Roundup, November 17

Associated Students of Boise Junior College

Although this file was scanned from the highest-quality microfilm held by Boise State University, it reveals the limitations of the source microfilm. It is possible to perform a text search of much of this material; however, there are sections where the source microfilm was too faint or unreadable to allow for text scanning. For assistance with this collection of student newspapers, please contact Special Collections and Archives at archives@boisestate.edu.

BRONCO BOWL THIS SATURDAY

BJC Roundup

Boise, Idaho, November 17, 1952

From left to right are Dean Hodges, Mary Gottenberg, JoAnn Hartzler and Bill Wardle.

Our Cheerleaders

Familiar to all of you are our BJC cheerleaders pictured above. These people are responsible for leading the student body in cheers and in creating pep for the support of our teams.

Our first cheerleader is Dean Hodges. Mr. Hodges is a sophomore and is taking a general course. After graduating from BJC he plans to attend the University of Idaho. His main interests are women, girls and more women. (One in particular, but he won't say who it is.) Dean has been up in front leading cheers for about two and a half years. He first started at Boise high school when he had the honor of being yell king. Last year he appeared as a pepster for BJC. When asked how he first got interested in leading cheers, Dean stated that a buddy of his rooked him into it. He grew to like it, however, and so continued with it and today is a shining example of a real pep enthusiast.

Next, we have Miss Mary Gottenberg. Mary is also a sophomore student and is majoring in foreign languages. After BJC she plans to enter Gonzaga university in Spokane, Washington. Upon completing her studies there she will go into foreign service. Mary began her cheering career last year, here at BJC. She said she had no special reason for wanting to be a cheerleader except that she thought it would be fun. As you can easily see, however, Mary has the right qualities and spirit for being an exceptionally good cheerleader. Her main interests consist of horseback riding, swimming, walking and ping-pong.

Our second feminine cheerleader is Miss JoAnn Hartzler. Following in step with Dean and Mary, JoAnn is also taking a general course. After graduating from BJC she is planning to go into

nurses training and become a medical stenographer. JoAnn's main interests are swimming, singing, ice skating and playing hockey. She invites anyone interested to go over to the hockey field and watch her play. (Hockey?) JoAnn became interested in cheerleading last year. She thought it would be fun and an excellent way to express her school spirit.

Last, littlest, but certainly not least is Bill Wardle. Bill is also an outstanding cheerleader and the only freshman in the group. He hails from Boise high school where he was elected yell duke in his senior year. Mr. Wardle is taking an engineering course here at BJC. Next year he wants to attend the University of Idaho. His one big interest is intellectual women. When asked why, he would make no comment. Bill gives two reasons for his interest in cheerleading. The first is because he gets to go to the games free. For his second reason Bill states he is too small to actually play ball so he contributes his share of pep and spirit by leading the students in the school cheers.

Newman Club Elects Officers

At its first meeting, the Newman club held its election for this year's officers. Those people chosen were Jerry Williams, president; Bunny Kane, vice president; Mary Louise Deroine, corresponding secretary; and Jim Campbell, treasurer. Representatives to the Interfaith council are Jo Lizaso and Mary Gottenberg.

Plans were discussed for having a Communion breakfast, to be held early in November. Also plans were made for the initiation of new members.

Various committee chairmen were also chosen at this meeting. This list is composed of Phyllis Chamberlain, social chairman;

Debate News

Members of the Boise Junior college debate squad traveled to Nampa Tuesday, November 11, and debated with the Northwest Nazarene college. Those who attended the debate were Arnold Lish, Lee Rodman, Kenneth Moore, Jeanine Guay, Mary Louise Cottrell and Marilyn Tonkin. Kenneth Moore and Lee Rodman debated the negative side of the FEPC proposal.

This was one of the final practice debates in which the squad will participate before going into regular college debate competition. The team has several offers from colleges all over the United States to debate. The team is planning to travel to Pullman, Washington, November 21 and 22 to debate in regular college competition.

The Nazarene college will stage their return practice debate tomorrow in building T-1. Visitors are welcome, and there are still openings for students interested in becoming a member of the debate squad.

Student Courtesy Cards on Sale in Main Hall

There seems to be many questions floating around the campus in regard to the student courtesy cards for the movies. It's generally contended that it is a good deal because with only three movies the courtesy card has paid for itself, but the big question seems to be "Who's getting all the loot?" Ninety percent of the proceeds from the courtesy card sales go right back to the students in the form of scholarship funds, loan fund, special-funds for things like campus beautification and others. Next Wednesday, November 19, is the last day that these courtesy cards will be sold on the campus. A booth will be set up that day in the main hall. Remember, this is your last chance!

Bronco Bowl Ball To Be Held Saturday Night

The first Bronco Bowl ball sponsored by the social committee will be held after the Pasadena game, Saturday, November 22, at 9:00 p.m. in the Student Union ballroom.

This dance is a date affair, but informal. Jackets and slacks or suits are in order for the men, and dresses and heels are suitable for the women.

Admission will be only one activity ticket per couple and the Pasadena students will bring their activity tickets so everyone will be able to attend this dance after the game.

Assisting the general chairman, Ken Heikes, are Maureen Christie, decorations chairman, and Bob Kellogg, intermission chairman. The Blue Serenaders will furnish the music for the dance.

The Bronco Bowl ball is not to be confused with the Union Night to be held on Friday, November 21. The Union Night will be a stag affair and the Bronco Bowl ball will be a date dance and only couples will be admitted to it. There will be a dance Friday and Saturday nights so let's attend both of them and have a good time.

Harry Wisdom and Bunny Kane, membership; Phil Meagher, transportation committee, and Miki Flaherty, intellectual committee.

The members of Newman club say the Rosary on Wednesday and Friday noon in Mrs. Burke's office.

BJC Host to Pasadena In Bowl Contest

Bronco Bowl looms as the big event of this week starting with the huge pep rally and reception for the visiting team at the Union Pacific station.

The team is scheduled to arrive Friday afternoon at 3:35 and plans call for the BJC band and student body to assemble at the station to welcome them. Directly following this reception their team will go to Bronco stadium for a workout.

After our own team and the visitors have completed their workout, they will have a training table banquet in the Student Union, where Pasadena will be guests of BJC.

Evening events include a pep rally and Union night for the students on the campus and a reception in the Owyhee hotel for the public. This reception will be from 7:00 to 9:00 p.m. with the coaches and teams appearing briefly around 8:00 p.m.

Saturday morning will witness one of the finest band parades Boise has ever seen. At 10:30, led by our own BJC band, the parade will begin from the county courthouse and will include the following high school bands: Weiser, Mountain Home, Emmett and Boise. Besides the bands campus service organizations will also appear. These will include the Valkyries, IK's, Pi Sigs, B-Cubes and possibly a unit from the dorms.

Time will be very short between the end of the band parade and the opening of events in the stadium, for the band demonstration is scheduled to start sharply at 1:30 to allow the four high school bands to make their appearance. Our own band will play the national anthem, and then comes the kickoff. Needless to say this will be one of the most outstanding games ever played in Bronco stadium.

Halftime will be taken up with the introduction of dignitaries including the mayor of Boise and the governor of Idaho. The major portion of the time, however, will be used by our own band, which has been working hard on a special demonstration.

So that the students will be relieved of stadium duties, arrangements have been made with four downtown service clubs to help. The Capital City Kiwanis club is going to take tickets until the kickoff, the Optimists are scheduled to usher on the east side, the Lions on the west, and the Exchange club will sell the programs.

To close the celebration, the associated student body through the social committee under Rosalie Hartwell, is putting on an all-school informal dance in the ballroom that evening. The Pasadena players have been invited to attend, but since their train is scheduled to leave early, it will most likely be impossible for them to be there long. It was hoped for a time that the Pasadena band could be present, but financial difficulties has made it impossible for them to come.

Pom Poms On Sale

Buy your pom poms for the Bronco Bowl game in the main hall, November 19 to 21, Wednesday through Friday. Cheer the team to victory and help make the cheering section a helpful display with your pom pom. The price is only 25c, so stop in the main hall and buy yours from the Valkyries.

Teacher of the Week

Yes, she's a teacher! Surprised? Miss Beverly Mays hangs her coat in that chamber of delectable smells, the chemistry department, hoping that it will not be completely decomposed by the end of the day. She is fond of good laughs, but is serious about her love of teaching. Boise Junior college seems to be a very appropriate place for her to start her career for she graduated from BJC, has two brothers and a sister who have graduated and one sister who is planning to attend.

Miss Mays is a lover of classical music and has started her own collection of records; she also enjoys good books, but she says she will eagerly put both aside for the upcoming skiing season. Stanford is Miss Mays, alma mater, where she graduated in biology and received her master degree in bio-chemistry. This year she is teaching a nurse's survey course as well as regular lower division courses in introduction to chemistry, organic, and supervising Dr. Spulnik's general chemistry laboratory.

