FOOTBALL

The B. J. C. squad proved to be a scrappy football team this year, even though they were small as compared to their opponents. The chances for a football team looked dismal at the beginning of the year. Stephens, Baird, Goulding, Bush, and Pease were the only veterans to return. As the season got under way, Coach Jacoby soon showed himself master of a disheartening

situation and chose from the freshman recruits the remainder of the team. Coach Jacoby was new to the Junior College and soon proved to be an asset. The first trip taken by the squad was to La Grande, Oregon. The second was to Albion, and the third to Pocatello to play the University of Idaho, Southern

Branch. The Broncs were handed defeat on all three occasions, but this did not curb their fighting spirit. When they finally played a home game, they fought a tough U. of I. frosh squad to a standstill for three quarters and then lost in the fourth by six points. The next games were thrillers with B. J. C. coming out on the long end of the score both times. The first triumph was the Ricks College game which was also the Homecoming game. The second victory was the Mesa Junior College game. Don Stephens and Lawrence Wicklund were chosen Captain and Co-captain at the annual football banquet and dance at the Owyhee Hotel.

BASKETBALL

In his first year as athletic coach and physical education instructor at the Boise Junior College, Harry Jacoby led the Broncs to their first championship in the Boise City Basketball League. As a result of this victory the College proudly displays its first athletic trophy. This trophy was won through a record of eleven games won and only one lost. The City League was composed of B. B. U., Emmett, Baird's Cleaners, Eagle, Boise Payette Lumber Co., and Link's, the only team which defeated B. J. C. Unfortunately in the inter-collegiate games our team was less successful, being defeated by the College of Idaho, Northwest Nazarene College, Lewiston Normal, and Ricks. Team prospects appear favorable, because all but two of this year's lettermen will return. Steve Canning was Captain, and Bob Smidt was manager.

YELL LEADERS

B. J. C.'s yell leaders chosen by the Executive Board were Helen Marr Archibald and Gene Frazier. Through the efforts of these two active freshmen the B. J. C. rooters evidenced more than their usual enthusiasm at all rallies and games.

TENNIS

The tennis team was chosen this year through a tournament competition among interested members of the men's physical education classes. At the time this book went to press the competition was as yet uncompleted. Inter-collegiate games were scheduled to start the last of May. A tennis club was initiated this year to create interest in the sport.
