Associated Students of Boise Junior College

Although this file was scanned from the highest-quality microfilm held by Boise State University, it reveals the limitations of the source microfilm. It is possible to perform a text search of much of this material; however, there are sections where the source microfilm was too faint or unreadable to allow for text scanning. For assistance with this collection of student newspapers, please contact Special Collections and Archives at archives@boisestate.edu.
Five Yell Leaders

Elected This Year

Recently approved by the student council was the issue of having five yell leaders, the first instead of four as in previous years. Although, the election for this year was held only in the month of October, due to the circumstances of these being only five, it was decided that this year the five yell leaders would wear the same colors among them.

The following is the list of the yell leaders:

- Elected President: Bonnie Burton
- Elected Vice-President: Jackie Brinton
- Elected Secretary: Jane Hattom
- Elected Treasurer: Tommy Holz
- Elected Captain: Don Folsom

The new council met with the student body during the activities this week with some general procedures discussed for the year ahead of the students.

STUDENT COUNCIL ELECTS STUDENTS TO OFFICES OF VICE-PRES., TREASURER

With the addition of the new council, the activities at Boise Junior College will be greatly enhanced. The new council met with the student body during the activities this week with some general procedures discussed for the year ahead of the students.

The new council consists of the following members:

- President: Bonnie Burton
- Vice-President: Jackie Brinton
- Secretary: Jane Hattom
- Treasurer: Tommy Holz
- Captain: Don Folsom

The new council met with the student body during the activities this week with some general procedures discussed for the year ahead of the students.
In Our Opinion

We were sitting in the Student Union last week, signing up on a table, and casually looking at the roster—helter of freshmen students trying to down one "last-cups-coffee" before class when we suddenly became aware of something—something very pertinent to our everyday life, yet, after observing many of the students, we began to wonder if it were even prevalent here.

It would seem obvious that it is not only dead but a long-forgotten quality on our campus. We are not referring to the old standards of etiquette but merely the little courtesies of daily life that denotes a "trend" from the run-of-the-mill crowd. We can't run with our own clique, mindful of only our own, while ill all the time.

Soon there will be a role-as-identical-for-those-referred-on-campus-as-having-a-personally-"like-a-net-district" hallmark.

Holding the door open is a fairly "blind" thing to do, except to make new friends and make our lives a bit easier. It is really the least we can do.

A pet peeve heard among many of the students is the way some of the fellows walk in class, throw and four feet ahead, looking like the front line of UCLA, and forcing everyone to the side. Give a little extra room, please, and make another friend.

No one is a grouch, so why not try being polite to everyone for a week or so. Show a little courtesy to faculty and students; see what "politeness" will bring you.

Like the sign: "COURTESY IS CONTAGIOUS. SO LET'S START AN EPIDEMIC."

We understand BJC was the scene of an accident last Wednesday morning when a glass window glows injuries received, but a careful lot of glass spread over Campus Blvd. Just lucky this time folks! Next time???

There's been an amusing reminiscence of Farmer Brown's south forty around the east end of the campus lately. We've come to find that they're spreading on a hard, but heavy, pe上市; for the new lawn twist. Gym and baseball stadium. Should be a beauty, too, if the smell is any indication.

According to Frank Cell, campus photographer, the tempting for Les Boys pictures is may below par. During the first two days only four at five people dropped into the picture stands. Apparently the problem is a combination of student apathy and unfamiliarity with the procedure of standing in line on the week, evidencing October 19.

There must be a few people desperate enough around to pull the trick we just did to Les Boys. Several just a few weeks ago at BJC had a pet peeve poking through one of his beautiful water color paintings. And anyone who is a member of Peck's painting club, and more in each year. This is something definitely wrong when a stunt like that is pulled—especially, by people interested in our nation-college students.

Review of BJC

Politicun Union

"Political Union Planned By Drama Dept. In December"

Mr. William Stancliff, head of the BJC drama department, announced, for the first time in BJC history, that the "Political Union" will be produced by the drama department just before Christmas on December 8.

The play, "Political Union," by American playwright, Philip Dormer, is the story of a group of BJC students who are dissatisfied with the political and social conditions and lead a revolt against them.

"Political Union" is the first play given at BJC, and it is hoped that it will be a success.

The play will be in the auditorium on December 8th at 8:00 p.m.

Rapid Growth Is

Evident At BJC

This full-time junior college began its 22nd year of operation in September. According to the college, the enrollment for the fall term was 25 and a full-time faculty of 18 members. The first semester was held at the principal of BJC, the president of the college, and the president of the governing board.

