The "P" came out the winner, just as it had in February. A second tournament is planned, and teams are now being organized.

Coach Blankley said that any team may organize a team, provided it is made up of BJC students. Intramural play will be on a Saturday or possibly two nights a week.

Tryouts To Be Held

"Whether you are an experienced actor or actress or just have a secret desire to put in front of those headlights, try out for the play," said Miss Fran Avrett, director.

The BJC drama department particularly needs a cast to take the part of a 14-year-old girl plus a man and a woman who can portray, carry a tune and do an easy dance EASY! top step.

"We can't promise any contact with MGM, but if you are cast in the play, you'll have great fun," Miss Avrett added.

Wide leaving movie is needed, to haul back just one day 'er week. We're in picture this week, as we're going, to have next week?"

THE "NEW LOOK"

Except for the brilliancy of adapting himself to a new method of locomotion, sociology instructor, Dr. Wayne Wellman, is in no way hampered, in enforcing his classes, by his recent confinement to a wheel chair.

The wheel chair was necessitated by a respiratory condition.

New Wheel Chair Takes Spotlight

BJC's Dr. Wayne M. Wellman who during the past week, has been required to adopt "the new look" in transportation, said that, in the interest of comfortable and casual understanding, he would like the college students to be informed of the reason for his present confinement to a wheel chair.

Due to a respiratory condition, said he, his physical activities are limited to the extent that he is forced to remain stationary.

"Although I have been ordered not to walk," Dr. Wellman said, "my teaching activities— which I deeply devote— are thank God, no way impaired.

Speaking of the possible duration of his disability, he said that the physicians have not, so far, expressed any hope for an immediate change in his condition.

"The sociological subjects I teach," Dr. Wellman said, "are almost inevitably dealt with human behaviour and, certainly, if I pretended to profess, I should be able to reconcile my teaching accomplishment with my present physical limitations.

"I can constantly say," he said, "that I am not the only individual at BJC who works under handicap. Perhaps he added, "I shall, as a consequence of my condition, be inclined to perform a distasteful service.

"The first, of course, will be my duties as an instructor; the second, to give encouragement—in some small way, at least—to the several students here at BJC whose education is made more difficult by an impaired body."

"In other words," he explained, "I'm going to try to turn a necessity into a virtue."

At the present time, Dr. Wellman is preoccupied with trying to master his new and difficult skills of travel. However, he said that as soon as he acquires the "feel of his new legs," he will challenge all comers in speed and maneuverability.

CAMPUS STYLES

By Sharon Paul

Golly. I just got through watching "The Price is Right" on television. I can hardly stand it. A truly just won a Lincoln Continental.

Of course if a guy won a car, a trip around the world, $5,000 worth of diamonds, a new kitchen.

A new living room, a mink water-robe and six gold-plated home burners, the car is hardly anybody would speak to him except gold diggers. He'd be so busy separating friends from enemies there wouldn't be time to have any fun.

So good.

What's the most important thing in the world? Money, of course.

Who needs friends if they have money? Just all of us. That's all. Child-friend plates or not, you can go down to C. C. Anderson's in Boise and see the new spring Cherry Japanese shorts and terrapor pants, all in some kind of loud, crazy paisley print that really makes you feel and look like a gay day. And for only $5.08 and $9.98 respectively.

I think that's a pretty good deal if you have spring fever, even at Anderson's.
Bronco Five Trounces Dixie College, Falls to College of Southern Utah

*All* Broncos couldn't miss as they shot an 87-54 victory over Dixie college rebels on Friday night in the broncos gymnasium, only to be outlasted by the Cougars.

Bart Simmons scored 17 points for lead 10th and Charles Williams collected 12. Feather Bill Talbot was high with 14 for the Broncs.

Saturday night, Emery Dechambeau in the top Broncs scorer with 17 points and Pat Ellis-Taylor was close behind with 16.

After taking a 22-2 halftime lead the Broncs ran into some groundhog day's and was stopped at Talbot, MVCC's bright back to the point at 17-47 with 14 minutes.

Then the Broncs broke down on the outside of the Metro Valley's line mark.
