Associated Students of Boise Junior College

Although this file was scanned from the highest-quality microfilm held by Boise State University, it reveals the limitations of the source microfilm. It is possible to perform a text search of much of this material; however, there are sections where the source microfilm was too faint or unreadable to allow for text scanning. For assistance with this collection of student newspapers, please contact Special Collections and Archives at archives@boisestate.edu.

UNION NITE TO BE FRIDAY

Roundup

BOISE, IDAHO, OCTOBER 20, 1952

Student Information Band News

Administration Office

Administration offices are Dr. Eugene B. Chaffee, president; Conan Mathews, dean; Mrs. Mary T. Hershey, director of administration and records; Clyde Potter, business manager; Kathryn Etter, chief accountant; Hattie Gesner, Student Union manager; Ada P. Burke, dean of women; Dr. Paul E. Baker, dean of men; W. L. Gottenberg, director of publications and student affairs.

The Student Union

The Student Union building is for the use and pleasure of students registered at BJC. It is hoped that the students will appreciate the beauty and comfort of the entire building and will not disfigure it in any way.

The Union building is owned by the Associated Student Body. Every student pays so much a semester for the maintenance and upkeep of property in the Union.

Lost and Found

A lost and found department is maintained in the general office. Students losing or finding articles should report there for information.

Signs and Posters

Permission to put up signs and posters on the campus must be secured in the general office before such signs and posters can be put up.

For the signs in the Student Union arrangements should be made with Hattie Gesner, director of the Student Union.

Outside Speakers

Before engaging special outside speakers, either for classwork or for entertaining, a request must be filed with the office of Dean Mathews.

Representing the College

Students may not represent Boise Junior College nor any of its campus organizations at any national, state, or civic conferences, nor at any inter-school meetings without first receiving authorization from the Student Council.

Telephone and Mail Service

Students receiving mail or phone calls at the college will be notified by a notice on the bulletin board in the main hall. Students should check the board for such information each day.

Student Supply Store

A student supply store is located on the balcony of the Student Union and is for the convenience of the students on the campus. Supplies for various classes are sold there.

Assembly Thursday

A special assembly will be held Thursday at 9:40 in the auditorium in honor of United Nations Week. Dr. Johnson will be the speaker at the meeting and his topic will be "Freedom in Time of Crisis."

Dr. Johnson is in the department of political science at Washington State College. He is of special importance to Idaho audiences inasmuch as he is the author of a biography on W. E. Borah. The book was published in 1936 and is considered an excellent biography.

When men of such calibre as Dr. Johnson are brought to our campus, it is reasonable to assume

John Best, BJC band director, said the BJC band will be featured at the half time along with New Plymouth high school band when the Broncos meet Ricks College Nov. 8. Our band has done a top-notch job this year and so far hasn't had a good opportunity to show what it can do. They did a good demonstration at the Weber game which went over well.

At the game Nov. 15 against the Idaho Frosh, bands from Shoshone and Filer will make their appearance. The Filer band apparently has been making a real record for itself this fall and promises to stage an outstanding performance.

Plans are incomplete for the entertainment at our Bronco Bowl Nov. 22, but we are assured that besides the BJC band the following high school bands will appear: Emmett, Mountain Home, Weiser and Boise high school. The Bronco Bowl committee hasn't announced the details for this outstanding game yet, but it is understood they will be forthcoming in the near future.

Attention, Students

Students new to the BJC campus are possibly unaware that traffic does not flow in certain directions. In the parking lot south of the Ad building cars should move from east to west nearest the building and from west to east in the lane nearest College boulevard. Of the four entrances from College boulevard onto the parking space, you will find two are marked EXIT and two are marked ENTRANCE.

Observe these traffic suggestions, drive carefully and considerately and everyone will be happier. River road from the dorms to Capitol boulevard is not a race track.

that the students and faculty will turn out to hear him. He is also scheduled to speak that same evening downtown.

Parade Big Success

One of the biggest and most colorful events of our homecoming celebration was the float parade held last Saturday afternoon.

Signs of hard work and much effort could be seen on each float but unfortunately not all of them could receive awards. The winning floats were chosen on a basis of effort and originality. Those taking prizes were: Valkyries, first; Pi Sigma Sigma, second; and Newman club, third. These floats were then paraded during half-time at the game.

We, on the staff, along with the other students, want to give special thanks to those people who worked so hard and put in so much of their time to make this parade a success. Hats off to all of you!

Room 118

The rumble of the typewriter is constant and the phone rings all the time in room 118. Who's in there, you ask? That's Mr. Gottenberg's office of course, is the reply. And who, may I ask, is Mr. Gottenberg? Teacher of Spanish, teacher of journalism and advisor for the yearbook, not to forget the father of two children. Boy, what a man!

He also has a secretary, lucky woman, Mrs. Spulnik by name—poor woman, she works like a slave and supports her husband, Dr. Spulnik, our noted chemistry teacher. Why don't you drop down and see the busy little office we have at the end of the hall. But first buy a pair of ear plugs, they sure help.

Goodbye now, from the workshop of the campus—Room 118.

School Pep

Spirit around BJC's campus is not very peppy. What can we do about it? Maybe we could put a little umph behind our football players. They are out to win our games and we aren't behind them like we should be. How about a little help kids?

There's been some talk about the yells. More organized yells instead of so many chants, would likely please more of the students. The thing most likely to help would be passing out the yells so new students might have the opportunity to learn them. Let's get together a little pep and show the fellows that we're behind them.

Fun for Friday

Do you ever have trouble finding something to do with your spare time? If so, I have just the solution to your problem.

Come to "Union Nite", which is an informal get-together held at the Student Union building on those weekends when there are no big social events taking place. There will be dancing in the ballroom to the music of some fine orchestra if possible. Otherwise we'll dig out the faithful old juke box. But in either event there will be some fine music to dance to.

Besides dancing, the Union will be open downstairs where you can play cards and drink, coke? By that I mean the fountain will be open ready to serve you.

There is only one obligation you have to meet to attend these union night gatherings. That is, you must pay twenty-five cents admission per person and also have your activity ticket. If, by chance, you bring a date you must have at least one activity ticket per couple.

Working very hard to make the union nights a success is a special committee for these affairs. Chairman is Zuriel Elvin, and helping her are Jean Fisher, Doris Lambeth and Betty German. These girls are doing a fine job as you could see by the success of the dance last Friday night.

Future union nights are scheduled on the following dates: November 8, November 22 and December 5. So, come on guys and gals, let's make these gatherings a real success by having each and everyone of you attend!

B-Cubes Hold Sale

Fat, skinny, short or tall, the students of BJC enjoyed a real treat last Thursday when the B-Cubes held their first candy sale in the main hall of the Administration building.

Everything from delicious homemade fudge to sticky taffy was sold and a big profit was the result. Some of the people seen munching on the goodies were Mel Markus, John Paul Price, Bunny Cain, Nancy Poe, Don Baddgley and Frank Garro. Many thanks, gentlemen and ladies for helping make the B-Cube candy sale a big success.

Teacher of the Week

Mrs. Bedford has a very real interest in the development of Boise Junior College, as she has watched it grow from 1937, when classes were held in St. Margaret's Hall, now the nurses' home of St. Luke's Hospital. At that time the library's main collection of books contained only four wooden shelves and the reading room was about the size of our present library's corridor where the circulation desk is located.

Mrs. Bedford says that she has had the pleasure of building the library from one that she could almost hold in her lap to one that is threatening to outgrow its confines in the east wing of the administration building.

She reports that her class in library methods this year is the largest that she has ever had enrolled in that subject. Each member of the class spends one lab hour in the library a week.

Mrs. Bedford has her bachelor's degree from Whit College and her master's degree from the University of Idaho. She has studied library science at the University of Washington and the Catholic University of America at Washington, D. C.

Her main outside interest has been in the education of the sons and daughters of her own and her sister's family, all of whom are graduates of Boise Junior College.

Freshman Elections

Freshmen now have a chance to take part in student government. The offices of president, vice president, secretary-treasurer and freshman representative are open.

Candidates must carry ten credit hours and have passed ten credit hours the previous semester. Petitions must be signed by twenty-five students and turned in to Jo Ann Hartzler or Mr. Gottenberg's office by Tuesday, Oct. 21.

Campaign speeches will be held Wednesday, October 22, and the voting will take place Thursday, October 23.

NOTICE!

All male students, freshmen and sophomores, who are interested in becoming officers in the U. S. Marine Corps Reserve may talk to the Marine Corps Reserve procurement officer in room 114 on the 30th and 31st of October, 1952.

On the Valkyries' winning float are: Zuriel Elvin, Sharon White, Donna Officer, Terry Wagstaff, Jean Fisher, Doris Lambeth and Ina Routson.

