Roundup, November 4

Associated Students of Boise Junior College
Student Body To Elect Fresh Class Officers

Four petitions for freshman class officers were turned in to the activities office last Friday, reported Nikki Balch, student body vice-president and elections chairman.

Larry Johnson and David Smith are running for freshman class president. The one petition for vice-president is that of Dennis Miller.

Beth Rodwell is the only candidate seeking the office of secretary-treasurer. No petitions were turned in for the office of freshman class representative.

Campaign speeches will be given in the Student Union Thursday morning, November 6, during the break. At this time additional candidates will be nominated from the floor and they will also give short campaign speeches.

"Serve clubs on campus are urged to nominate so that we may have a full list of candidates and more of a contest among each of the office seekers," stated Miss Balch.

All campaign literature must be taken down by 4:00 p.m. Thursday.

The election will be held Friday, November 7, from 9:00 to 3:00 in the main hall of the Administration building.

Only students who hold BJC student body activity cards are qualified to vote.

Organist Presents Sunday Recital

Organist Deborah Enomae of Watertower, a former student of Mr. C. Griffith Bratt, presented a recital Sunday, November 2, at 4:30 p.m. in the BJC auditorium.

The program consisted of music all by deCicco, Sweelinck, Bach, Mendelssohn and Walther. This was the first of a series of recitals that are sponsored by the college music department and the LeBoeuf chapter of the American Guild of Organists.

"Organized in the spring of 1952, BJC has been interested in all music and has encouraged students to present a more complete program," said Mr. Griffith Bratt, the college music professor.

Mr. Enomae is the organist at the First Baptist Church of Boise. She is currently studying organ at the University of Idaho and has studied with deCicco, Sweelinck, Bach, Mendelssohn and Walther.

The recital was held in the new BJC auditorium.

Drama Department Chooses Fall Play

The fall dramatic production of BJC will be "The Reluctant Debutante." It was announced by Mr. C. Griffith Bratt, director.

In concluding the speech, Mr. Bratt said that "The Reluctant Debutante" is a comedy about a young girl's coming of age in the 1920s.

Notice

Notice day or night classes will be held on Tuesday, November 11, as Library Day.

TY CONTINENTAL 4 CLASSTHROOM

An interesting group of students are now watching the physics lecture on television, which comes on the radio every day over KUII from 5:00 to 5:15. The program is interactive, and is shown daily in room 106 in the science building. This group of students is led by Dr. H. F. Dodge, and is known as the "Physics on Television" club.

Mrs. Turnipseed to Lead Tomorrow's Devotional

Mrs. Turnipseed, former dean of women and the present dean of Christian education of the First Methodist church, will lead the devotional service to be held Thursday at 7:00 a.m. in the college auditorium.

Organ music will be furnished by Mr. C. Griffith Bratt.

Notice

A day or night class will be held on Thursday, November 11, as Library Day.

National Television Physics Lecture

Moore Daily for BJC Students

The lecture is planned over the radio on the College of Idaho campus, and is part of a nationwide TV lecture program which reaches the general public of "TV Continental Classics."

During the lecture, the presenters will be in the physics laboratory. Mrs. Smith will present a talk on the physics of the radio transmitter and receiver, and show a demonstration of the physics involved in the generating and receiving of radio waves.

Inter-Faith Council... and helpful. College choir hall made an important contribution to these services.

The main objective of the Inter-Faith group is to develop the spiritual life. Impressive Christmas pageant and an inspiring Easter program. The association always sends a Rabbi to speak at an assembly of the students and to lecture to the students on the theme of "brotherhood."

At Easter time, a special Easter service is always held on Wednesday evening on account of some that the religious clubs on the campus should cooperate. In other words, this council represents all those religious groups on the campus, cooperating to organize the spiritual activity of the staff and students.

The Inter-Faith Council is made up of two elected representatives of each of the religious clubs of the campus. The desire on the part of the religious leaders is to bring together, and a freshman from each of these clubs. These clubs are as follows: Canterbury, Univer., Disciples, Lutherans, Newman, Roger Williams, Wesleyan and Wesleyan to a college president as "James." Instead of giving these people their full titles,

You, as college students, should realize that their religious clubs on the campus should cooperate. In other words, this council represents all those religious groups on the campus, cooperating to organize the spiritual activities of the staff and students.

INDIAN SUMMER ENGINEERING

A group of engineering students from BJC's survey class present a typical picture of activities which were worn on the BJC campus during the warm Indian summer weather of the last few weeks. Students above working with the surveyors' tables are (left to right) Gary Hakanson, Carl Schwelke, Gene Baxter and Ann Elber.

Attention, Students
Students who have lost coats should check in room 121, reported Mrs. Margaret Betty. Several coats are being held there at the present time, abrided.

CAMPUS STYLES
By Sharon Paul
If it isn't one thing it's another. If you're not going to football game you're going up to Idaho City swimming, or to school, or you're going to lounge around and do your homework. There's nothing better to wear while you're doing all these things than wide white collar by White Stag. Collar, blouses and skirt. That's what you need and I saw a beautiful White Stag outfit down at Anderson's this week in Venetian embroidery.

The car coat is warmly quilted with a rich lining and the large collar and cuffs are of Venet trim. It's called the Cosmopolitan and I've seen several of them on campus already. There's nothing sharper. They sell for $29.95. The skirt and tapered slacks sell for $18.95 each and come in the same washable, wide white collar as the coat.

You can get this outfit in driftwood blue, wool top, moss and mustard.

This soft collar White Stag ensemble is really good looking and is definitely always outstanding, anywhere.

Athlete of the Week

By Larry Morduk

This week's athlete of the week is halfback Paul Han.

Paul hails from Iolani High, where he was an outstanding athlete. He earned four letters in football and basketball, and one in baseball during his high school career.

He not only made the football team, but also was the all-conference team in his sophomore, junior and senior years. In 1952, a freshman playing varsity ball, Han was named "Rookie of the Year".

Paul, proving himself a valuable athlete, was given a scholarship to Iolani, a private school, each of the four years he attended.

Paul's career at Iolani began in 1952. He was a dependable back, scoring in nearly every game, as he has this year.

Han has plenty of speed and ability, and has been a credit to Iolani. Paul might be called a "scrambling" quarterback, as seen in his driving, sliding style of running, which has shucked up many on opposing players.

Although Han has shown a lot of power through the line, he frequently breaks loose for the long gain, which often results in a "TD".

Paul is majoring in business education, and his minor is in economics. He said that he had no idea, as yet, where he was going to finish his education.

...MORE DEADLY THAN THE MALE

Field hockey can prove interesting, as evidenced by these physical education students...
