Homecoming Begins Friday

Homecoming begins Friday noon with the Pep parade. Students are to decorate their own cars. A prize will be given by the Homecoming committee for the best decorated car. Cars will be lined up according to decorations. Undecorated cars will be in the back.

Parade will start on campus drive. The cars will return to campus and stay until 3:45 when they will meet in the "C" in front of the Ad building to meet the train at 3:30 for escorting the Parade team to the stadium where they will work out. At 6:15 the two teams and the clothes will meet in the Union for a banquet.

The evening will begin at 8:00 with the bonfire which will be held out of the dorms. The burning of the "B" at Table Rock will be the signal to start the fire and the rally. After the rally we will compete over to the Union for the dance and the crowning of King Baird.

At the beginning of the dance the teams and their crowds will be introduced to the student body. During the intermission the crowning of King Baird will take place. The dance will then continue until 11:00.

Saturday is the big day. Activities get underway at 11:00 with the parade. Floats entered by most clubs on campus will be judged as they pass the Capitol.

Program activities start at 1:00 with the float bands, which participated in the parade, performing until halftime which is 2:15. These bands are from B&C, Nyssa, Vale, Mountian Home, Wendell, Herreid, Reedsport and Boise high schools.

The queen selection, the display of the three winning floats and the B&C band performance will all take place during this time.

Completing the Homecoming activities will be the Homecoming dance at 5:00 p.m. Both coronations will be devoted to the theme of "King Football." The dance is semi-formal and gowns are in order.

Alums are reminded to call Mrs. Baker, dean of women, to reserve their tickets for the dance, no tickets will be available at the door the night of the dance.

INCOMPLETES

Incomplete in cases where work has been satisfactory up to the last three weeks of the semester will not be made up within the first half of the semester after the student returns to college automatically becomes a failure and a loss of extension of time is granted by the faculty.

Organ Recital At Religious Service

In our twentieth-century world, filled with modern problems that give rise to a multitude of inner fears and conflicts, persons having faith in a Supreme Power are very fortunate.

A great revival of interest in religion is taking place in our society, as man becomes increasingly aware of his need of faith, and dependence on God.

For this reason, it is important, if not essential, that we, as founders of America's next generation, cultivate a wholesome spiritual life in our respective faiths.

The bubble gum is in the candy section of the store. It is labeled as "bubble gum" and is packaged in a white and red foil wrapper. The gum is sold by the piece and is priced at 25 cents. The gum is described as being chewy and having a fruity flavor. It is recommended for those who enjoy bubble gum and want a nostalgic treat. The bubble gum is also said to be a good purchase for those who enjoy collecting rare or vintage candy items. The gum is also mentioned to be a popular item among children, who enjoy the satisfying sound of blowing bubbles when chewing it.
Ricks Ties Broncos 26-2

Side Line Chatter

Flying aces, H-bombs. Communists, elections, school work and just about every other phase of life is shoved to one side as the talk centers around Pasadena and the BJC Game—the Broncos versus the Lakers of Pasadena. For almost a year now the dyed-in-the-wool football fan has been waiting for this game, and despite the blundered record of the Lakers, the fans want to see the Broncos dump our long time nemesis. This big game is just too hot for the Lakers to perform in this year's big game. The real answer will have to wait till Saturday afternoon, but just for kicks let's see if we can get a glimpse of what may be the future.

So far in this writer is concerned the Broncos will beat the Lakers by 29 points or more. The frosh is not putting Coach Smith's team on the spot. They are always there and they have never failed to upset the experts.

The key to all of this, as far as this writer is concerned, is the second half of the BJC-Everett game. For two quarters the Broncos played the kind of football that potentially could make them the best in the history of the school.

They beat Everett three times to one and they accomplished the feat with a football team. Three football teams have done in the past. In the three times they marched 72, 59 and 43 yards, all by the use of sheer power. They required no fake punts, fake passes, penalties, or any other break on the part of the opponents. The Broncos defense crushed any Everett offense.

Last year the University of Notre Dame played Georgia Tech in a battle that would define the mythical national championship. GT had 21 points without a loss and they kicked off to the Irish, from their 25, the Irish broke 17 yards on 3 plays and off them off tackle. No one saw them coming. The Tech was that game. Well, the Broncos in that second half did the same thing by utilizing a ground attack that required no faking, penalties or fancy stuff.

To sum it up, I think that the Broncos are going to have a second half which will serve up a great nm. Say 29-17.
