Associated Students of Boise Junior College
BC Commencement Features
Dr. Charles J. Armstrong

The 26th annual commencement exercises to be held June 1 in the college gymnasium, will feature Dr. Charles Johnstone Armstrong, president of Pacific University at Forest Grove, Oregon, as the guest speaker whose topic will be "The Forward Look." Dr. Armstrong, acquired his A.B. degree with first class honors in classics at the University of British Columbia in 1932. A year later he attended the same university on a graduate fellowship, then returned his graduate study at Harvard on a Harvard university scholarship. In 1939 he earned his Ph.D. in classical philology at Harvard in 1939.

Pre-nursing Tests
Set For Summer

It was announced today by Dr. John Phillips that the presubmiting tests will be given at the following dates:

June 7: the psychological examination will be given, and
June 8 and August 16: the National League for Nursing test will be given. These tests are taken by candidates who wish to enroll schools of nursing at the fall.

The tests are set up and served by two non-profit organizations which serve in the interest of nursing education. They are then used by the directors of the selection of candidates for nursing. Application for participation in the pre-nursing tests may be made through the Phillips Office.

LETTERS TO THE EDITOR

What can be done with $4000?

You can make a name and a mark in any one of the great fields of advertising if you can put aside $4000 a year and work hard at it. The thing that can be done with this $4000 is the start of a happy career in the world of advertisement. The $4000 would be a good start in working hard and getting a good position in the business.