 Leland Rodman, Jessie May McQueen

It's Your Paper

Every time The Roundup comes out, there are often heard the remarks "Sure a dull paper" or "Boy, this news is old".

Just take it easy and we of the staff will let you in on a little secret—The Roundup is your paper, it represents you and your college. Therefore, if you feel that it is dull or it has no news, YOU can do something about it.

The staff will welcome anyone with ideas on how to make the paper more interesting. If you have any news or information which you want in the paper, all you need to do is contact any one of the people on the staff or put your news in the copy box in room 118.

Remember, it's YOUR paper.

Union Night

Many Students would like to see the Student Union remain open to a later hour. This would provide some relaxation to the students who have a class in the late afternoon hours. As it is now, the Union closes at 3:30 p.m. This later hour would also provide something for the students in the dorms to do while waiting for their evening meal or if they are just passing the time away.

The staff has talked to a few students and they are in favor of having the Union remain open to a later hour in the evening. The kids in the dorms like to hear a little of their favorite music and sip on a few cokes. But they don't want to walk a half a mile to get them. The later hours would present a problem as to the help they could get. But this could be worked out with a little study. Perhaps the students could run the place with a teacher or one of the managers as a supervisor.

"Just back from your honeymoon, eh? How did John register at the hotel?"
 "Just fine, just fine."

Chemistry Professor: "Jones, what does HNO₃ signify?"
 Student: "Well as, err—I've got it right on the tip of my tongue, sir."

Chemistry Professor: "Well, you had better spit it out. It's nitric acid."

Girl (on subway, reading birth and death statistics): "Do you know that every time I breathe someone dies?"

Man: "Very interesting, why don't you try Sen Sen?"

Two boys were returning from Sunday school discussing what they had learned.

"Do you believe all that stuff about the devil?"

"Naw, it's just like a Santa Claus. It's your old man."

B-Cube News

"Left, right, left, right, keep in step, left, right—these are words that the B-Cubes will be hearing at their next meeting when they practice marching for the Bronco Bowl parade. The parade will be on Saturday, November 22, so the girls will have to get on the ball and really work hard. The B-Cubes have also contributed their efforts to help sell programs and take tickets at the football games. Among them are Kathleen Connor, Mary Louise Cottrell, Kay Richardson, Margo Lindemann and Marjorie Black. At the last meeting, Josephine Lizaso, club president, urged all the girls who were already members to be sure and come to the meetings and if possible, bring a new member. Any freshman woman is eligible to join.

The smiling faces pictures above belong to our strong football team. Let us hope the boys can keep these smiles after the Pasadena game here on November 22.

Player of the Week

Defensive left half for the BJC Broncos is Ray Barnes. Ray is a freshman at BJC and came to Boise from Vale, Oregon. He graduated from Vale Union high school in 1951. Ray has played excellent football for the Broncos this season.

He was also a four-year letterman in high school. His curriculum at BJC is physical education, he is studying to be a coach.

Barnes is 5 feet 10 inches tall and weighs 175 pounds. After leaving here, Ray plans to attend Oregon State college. He is active in baseball and basketball also. Ray resides at Morrison Hall.

Trade Club Meets

The Trade club held a potluck supper Friday, November 14, at the woodshop. All the members brought several varieties of good food and fun for all was provided by a surprise movie. The Trade club is one of the newest clubs on the campus and they hope to have a pot luck dinner every year.

BJC Trounces Ricks 57 - 0

The BJC Broncos won the Intermountain Loop pennant November 8 when they badly trampled the unbeaten Ricks college Vikings by a score of 57 to 0. The game was played in Boise's Bronco stadium. Neither the Vikings nor the Broncos has been previously defeated. The Vikings had predicted a victory over the Broncos. This game was the Broncos' sixth straight victory.

All football fans of the Boise valley are looking forward to seeing the battle between the BJC Broncos and the Pasadena City college. The Pasadena team was the 1951 Junior Rose Bowl victor.

The game will be played this Saturday, November 22, at Bronco stadium. This game promises to be the biggest thriller of the year.

Gerald Crandall New Prexy of Driscoll Hall

Gerald Crandall has been elected the new president of Driscoll hall. Fred Tomoyoshi is going into the armed service and has resigned his position as president. Al Moore was also elected vice president and he will take his place on the Driscoll hall council.