REPORTERS

Bernadine Aubert, Phyllis Browning, Eddie Fordham, Rachel Hamilton,
 Leland Rodman, Jessie May McQueen

Congratulations, IK's

Every year the IK's build a bonfire and hold a pep rally for the members of the football team and this year was no exception. The boys worked hard gathering up material to burn and then stood guard all night so no one would try to burn the fire prematurely. They were expecting a few of the College of Idaho boys to come over but instead a group of our own football players in whose honor the fire was built came over and tried to ignite the fire, the result was a fight between one of the football players and a member of the IK's. I won't mention any names because just a few of the players were in on the scheme, but in my opinion the group of fellows that came over were sure a bunch of poor sports and in the future should remember that the IK's don't like to work all day building the fire and stay up all night guarding the fire any better than you would, but they have some school spirit, and in building the bonfire show their appreciation to the football team at Homecoming.

There are also reports that the IK's had a drinking party the night they guarded the bonfire and they sang immoral were consumed but to the best of my knowledge no one was consumed, but to the best of my knowledge no one was the least bit intoxicated. As to the immoral songs, that is a mis-statement also because none were sung. Mind you, I am not trying to build up the IK's but I believe "credit should be given where credit is due". My hat is off to all the members of the IK's and the pledges that made this year's bonfire a success.

Action in the game against Utah Ramblers. Weber is the ball carrier.

Player of the Week

Wayne Patrick has been chosen as the player of the week for his past performance on the football field. Wayne plays right half for the Broncos.

Wayne, known as "Crazy Legs" Patrick, is six feet tall and weighs 170 pounds, he is a sophomore at BJC. Wayne hails from Vale, Ore., where he graduated from Vale Union high school in 1951.

Pat plans to graduate from Boise Junior College and then proceed to the University of Oregon where he will complete his education.

Wayne said he has no special profession or ambition in life except to be successful, and knowing Wayne as we do, we feel he will be very successful in later life.

Broncos Beat Ramblers 39 to 0

The Broncos brought their season total to three wins and no losses by defeating the Utah State Agricultural College frosh from Logan, Utah. The game was played in Bronco Stadium and highlighted the celebration of the 20th Annual Homecoming of Boise Junior College. The final score was the Broncos 39, the Utah Ramblers 0. All scoring was done in the first half of the game. Wayne Patrick scored three times for the Broncos, Don White twice, and Frank Teverbaugh once.

The annual Homecoming dance was held immediately after the game, many couples turned out and the dance was a big success.

hand, English and typing. The main speaker was Dr. Albert R. Aurner, who is the author of the Business English text used here at BJC.

Miss Roe Attends Convention

Miss Hazel Roe, president of the Idaho Business Education Officers, flew down to the Western Business Education Association convention at Salt Lake City, October 8-11. A number of business teachers were there representing the western states.

Discussions were held on short-

Debate Team Starts

A number of BJC students have indicated an interest in forming a debate squad. The debate squad is under the direction of Mrs. Wennstrom, and will compete in interscholastic debate against such schools as the College of Idaho, and the Northwest Nazarene College.

The first meeting of students interested in debating was held last Thursday noon at a reserved table in the Union. Future plans were discussed.

Those students that are trying out for the debate squad are Royce Eckard, Kenneth Moore, Lee Rodman, Wendell Long, Pax Child, Wayne Paris, Charles Riddle, Mary Riggs, Marian Kozak and Jack Masterson.

A complete demonstration of a debate will be given in building T-1 on October 23, at 3:00 p.m. This year's national debate topic is, "Resolved, That the United States Should Establish a Fair Employment Practice Commission." This topic is of much interest and importance to all of us. Visitors are urged to attend the demonstration debate.

All students interested in trying

Morrison Hall Holiest of Holies

It has now been established without a doubt that Morrison Hall is the holiest of holies since some industrious person counted all the holes in the ceiling of the lounge, 428,973 to be exact. Whoever you are we take off our hats to you. You better keep yours on though, you wouldn't want that hole to show.

out for debate are invited to attend meetings being held all this week at noon in the Union, or contact Mr. Wennstrom.

Notice!

The committee in charge of taking student pictures has announced that Franklin Carr, the photographer, will set up Tuesday and Wednesday to finish taking student pictures. If you have not had your's taken, then make an appointment today; \$1.00 for three poses and you take your choice.
