally owe him an allegiance of loyalty, but if your election preference has been with another now comes the true test of your democratic citizenship to see if you can rally the rest and give uninhibited support to each elected officer that thereby they might lead us in unity through B.J.C.'s most successful year.

### Morrison Hall

By Shaff

Hi again! This is your gal from Morrison Hall again with the latest scoop — which incidentally isn't much this week due to spring vacation and everything.

At our regular dorm meeting last Monday we decided to definitely have our spring party on Saturday, April 26, in the dorm. It will be semi-formal and each girl is expected to ask a friend. There will be dancing, cards, singing and refreshments. Barbara Moulton is general chairman of the affair and has some really nifty ideas—so fellows be extra nice to that certain girl from the dorm so this will be invited to the dance.

This Wednesday night will be another U.S.O. night at the Y.M.C.A. with about 12 girls expected to attend. Gals, let's have all 20 of you there this time. It's really a very worthwhile cause and it certainly is fun and interesting. Just stop to think how you'd feel if you were miles and miles away from home—be pretty lonesome wouldn't it? Wouldn't it make you feel a little better if you knew someone cared how you felt and tried to make life pleasanter for you. That's how those fellows feel, so let's try to show them a good time and make it a little more like a home away from home. Let's everyone of us go to the U.S.O. this Wednesday. You'll feel a lot better when you know you had a little to do with their happiness. Enough for now, goodbye.

What girl lost her pants (peddle-pushers) in the library?

If a test was given to find the biggest liar in the world I wonder if it would be a girl or a boy.

### CLUB CAPERS

NEWMAN CLUB

Good news for Newman Club members! There is going to be a picnic in the near future and it is going to be quite an event. Everyone come to the next meeting and find out the details.

Initiation is coming soon. Newman pins will be presented at that time.

Miki Flaherty, provincial vice-president, left Thursday morning for Vancouver, Washington, to attend a convention.

Remember the Rosary on Wednesdays and Fridays.

### BJC Teacher Visits High Schools

Mr. Gottenberg, director of student affairs and publications here at BJC, visited Ontario high school last Friday, and in the future will visit other surrounding high schools as a project to recruit students for Boise Junior College for next year.

### Les Staff Discusses Tasks

A Les Bois staff meeting was held last Tuesday afternoon in Mr. Gottenberg's office. Problems concerned with the final task of getting the book out one time were discussed. Editor Dwight Dickey says "It now appears that the 1952 issue of Les Bois will be in the hands of BJC students prior to the final examinations."

The first 38 pages of the book, said Dickey, are now in the hands of the printer and most of those have been set. The next 32 pages will be handed to the printer some time this week."

### Lady Luck Frowns On Baseball Team

It seems that Lady Luck has decided to frown on the Bronco baseball team after giving them such a fine start. The team has had to practice on the football field and the batting averages have dropped way down. Now that the new diamond is being constructed the team is expected to improve on their batting averages and reduce the number of errors.

Two of the team's valuable players have been sidelined for a while. Jerry Miller has a bad knee and Dick Merl broke his finger in a practice. The team's leading hitter so far is Dwight Dickey with a .500 average, but Dwight also leads the team in errors.

The team still holds a fine average even though they have had a lot of trouble. They have won two and lost one so far. Our new coach stated that the team is shaping up better every day and if the student attendance at the games would improve we could help the spirit of the team a lot.

### Tennis Courts May Be Used Anytime

Miss Catherin, women's PE instructor, has announced that tennis rackets can be checked out for a weekend after 4:30 on Thursdays. She also stated that anyone is welcome to the courts at anytime, however, she advises that Tuesdays and Thursdays are poor days, because she has tennis classes all during those days.

Anyone interested in participating and starting a women's tennis tournament is asked to contact Marian Kozak sometime during this week.

### Snap! Crackle! Pop!

No smoke, no fire, no war. He came, stayed, and left. Sorry, kids, it was all a big flop. I could tell you who caused it to flop but for my own health and safety I shall clam up.

Oh, Bill! What big black eyes you have.

Why is Kay so hard to find when you want her and so easy to find when you don't.

It's a fine thing when the college kids have to go to the high school for entertainment. As funny as it sounds, it happened last Wednesday.

### Baseball Schedule Is Revised

The new missionary asked the cannibal king, "Did you know my predecessor, Mr. Brown?"

"Oh, yes," he replied. "He was the pride of the land."

"Then why did he leave such a nice island?" asked the missionary.

"He didn't, sir," said the cannibal king. "You see, times got so hard that we had to swallow our pride."

A reporter from the Lonsdale Spectator, loitering in a Lonsdale town, saw a funeral procession file by, with a bag of clubs reposing atop the coffin in the hearse. To a native he served, "By George, that man must have been a golf manic." "Must have been?" repeated the native. "He is. He's got a big match this very afternoon. That's his wife's funeral."
