NEW DEANS
BROADCASTING CLUB

First meeting of the Broadcasting Club will be held Friday, at 3:45 in the T-1 building. It will be an organizational meeting attended by interested students. The purpose of this meeting will be to discuss the club's activities which may be obtained by contacting David Larren or Rob Reeder.

CLASS PROCEDURE

(Continued from page 1)

Class is divided into two sections; the grade-point average is 12 points below a grade-point average of 20. This is achieved by multiplying by two the total number hours which have been attempted and subtracting 12. If the average as calculated above is below the student's total quality points, he will be subject to this procedure. A parent or the student's home will be denied by the dean of the faculty on recommendation of the scholarship committee.

A student disqualified for either of the above reasons may be permitted to re-enroll by one of the following methods:

(1) Permission to take one semester to upgrade before applying for re-enrollment. The approval of the dean of the faculty is necessary in this procedure.

(2) The student will be permitted to continue with a student that has a grade-point average of 2.0 in that subject. Upon completion of the semester, the dean of the faculty will be permitted to continue with the student, subject to the approval of the dean of the faculty.

In addition to the above instances, the student may be permitted on a non-permanent basis.

JETTA MAY BE THE BETTER RICK AND DON'T CHECK THE SCHOOLS

ELECTIVE HOURS

The library has been undergoing growth pains again recently. New shelves have been added in the upstairs stack room which the entire collection in that room, about 10,000 volumes, has been spread out into the new shelves.

The library now has close to 100,000 volumes including books and magazines. There are also current subscriptions to about 150 periodicals.

Gosh fro

how's you catch on at quick? Gosh on to the fact that CoCo-Cola is the

beep drink on campus. I mean, always what you're at it, you ain't nothing

dropping over to the dorm and downing a sparkling CoCo-Cola and before

you know it, you're the man for CoCo-Cola.
Boys' and girls'-interest clubs advertised in the Boise Junior College Roundup, including the Golden "Z" club, the Silver "Y", and the Pershing Club. The Roundup also announced the forthcoming registration, which will be ready to be picked up in the office of the vice president, room 121, beginning September 22. The ID card will serve as a student activity pass which will admit the holder to social affairs and other activities for which a charge is generally made.

For fall... everybody wants sweaters and more sweaters

by Darlene

Lovely indeed... and no wonder. Your classic shirt of luxurious Minklam is fully fashioned by Darlene. It's accented by a button placket collar... the tiniest of waist buttons... shown in the new longer length. Play up color... there's a wide, wide range, in sizes 34 to 40.

"BRONCOS" IN ACTION WITH CARBON COLLEGE

Shown above is just some of the action as the 5,000 fans saw at the BJC "Broncos" opening game with Carbon college Saturday night when the BJC team won 24-0. Coach Charlie, Smith said, "With the stiff schedule ahead, it will require a season of rugged play to hold a lead."

5,000 Fans See First BJC Game
As Broncos Trounce Carbon College

1,500 Salmon fans turned out to watch the first game of the season for the BJC "Broncos," and many more fans show up to watch as the BJC "Broncos" defeated Carbon College 24-0. The final score of the game was 24-0.

The game started with a large crowd of fans cheering the BJC "Broncos" as they took the field. The Carbon College players were not able to keep up with the BJC "Broncos," and the game ended with a final score of 24-0.

Another game will be played on Saturday, July 20, 1958, at 2:30 p.m. at the BJC "Broncos" home field. The game will be against the Carbon College team, and it is expected to be a high-scoring game.

The crowd was enthusiastic, and the game was well attended by both fans and players. The BJC "Broncos" are off to a great start, and it will be interesting to see how they perform in future games.
