Roundup

BOISE, IDAHO, MAY 5, 1952

Left to right, are pictured the IK duchess, Ina Routson, and the new IK officers: Gail Davis (top), scribe; Sherman Snyder, duke, and Burt Meeks, chancellor of the exchequer. Jim Jester, sergeant-at-arms, and Leland Fowler, horrible executioner, are missing from the picture.

Chapter Elects New Officers

A few weeks ago the Interfraternity Knights traveled to Moscow for the annual National Convention. At this convention the boys had two men elected to national offices. Bill Moulton was elected Royal King, which is the highest position held by any knight. Ray Baptie was elected Royal Viceroy, which is also a high office. These boys have brought honor to the Golden Gate chapter and Boise Junior College by gaining these national offices. Gary Collet has been appointed national secretary.

Of local interest is the election of new officers for next year. They are pictured above.

Selective Service Test Given May 22

Another selective service qualification test will be held May 22 here at Boise Junior College again. This test will be for the benefit of those students who for some reason were prevented from taking the tests previously.

No one who has taken the test previously is eligible to take it again, and for those who have not taken it, no application post-marked later than midnight on May 10 will be accepted. Therefore, those desiring to take the May 22 test should contact the nearest local selective service board immediately.

Those making a score of 70 or more on the test may be considered by their local boards for educational deferment.

Stag Party Tonight

Boise Junior College male faculty members will have the opportunity this evening to display various talents at a stag party given by Dr. Booth at his home.

Indications point to a thrilling evening playing Old Maid, Spit-the-Ocean, looking at ancient National Geographics, playing the record collection and looking at colored slides.

Dr. Booth's extremely humorous invitation specified a barbecued steer would be served for refreshments. Being hard individuals, our proofs will undoubtedly make their appearance at 8 o'clock Tuesday morning, so don't count on their being absent.

B.J.C. Valkyries Have Busy Week

The Valkyries of B.J.C. had a busy time last week, with their initiation of the new pledges being held Wednesday evening, and the annual dinner dance Friday night.

Last Wednesday evening, the 26 new Valkyrie pledges, together with the old Valkyries, convened at the home of Laura Lyman, President Chaffee's home. Following a potluck supper, furnished by the pledges, each pledge had to act out a certain which she portrayed a certain Valkyrie ten years hence. After the old Valkyries guessed who it was being portrayed, the pledge returned some article she had taken from the old Valkyrie's home to the old Valkyrie. Following the skits, an impressive candle light ceremony was held outside on the lawn, with the old Valkyries selecting their new "little sisters" and serenading them.

Following the entire initiation, the election of officers for next year took place. Only new Valkyries participated in this. Elected president was Mary Gottenberg. Vice-president and treasurer is Donna Officer. Elected secretary was Danny Nielson. Historian is Ginia Harris, and bookroom chairman is Jessie May McQueen.

Friday evening, old Valkyries and their escorts, Miss Moore, advisor, and guests of honor attended the dinner at the Hotel Owyhee, and later the dance in the Garden Room, which was also attended by both old and new Valkyries and their escorts. Gib Hochstrasser's orchestra played.

Weekly Wisdom

By Cleon M. Kotter

Farsighted noteworthy men have said that a turning to religion is civilization's only hope for survival in this atomic era. But what is this thing called religion? Religion is not just a Sunday coat nor is it the mantle of a long sombre pious face. Religion, rather, is one's code of life and its influence on one's actions.

Scriptural Wisdom: Pure religion and undefiled before God and the Father is this, to visit the fatherless and widows in their affliction, and to keep himself unspotted from the world.

(James 1:27)

Interfaith Council To Finish Year's Work

The Inter-Faith Council at BJC will terminate their year's association together with a pot luck dinner to be held at the home of Mary Gottenburg on May 14.

The council members felt that there are too many student activities pending to plan any more combination activities this year for the campus religious groups.

Those who are serving on the council this year are all freshmen and therefore will probably all be here next year. For permanency of the council, freshman members will be selected next year to serve with the old members.

Attention . . . Graduating Sophs

From the office of Mrs. Hershey, director of admissions and records, comes this announcement: "Students whose names were omitted from the posted list of candidates for graduation, or those who are not certain where they stand in regard to meeting the requirements are urged to see Mrs. Hershey this week. All candidates are invited to confer with her."

Choir and Band Complete Tours

The Boise Junior College choir and band have completed their tours this year and again very successfully. We commend them on their success and wish them more to come.

