Christmas Devotional

We are entering a season characterized by "Peace on Earth, Good Will to Men." The spirit of giving distinguishes this season from any of the other holidays.

The emphasis is not on the material or the accumulation of objects each of us desires but on thoughts that concern the welfare and happiness of others.

Christ was not given to this world because He benefited from his 30 odd years on this earth. He suffered from this experience.

He was a gift to those of 2000 years ago and to us now, that the selfish, sordid affairs of man might be lifted to a level that each of us would rise to, a true love of our fellow man.

In that spirit, I wish every one at Boise Junior College, A Merry Christmas.

EUGENE B. CHAFFEE
IN OUR OPINION...

In the 50's edition, Thomas Tueter's "At Christmas time and make good cheer for Christmas!" is a phrase that speaks to the joy and spirit of the holiday season. The article discusses the various ways in which people celebrate Christmas, from traditions to smaller, more personal gestures. The text mentions the importance of family gatherings and the sharing of gifts, reflections on the meaning of Christmas, and the role of music and carols in creating a sense of community.

CAMPUS STYLES

By Sharon Paul

The only girls in college with better clothes than yours are the girls at Boise Junior College. They shop in College Stores and Boise Junior College Laundry and get new clothes every week. The only girls in college with better clothes than yours are you and you are the only girls in college with better clothes than yourself. Don't be stingy. Live up.

 Shades are now in stock by the Dolphins and are available in all sizes and colors. They are selling at $1.50 a pair and come in cotton, wool, and rayon.

For the girl who is not fond of sunglasses, there is the latest in the line of hat styles. The "Bobby" is a hat that is fitted with a band of cloth around the crown and has a velveteen band around the brim. It is available in four colors: red, blue, green, and black. It is priced at $2.00 a hat.

Do You Have A Hobby?

The local girl in a newspaper, "Boise Club," is raising funds for a new building for the city. She has started a collection of used newspapers and is now selling them for 5 cents each. All money raised will be used to purchase stock in the new building.

IT'S THE

McCluskey's Round House

Restaurant

ACROSS FROM BJC

Looking for a quick meal? McCluskey's Round House Restaurant is the place for you. They serve breakfast, lunch, and dinner, and their prices are reasonable. Whether you're in a hurry or just want a quick bite, McCluskey's Round House Restaurant is a great choice.

The college students are often asked, "Do you have a hobby?" Many students have hobbies, but some students don't. If you don't have a hobby, why not try one? It can be a great way to relax and have fun.

The college instructors plan a trip to Europe for their summer tour for students. The trip will include visits to places such as England, France, and Italy. Several college students and instructors have expressed interest in joining the tour, which will be led by the chairman of the Foreign Languages Department. The tour will leave by plane and private motor coach.

Next semester, the Boise Junior College Club and the Idaho State College Student Council will offer evening classes to introduce students to the college's programs. The classes will be held on Monday and Wednesday evenings and will cover a variety of subjects, including business, art, and music.

For First Win of Basketball Season

Sparked by the sharp shooting of Ron Hunt, Bob Myers, and Russell Sloan, BJC won its first game of the Friday night by defeating the University of Idaho freshmen squad by the score of 69-44.

With Myers and Hunt hitting from outside, and Christensen hitting from the base line, the Broncos were able to build a substantial lead of 40-29 which the Vandal freshmen couldn't break down.

In the second half, the freshmen were able to outscore the Broncos, 26-26, but it was too late, because the Broncos had too much of a lead at half time.

Myers was the top scorer for BJC with 11 points, while Hunt topped all three, however, coming up with 21 in a losing cause for the frosh squad.

P.E. Classes Feature Varied Activities

Women students in the physical education classes are showing their stuff in a variety of sports. They are participating in volley ball, basketball, gymnastics, and working out on the trampoline.

Miss Valerie Herbstreiter, P.E. instructor, says in basketball they are scoring and passing, guarding and dribbling, while their wearing is being improved in gymnastics and volley ball.

During the ranching sessions on the women's side, they are working hard at back rolls, front rolls, hand-stands, head-stands, and cartwheels.

On the trampoline, as one student explained it, "We are jumping around." Actually the more experienced ones do flips, front drops, back drops, and twists.
