Although this file was scanned from the highest-quality microfilm held by Boise State University, it reveals the limitations of the source microfilm. It is possible to perform a text search of much of this material; however, there are sections where the source microfilm was too faint or unreadable to allow for text scanning. BJC Gains Wooden Indian in Game

Question Box

As a result of the BJC’s win over Weber Junior High, October 21, the BJC Junior team is now the possession of a wooden Indian for one year. The Indian was brought to BJC by a group of Weber Students and presented to the team. The trophy will be a symbol of the BJC’s future football teams and will be presented to the team at the end of the season.

According to Jolly, the BJC student body president, the present was given to the team as a token of good will and to show their appreciation for the support of the team.

Dance To Honor Football Team

Plans are underway for the homecoming dances on Saturday, November 14. The dances will be held at the Student Union beginning at 9:00 p.m. The dance will be a semi-formal and will be planned especially to honor the football players past and present.

All students are urged to attend the dance as they will be admitted on a first-come, first-served basis.

WUS Campaign To Be Extended

Larry Smith, freshman, who is local on the WUS University Service Fund campaign, is pleased with the response from the BJC student body. The WUS campaign was a successful one and he said that the remaining amounts of the fund are to be used in the Portland, Ore., area.

The fund has helped other colleges and universities in the area and the proceeds will be used to help other colleges and universities.

Vandalism...

Last week several acts of vandalism were perpetrated at the College of Idaho and Boise Junior College. Damage to school fields, windows, and painting of buildings and the setting off of fire crackers.

No one realizes more than the faculty of each school that raising a rural campus is a part of school life. However, when it involves destruction of school property the time has come to stop. To take a school's name in this form is to deface the building of property in another.

The students of both schools are mature enough to end these acts of vandalism on their own and it is hoped that we have seen the last of these acts.

Suggestions and News Wanted

Many of the students of Boise Junior College have ideas on how to improve the school paper, but don't know how or where to get the information or suggestions to the paper staff. Anyone who may have news or suggestions may write them up and bring them to Room 119 and the paper staff will read them and try to carry out the suggestions.

Start for Season

The Boise High School football team started for its season last week.

Weber 26-0 Broncs

The football team of Coach Kyle Smith asked their first defense without a touchdown last week. Against the Weber High they scored 26 points in the second period when Marc Eden scored from the six yard line.

Selective Service officials reminded students that the deadline for submitting applications for the Nov. 19th Selective Service College Qualifications Test is Nov. 2nd. Applications post marked past midnight Nov. 2 will not be accepted.

Ed Lodge, swift Bronco back, breaks into the clear and goes 51 yards to score against the Wildcats.

Player of Week

Weber 26-0 Broncs

The return of Bill Baxter and Jim Warner may be the shot in the arm that will push the Broncs through the rest of the season without a defeat. At this point in the season neither has much in reserve yet, but there is still a spark of their spirit. Coaches believe that the Broncs may be able to stand up against any team.

Notice!

Weber 26-0 Broncs

The offensive play of Mike Malane was just another fullback playing behind Don White and Bill Baxter and were not a factor. However, for injuries to White and Baxter, the Broncs might have had another halfback to share his share of the offense.

Against Yakima Fred Ford ran 29 yards to set up one touchdown. Against Westminster Fred ran 39 yards to set up another.

Against East High the Broncs did not get a single first down. Against Weber they ran 57 yards to set up another.

The return of Bill Baxter and Jim Warner may be the shot in the arm that will push the Broncs through the rest of the season without a defeat.
