Dean of Women Retires After Seven Years at JC

Mrs. George Turner, dean of women at Boise Junior college, retires at the end of this year.

She has spent seven years at Boise Junior college and says that she has enjoyed it very much.

She is the first in her family to attend school beyond high school and attended school at George Valley, Minnesota and attended school at George Valley, Minnesota and graduated from Lake City, Iowa.

She attended Iowa State Teachers College where she was married and lived after obtaining her degree. She received her master's degree at Columbia University in New York. Mrs. Turner was with Idaho State College for seven years, where she reached the retirement age. Despite retirement she came to Boise Junior college where she has served until now.

When questioned as to what she expected to do, she answered, "Nothing. I haven't decided. I have no reason to do anything, but I haven't started planning it yet."

IN OUR OPINION...

When you apply for a job, the first impression you make comes from your personal appearance.

The social impression is as important as the personal one. The first impression is the most important thing that starts your career. You meet people all the time. The first impression is the most important thing that will happen to you.

Is It Worth My Time?

There are practical advantages to summer school.

1. ANY STUDENT can accelerate his course, or make up lost credit hours.
2. ANY HIGH SCHOOL graduate can take a college course in his college career by gaining as much as twelve credit hours in such courses as English, History, the sciences, and the languages. BJC offers an unusual opportunity this summer, in a Russian language course, offered by a man who knows the language so well that he was able to masquerade as a Russian in the Soviet Union during World War II.
3. ANY TEACHER with an elementary professional certificate can acquire twelve of the eighteen credit hours required for certificate renewal.

4. ANYONE interested in furthering his education is welcome to enroll in the classes listed.

ADMISSION REQUIREMENTS

CREDENTIALS

Students applying for admission to the Junior College for the first time are required to furnish credentials as follows:
