Associated Students of Boise Junior College
Spring Formal To Feature
Tony Pastor, Four Coins

Tony Pastor and his orchestra and the BJC recording stars, "The Four Coins," are the featured attraction for the Spring Formal to be held tomorrow evening in the BJC gymnasium.

This dance is under the supervision of the social committee. Geva Rankin and Diana Waddie are co-chairmen of the affair. Mary Sargent is in charge of intermission. Warren Wilde and Etante Leath are responsible for the decorations and invitations respectively.

Ticket sales are handled by Jolly Jo Passley and Vivie Wardle, refreshments by Gayl Gartehow, and lighting by Ray Martinez.

Sponsor chairman is Etelma Brown.

Tickets may be purchased from any social committee member or at the door that night. BJC students and students from the College of Idaho will be admitted for $1.50. Alumni prices $1.00, and $1.00 will be charged for spectators.

Tony Pastor has rehearsed one new title song for the formal.

Dr. Choffee Speaks
At Governor's Meet

President Choffee, speaking at the Idaho governor's conference on education, held last week at the State House, said that "all who can profit by it should have the opportunity to go to college.

Instructing the methods of acquiring adequate educational opportunities beyond high school, Dr. Choffee held that the only delegated to the education that the educator should develop educational opportunities was not to be limited to those who were to become professional people, but to those who are from a traditional liberal arts education.

Mr. Groves To Lead
Tomorrow's Devotional

Mr. Robert Meredith Groves, minister of the First Methodist church in Boise, will lead the devotional tomorrow in the BJC auditorium starting at 9:00 a.m.
IN OUR OPINION...

Mr. W. L. Gottgen, vice president of HIC, recently announced that students may no longer park in areas marked FACILITY, since these areas are in demand by the personnel for whom they were intended.

Although students have had to give up little of the parking space, they have not really been subjected to inconvenience.

In the first place, those spaces were officially allotted to the facility.

Second, there is not, and never has been a shortage of parking places. The most that will be required of the student drivers is a little extra time in the morning.

Third, HIC is a second home for most of the faculty. Some have been here for a very long time, while students are only here for one or two years. They should be assured of a place for their cars and not put under a different plan. "There are many members of the faculty who have been given special permits for their cars and books of traffic tickets. These tickets may be given to any student parked in a reserved spot.

Instructors won't go around scolding for cars parked where they are not supposed to be, but they probably will not be too friendly to tickets to students who have parked in Faculty spots.

Students might consider that the only strict way of keeping the matter, but it works alone can change the situation; it would have been taken care of already. C & K.

SAFE-GUARD YOUR INTELLECTUAL INVESTMENT

classes in literature and science through an individual study program. During the summer, the faculty may reactivate these same principles of elementary physics. Both types of students might profit from the creative experience of building something with their hands. One of the best ways of learning applied physics, fact and feeling, is by working with hands on constructional projects.

All of us are tempted to follow the intellectually satisfying path of reading fine literature, listening to operas or reading papered-covered books and drama, but that is not all we need to keep alive intellectually. We must read challenging and stimulating articles, some of which are written in foreign languages, and classics which have stood the test of time.

We need to keep before us the drama of the current moment, which can best be understood if we have a knowledge of history, because unless a person works with its constituent need to learn something of culture history, customs of other people, can be one of the most instructive, emotional experiences.

In short, we do not fail to re-education in college; but we desire to acquaint avenues where we can RECONFIGURE education by continuing to be students throughout our lives.

Basketball Coach George Blankley is Featured As Teacher of the Week

Coach George Blankley, who in football, has been Catamounts basketball coach, has been selected as the number one basketball coach in the state of Vermont.

Coach Blankley recently attended the annual National Junior College Athletic Conference in Madison, Wisconsin, and also attended the basketball meet, sponsored by the Vermont State High School Basketball Association.

Coach Blankley actively participated in the various events of the conference.

During the basketball games, Coach Blankley's team won the championship of the state.

Coach Blankley is the only basketball coach in the state of Vermont who has been selected as the Teacher of the Week.

Coach Blankley was selected because of his outstanding work in the field of athletics.

Coach Blankley's accomplishments in basketball are well known to the students and faculty of BJC.

Dr. Robert Wilcox, Dean of Students, and Dr. John Phillips, President of the College, presented the award to Coach Blankley.

Coach Blankley's selection as Teacher of the Week is a well-deserved honor for his outstanding contributions to the basketball program and the college community.

Ball Games Called For Bad Weather;
Resume Play Today

BJC's baseball team came back
into action today after three games
were postponed last week due to
rain and muddy fields.

Last Wednesday's game with
Mountain Home was postponed until Saturday. Then, on
Saturday, both games were
called off due to a muddy field.
Friday's tilt with NNC was also
cancelled because of rain.

So far this season, the team has
had a split win with NNC and
drew with Idaho. After losing the
first game to Idaho, the team
was back to win their first four
games before losing one.

These scores were recorded:

Idaho BJC 14, NNC 8
Idaho BJC 15, NNC 9

FRANKLIN

Herman Noblitt, BJC's speedster, claims he will
be ready for his first and second in the
1500 meter final, Nampa.

Last week, in the BJC finals, Noblitt
broke a record in the 100 yard dash and a record in the
150 meter dash.