Several members of the present faculty were on the original BJC teaching staff. These includes: Dr. H. Berleman, professor of government; Dr. H. W. Merrick, professor of economics; and President Frank B. Cooper.

The present faculty members are approximately 60 with a day-time and night-time enrollment exceeding 600. Night school employs 20 part-time instructors and has an enrollment of 600.

600 Enroll In Night Classes

ALL night classes begin officially last week. These classes, numbering 49, were of great variety. They included square dance, psychology, and many other diverse subjects. According to Howard House, school registration, more than 600 have enrolled. Most of these are adults, taking these courses for a variety of reasons, among which is enjoyment, working towards degrees and general education.

School registration will be open to BJC students until October 25. For further information contact Mr. Row in the general administration office.

An ANNUAL PICTURES PROGRESSING SLOWLY Pictures for the annual, being taken on the Modern Art Balloon, are progressing "as fast as I can," according to Frank Carr, school photographer.

"Students whiling their picture in the annual," said Carr, "are not inclined to cooperate for the Los Rosa staff due to the early deadlines on individual pictures." Pictures are being taken between 9:00 a.m. and 1:30 p.m., school days.

Mr. Ward Howser
TEACHER OF THE WEEK

By Mike Herbst
Mr. Ward Howser was born in the small town on a homestead near Coeur d'Alene, Idaho, on June 18, 1921.

He graduated from Emmett High School in 1939. From 1939 to 1941 he attended Lewiston State Normal school, where he graduated in 1941 with a teachers certificate.

On October 1, 1941, he enlisted in the navy and was assigned to flight training at Corpus Christi, Texas. He was commissioned in the Marine corps as a fighter pilot on his 21st birthday in 1942. In December 1945 he received his honorary discharge.

Mr. Howser graduated from Stanford University in 1947 with an A.B. degree and in 1949 he completed work for his L.L.B. degree.

At the present time he is teaching speech classes. He is also coaching the debate team.

He has a wife, Phyllis, to whom he has been married for a year and a half. She was a ballerina with the San Francisco Civic Opera company for five years.

He plans to stay put because he has already done his share of wandering. Being born here has been like a "home coming" to him.

His favorite pastimes are chess and bowling.

VETS' CORNER...

GI home loan activity increases for August,

GI home loan applications and appraisals by veterans increased slightly during August, veteran's administration announced.

The increase in building is believed the result of easing in credit and requirement of a slightly better availability of mortgages in sections of the country.

Although the requests for appraisal and home loan applications are below the unusually high levels of 1955, GI home loan activity during 1956 has continued on an even keel, VA noted.

VA received 47,672 home loan applications in August from private lenders on behalf of veterans. This is an increase of nearly five percent, or 2,165 over July, and for the second successive month, the highest monthly total received this year.

During the year VA received applications for 60,000 proposed and existing homes, an increase of about four percent over the June figure of 61,700. Of the 60,000 units, 65,556 were proposed homes and 29,981 were existing homes.

Question for New Vets: Q. I am planning to sell the home I bought with a GI loan. If "the house" is taken over my loan, do I remain liable in case of defaults and the loan is foreclosed? A. Not necessarily, under a new law and if you may be relieved of liability by the buyer takes over your loan. He must assume full liability on the loan, VA must approve his credit and the loan must be current.

1. Bridge, classical music, silk, and governmental, political and historical novels. He hopes to be interested in science fiction magazines:

His opinion of the school is that "we have a live, interesting, alert, student body, which offers a challenge to teachers."

Inter-Faith Council Elects New Officers

The following officers and committee members were elected during the Inter-Faith Council meeting held October 6.

Co-chairmen, John Gortz and Stanley Consper, secretary-treasurer, John Powell, chairman of devotional committee Mary French; chairman of Christmas program, Sandra Pearse, chairman of the committee, Va- Loa Thrasher; chairman of public relations, John Powell.

During the meeting the council announced that Miss Ann Lawrence Williams, Miss Papel, will lead the devotional to be held Wednesday, October 2.
Doc's Dope

Even though Boise has been unable to play before this date so far due to the circumstances of the district, Washington opens the season against the Cougars on home court. A real classic is expected.

The Cougars are helped by the fact that they have a new team that has been playing well. They have a balanced lineup with players scoring evenly.

The game is scheduled for Thursday at 7:30 PM. It's a must-watch for any basketball enthusiast, and it promises to be a thrilling contest between Boise and Washington's top teams.
