Roundup, November 17

Associated Students of Boise Junior College
Our Cheerleaders

Familiar to all of you are our BJC cheerleaders pictured above. These people are responsible for lending the student body cheer and in creating pep for the support of our team.

Our first cheerleader is Dean Hodges. Mr. Hodges is a sophomore and is taking a general education course. After graduating from BJC he plans to attend the University of Idaho. His main interests are women, girls and more women. (One in particular, but he won't say who it is.) Dean has been up in front leading cheers for about two and a half years. He first started at Boise High school where he had the honor of being a yell leader. Last year he appeared as a supporter for BJC. When asked who he first got interested in leading the cheers, Dean said it was his dad. He really got into it, he said, when he first saw an example of a real pep rally enthusiast. Next, we have Miss Mary Gottenberg. Mary is also a sophomore student and is majoring in foreign languages. After BJC she plans to enter Gonzaga University in Washington. Upon completion of her studies, she will enter the stock market service. Mary being her champion last year was the special reason for wanting to be a cheerleader. In fact, she said if a cheerleader were her career, she would be one. As a result of her effort, she has been named the only freshman in the members of the Boise Junior College band parade in the fall of last year. Her main interests are reading, studying and playing barbecue. The Boise Junior College is planning to attend.

Our other cheerleader is Miss JoAnn Harrel. Following in step with Dean and Mary, JoAnn is also taking a general education course. After graduating from BJC she is planning to go into business.

Newman Club

Elective Officers

At its first meeting, the Newman club held its election for officers and members. The student body chose the following candidates: Jerry Williams, president; Mary Kellogg, first vice-president; Mary Lou Dorsein, corresponding secretary; and Jim Campbell, treasurer. Representative in the Interfraternity Council are Jo Stenson and Miss Mary Gottenberg.

Plans were discussed for having a Communion breakfast, to be held early in November. Also plans were made for the initiation of new and members.

Various committee chairman were also chosen at this meeting. This list is composed of Phyllis Chisholm, social chairman;

It's Your Paper

Every time The Roundup comes out, there are often heard the remarks "Sure a dull paper" or "Boy, this news is old".

Just take it easy and we of the staff will let you in on a little secret—The Roundup is your paper, it represents you and your college. Therefore, if you feel that it is dull or it has no news, YOU can do something about it.

The staff will welcome anyone with ideas on how to make the paper more interesting. If you have any news or information which you want in the paper, all you need to do is contact any one of the people on the staff or put your news in the copy box in room 118.

Remember, it's YOUR paper.

Union Night

Many Students would like to see the Student Union remain open to a later class. As it is now, the Union closes at 3:30 p.m. This later hour would also provide for something in the dorms to do while waiting for their evening meal or if they are just passing the time away.

The staff has talked to a few students and they are in favor of having the Union remain open to a later hour in the evening. The kids in the dorms like to hear a little of their favorite music and sip on a few cokes. But they don't want to walk a half a mile to get them. The later hours would present no problem as to the help they could get. But this could be worked out with a little study. Perhaps the students could run the place with a teacher or one of the managers as a supervisor.

B-Cube News

"Left, right, left, right, keep in step, left, right—these are the words the B-Cubes will be hearing at their next meeting when they practice marching for the Bronco Bowl parade. The parade will be on Saturday, November 22, so the girls will have to get on the ball and really work hard. The B-Cubes also have contributed their efforts to help sell programs and take tickets at the football games. Among them are Kathleen Connor, Kay Richardson, Margo Lindemann and Marjorie Black. At the last meeting Josephine Linson, club president, urged all the girls who were already members to attend the meeting and come to the meetings and if possible, bring a new member. Any freshman woman is eligible to join.

The smiling faces pictures above belong to our strong football team. Let us hope the boys can keep these smiles after the Pasadena game here on November 22.

BCJ Trounces Ricks 57 - 0

The BCJ Broncos won the Inter-mountain Loop pennant November 8 when they badly trampled the unbeaten Ricks college Vikings by a score of 57 to 0. The game was played in Boise's Bronco stadium. Neither the Vikings nor the Broncos has been defeated this season.
