

**O U R**

**A D V E R T I S E R S**

"COME ON IN . . ."

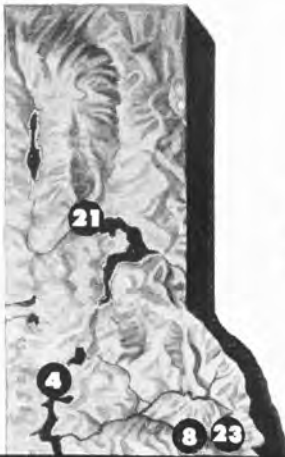

"Come on in, the water's fine." This invitation, known to all who have ever stood poised at the water's edge, is our greeting to the 1955 graduates of Boise Junior College. Come on in, we say, America has need and room aplenty for their youthful drive, resourcefulness, and initiative.

There are 55 or more ways electricity works in the home to make living more comfortable, more enjoyable, more healthful. By the time you establish your home, electricity will be even more helpful.

Furthermore, abundant low-cost electric service here in the Snake river valley encourages new business, new industry—new opportunity for you.

Idaho Power Company electric service does so much, yet costs so little.
