Associated Students of Boise Junior College
B.J.C.'s New Organ

B.J.C.'s new organ is expected to arrive from the factory in Hartford, Connecticut, sometime early in May. The installation is undergoing a complete renovation in preparation for its installation. Mr. Oscar Schoenstein is coming from San Francisco to direct the work. According to present plans it will take from six to eight months to complete the organ. It is ready for use, February third.

The organ will be one of the most interesting installations in the western part of the United States and will be one of the finest organs for radio broadcasting purposes in the country. The organ consists of forty-four sets of pipes, which are designed for perfect tonal balance. The instrument will have five divisions and be divided into the following sections: great organ, which plays on the main and side keyboards; the manual division; the violin division; the orchestra division; the tiple, which plays on the side keyboard, and the echo, which is the echo chamber. Mr. Schoenstein will have the job of perfecting the toilet organ. He is fully experienced in the construction of organs and has spent a great deal of time in the manual and side keyboards, and the violin division. The violin division will be of the same type as the tiple and the echo will play the same kind of music.

Students accepted for admission are either a satisfactory score (70) on the Selective Service Qualification Test or specified rank in class upper half of the male freshman class, upper two-thirds of the male sophomore class, or upper two-thirds of the male junior class.

Students accepted for attendance at a graduate school or university after July 1, 1952, must have been in the upper half of their class during their senior year or make a score of 75 or better on the test. It is hand marked on local boards to follow the criteria.

B.J.C. Faculty Hosts of C. L.

Boise Junior college faculty will be hosts to the faculty of the College of Idaho in the Student Union dining hall, Monday evening, November 17, at 6:30, according to an announcement by Miss Allison, chairman of the faculty social committee.

**JUST BEFORE MID-TERMS**

**I AM AS SLEEPY AS CAN BE**

Full steam ahead! Well, it sounds nice doesn’t it? And we’ll admit that is a very good theory but who can do it? Mid-terms are looming us all in the face and we’ll soon find out how much we didn’t learn as well as how much we thought we did.

Just one word of caution now about preparing for all those monstrosities that all college students have to suffer. They are various and severals, the methods to cram. One is to stay up all night before a test and study like mad. That is the way to find out how fast you can go to sleep in a lecture room. Or there is the way of holding out your open book as you meander down the halls. This not only gives the profs the idea that you just simply don’t have enough time to do all your wonderful studying but that you are an eager beaver and want him to know that you study every chance you get. (It also affords one the best chance in the world to fall flat on your face either in the halls or in the test.) Then, too, you can just go to bed, get a good night’s rest and face with confidence the board of judges in class the next morning.

This has been approved by several members of the faculty and seems to promote better health among the lower class of somnambulists inhabiting some of the classrooms hereabouts. Take it easy on those upper pills.

**Player of the Week**

Meet Leland (Red) Fowler, center for the Broncos. Red has made a name for himself in the football history of Boise Junior college. Leland is a soprano and came to BJC from Boise Senior high school where he also played excellent football.

Red weighs 265 pounds and stands 5 feet 10 inches tall. His curriculum here at BJC is physical education and he plans to attend the University of Idaho.

**Debate Club**

Kenneth Moore, Larry Peck, Arnold Lish and Lee Rodman debated a return debate with Nampa high school, Monday, November 23. This was a practice debate and was not judged.

Two weeks ago Nampa debating were at BJC.

The F.E.P.C. law, which means: Resolved: That the Congress of the United States should establish a Fair Employment Practice law in the 1952 college debate question.

The next debate will be at Pullman, Washington, November 20-21.

**Broncos Defeat O.T.I. 14 to 13**

The Broncos maintained their undefeated, untied record last Saturday night in a tough and rugged game against the powerful Oregon Tech Owls. The Owls were edged out by a slim score of 14 to 13 in what Coach Lyle Smith predicted would be a tough game.

The winning point was scored in the third quarter when Boise tied up the score by a touchdown on a pass from Teverbaugh. Red Fowler then led the Broncos to a complete victory when he booted the winning point.

**I N K**

For the benefit of those people who enjoy seeing good movies, the I.K.’s have been showing movies for those that will admit you to the Ada and Boise theaters for only 55 cents in the evening and 45 cents in the afternoon. Those of you that haven’t bought your ticket yet had better get on the ball because Friday is the deadline and no more tickets will be sold after that date.

The I.K. members have been working hard to get all the movie directories printed and distributed. These little booklets containing valuable information will go on sale in about two weeks. The price will be 15 cents.

Plays for the annual Golden Plume ball are also being made. The dance will be formal and will take place on November 26. As it has always been, the dance will be a big affair, the I.K.’s are anxious for a big turnout this year.

**Dorm Gripes**

Here is an essential necessity, but why all the noise so early in the morning? Four or five o’clock is much too early to arise, especially when that about the time you hit the hay. It’s an odd feeling when you just get sound asleep and hear some startling noise that makes you wonder if the building is falling down. Your first impulse is to shut off the alarm and continue sleeping. When that doesn’t quiet things down you begin to think, “Am I crazy?” No! It’s only the heat beginning to come through the heaters and pipes.

**Valkyrie News**

At the regular meeting of the Valkyries it was unanimously decided that they would donate their services to the Red Cross. Plans are under way for initiation of the new members.

Each of the members was expected to bring cake or bread for a cooked food sale held at Sears Saturday in order to raise the needed funds.