Now all that is left is practicing for Music Week. Did I say "all"? That is quite a little chore. If you don't believe me ask any choir or band member and he'll tell you. The two groups have been scheduled to perform on Thursday, the 22nd of May, in the Bronco Stadium.

Any B.J.C. alumni who was in the choir or band, is cordially invited and urged to come to a group rehearsal on Tuesday night, May 20th in the music building to practice for the last two numbers on the program which are to be done jointly by the choir and band. If you know of any eligible alumni, please tell them about it and urge them to come.

"I know a fellow who swallows swords."

"That's nothing — I inhale Camels."

The dimmer the porch light the greater the scandal power.

Buck Up, Lads and Lassies

The weeks and months have sped by and now we are racing down the home stretch towards final exams, graduation for some fortunate individuals, and the reception of scholarships by even more fortunate scholars. It has been said that the race is not to the swift nor the battle to the strong but to he who endureth to the end, so buck up, me lads and lassies, and see it through to a rewarding finish.

Getting quite a hotseat is Bruce Williams, recent IK initiate. Seems the initiates had to tell a joke and make the others laugh, if they didn't, well—they had to have entertainment some way, so—came the hotseat!

Morrison Hall

Our last time at the U.S.O. has been scheduled for the first Wednesday in May which will be May 7. We want as many girls there as possible. Last time we went down they opened the dance hall upstairs so we could dance on a nice floor and have more room. It certainly was nicer than that old, hard cement floor downstairs, wasn't it?

Virginia Worley is back in school now after a week of the measles given to her by! Who knows! We're just waiting for Bruce Harvey to come down with them now. Oh, Oh, Gary Collet just came up to me and said he certainly was sorry he gave the measles to her—but, after all, you know how it is.

Donna Wood's mother has had a serious operation at Mayo Clinic in Rochester, Minnesota, recently. Word has been received that she is getting along fairly well. We all hope she continues to get better all the time, Donna.

Billy Lou Mieser's mother visited her last week while she was in Boise as a delegate to the teacher's Convention. Nice to have you, Mrs. Mieser, come see us again.

Bonnie Cady has been home for the past week with spring fever or something similar. Hurry back, Bonnie, we miss you.

Some of the girls attended the Miramar last Thursday night when Duke Ellington was there. Those attending were Ginia Harris and Wayne Patrick, Barbara Johnston and Paul Glick, Barbara Moulton and Bob Cole, and Shirleen Shaffer and Sherman Snyder.

B.J.C. Splits Twin Bill With E.O.C.E.

The Boise boys were really feeling their oats when they took the field against E.O.C.E. last Wednesday at Boise. Glen Osborn went to the mound for the Broncos and pitched them to a 4-0 win.

Leroy Weber started the second game for Boise. He pitched a fine game until the fourth inning when he was relieved by Wayne Patrick with the score standing 4-3. Then old lady fortune again frowned on the Broncos and the E.O.C.E. surged ahead and the Broncos couldn't regain their lead. The final score was 6-5 in favor of E.O.C.E.

Last Tuesday the Broncos traveled to Nampa to play N.N.C. Newbill was the starting pitcher but when he got into trouble "Lefty" Weber took the mound to protect the lead. The final score was 6-5 in favor of Boise with Newbill taking credit for the win.

Despite the lack of a field at the first of the season, Tamenos' broken leg, Merl's trouble finger, and Miller's knee trouble, the Broncos have managed to win six games out of nine. Two defeats have gone to the C. of I. and one to E.O.C.E. The Broncos will meet both of these teams this week and they plan to kick the slats out of them. This week the team has four games scheduled. Two games will be at E.O.C.E., one at the C. of I. and one here with N.N.C. The team has done a great job so far and with the support of the students they should be on the top when the season ends.

Bronco Golfers Bow

Last Wednesday the Airmen from Gowen Field proved to the B.J.C. golfers that they could control the flight of a golf ball as well as they can their planes. The teams used match play and Boise was downed 7-5.

Ed Hedges brought in a total of three points for the Broncos, Cole gained one point, Stanwood and Williams each took a half point. Bob Cole took medalist honors for the day with a cool 83.

Black and Blue

Anyone seeing Phyllis Chamberlain limping around and wondering "wha' happen" should go to a B.J.C. baseball game and watch those balls sail around—cause it

was one of those balls, aimed Dwight Dickey, which put Phyllis to limping. So, next time you to a baseball game, watch out those flying balls—or you'll have a beautiful black and blue leg just like Phyll's.
