KOLD, call letters of a radio station in Moscow, has recently
begun a new jazz program from 7 to 8 a.m. Invited the program
are Chuck White, Jerry Chandler, and Bill Vermillion.

Esquires Operate Service Station

The Esquires Club on Friday and Saturday of this week (April 29 and 30) will operate the Rockfield Service Station at the corner of 8th and Hayes and will in return receive four-fifths of the profits which they will devote to estab-
lishing a scholarship fund for BJC.

Chairman Jerry Snowry said he has a full crew ready to take over and they will be in complete charge for the two days with the help of the dealer. The executive board of the Esquires has not
designated the project.

"We shall receive most of the profit on not only the gasoline sales, but the grease jobs and the wash jobs. Therefore, we will list the business of BJC students and their parents and friends to assist us with this project by ordering their service business from this station until May 17 when they will assume office."
Advances in Naval Flight Training

Former BJC student, Naval Aviation Cadet Rex L. Dorey, has completed his first solo flight in the Navy's SNJ "Texan" trainer at the Corry Field U. S. Navy Auxiliary Air Station at Pensacola, Florida. With this initial phase of Naval aviation flight training completed, he will receive instruction in precision air work along with his regular solo flights as another step toward earning his Navy "Wings of Gold."

HOMETTES
The Homettes will entertain the Boise Association of Home Economists Thursday, April 28, at 8 p.m. in the lounge of Morrison Hall. Speakers and their topics for the program are: Lucille Long, "What's New on the Fabric Counter?"; Marian Watson, "To Be or Burn Fashion School"; Dayloon Hobson, "What's New in Hair Treatment for 1955?" and Lona Jones, "Recruiting New Prospects."

It's Raining Violets

By Keith Craig

This week in sports has not had much to offer. We have been bathed by such cloudy weather that the baseball team was forced into indoor training.

Now most of my faithful readers know that every week, come hell or high water (both came this week), I write my few words of nonsense on the Back Edition. Well, the games I was supposed to see were rained out, so I retired to the library (the Crooked Library) for a little mind-wearishing contemplation about what is to come this week.

As I gazed blury-eyed into the downpour outside, I had the inspiration to write about the weather situation is, I found these notes the other day, written on the back of a Finals Security check. Most people would have had trouble reading them, but I was a odd man for a while in the army.

One of my nostrums seems to recur the work in sports as a direct result of the atomic experiment. It may tempt me to attribute the well-being of sports to another scientific mind.

The rest of my notes are nothing that are of interest to a sports fan. This is a few phone numbers same with 9's beside them, and various other scribbles. I guess there's no use in getting serious about the weather. You'll have to end up inside anyway.

The only trouble with facts is there are so many of them.

Don't confuse me with the facts; my mind is made up.

10 Commandments Of Sports

1. Thou shall not quit.
2. Thou shall not admit.
3. Thou shall not walk over wheat.
4. Thou shall not take unfair advantage.
5. Thou shall not ask others to, escape the benefits of the doubt.
6. Thou shall not under-estimate an opponent or over-estimate thyself.
7. Remember that the game is the third, and he who thinks otherwise is no true sportman.
8. Honor the game; thou shall play for the joy he who plays the game straight and hard, not even when he loves.
9. Realize these may come in a while as written by Hugh S. Fullerton. Anyone who completes or loses in any type of sports might realize some one in a while and think about them.

Trackmen (Fromgen WAA News

Fits Better) Prepare
For BJC Invitational

There is one group of athletes that usually does not get much attention, in the way of spectators (how at BJC or at any other school). I am, of course, speaking of the track team.

At the time of this writing the track team had been at least the meet, the NCC Invitational of Tampa, that was won by the track boys on the NCC field. Not a little more true and experience, Coach Blankenship expects the team to make a strong showing in future meets.

Coach Blankenship stated in a 25 percent of the time had checked out track team.

Honor the game, thou shall play for the joy he who plays the game straight and hard, not even when he loves.

Baseball Schedule

Here isn't been much of a torrent of students for the baseball field games, maybe one of the reasons is no one knows what games are being played. The following is the schedule for the rest of April.

April 20: SRC at Boise
April 30: SRC at Washington, D.C.
Baseball games scheduled for Boise High School at 1:30.

People who wonder where this younger generation of baseball would do well to consider where it came from.

Bob Walker clears the hurdle in a practice run in preparation for coming meets.

Only thing to do about the Lou Groza Bowl in this year was to watch the其他 games played in other towns.

First Home

Set for B

The first home game of the season was against the New School and it was won by the BJC team.

One thing for sure, the team has a strong rivalry with the other team members and the score was 21-0. The Boogie Bowl was won by the Boogie Bowl.
