

Timestamp	What year are you in?	Would you like to be a mentor or mentee?	What are you hoping to get out of this mentorship?	What aspect of the medical school application are you most worried about?	Are you interested in a specific specialty of medicine?	If you have them, what are your top 3 medical schools?	What do you like to do for fun?
4/20/2023 14:20:35	Junior	Both (Juniors/Seniors)	I am hoping to get a mentor who is able to guide me through the application process, help me gain experience, educate me on the ins and outs of medical school and who can be there for any questions I might have.	I am most worried about the essays and interviews.	psychiatrics	University of Utah School of Medicine University of Washington School of Medicine I don't have a third yet Id like to learn about more schools though.	I love reading, hiking, and spending time with my family and pets.
4/25/2023 9:13:55	Senior	Mentee	To receive direction and help with course choices, as well as any help available with the medical school application process	Properly logging and describing all of my volunteer and shadowing hours and experiences	Emergency Medicine, Surgery	ICOM, Pacific Northwest (Oregon), University of Washington	I enjoy spending time with my family, playing musical instruments, and just being outside.
4/28/2023 11:44:56	Senior	Mentee	More info about the med school application process, etc.	Unsure	Family Medicine, Emergency Medicine	N/A	Run, bake, paint
