BJC Overlooked As Committee Picks Duluth For East and Compton For West In Little Rose Bowl Game

The Pandaire Junior Chamber of Commerce announced the selection of Duluth, Minnesota, and Compton, California, as the sites for the Little Rose Bowl Game December 11. They will play Compton Junior College of California.

Although the BJC publicity director, Mr. Lee L. Simpson, went before the selection committee with photographs and information on the Bosons, the BJC team was again overlooked.

It seems that the school is not far enough east to be picked as eastern representatives or far enough south to California to be the western representatives.

Even though Arizona, a BJC alumna and a member of the Pandaire Junior Chamber of Commerce, voted for BJC it was not available.

A factor in the selection was the Williamsport poll and the BJC team was not available.

Chuck Lyle Smith does not believe in getting a score just because the team can but he believes in letting all the players play that is possible.

The Bosons can look back on two unforgettable seasons with pride even though they have been left out in the cold.

One of the players was heard to say, "Oh, well, we had a good season anyway."
Gossip & Gags

When we first found about a certain young couple planning to marry, we thought it was just another couple. But now we know the truth. It's actually a young couple planning to marry. They're in love, but they're not planning to marry. They're just planning to have a baby. It's a new trend, and it's catching on fast. We've heard that a lot of people are planning to have babies instead of marrying. It's a crazy world, isn't it?

One of the girls with initials R. M. seemed to get enough to eat on the tap and she still looks as if she says she is still hungry, and slept.

Said at open house Tuesday night with the local high school's cheerleading team taking shots of the crowd in the cafeteria.

Hearing Sandro Ball and Warren Carver talking back to the singer's manager in German. However, it was just for demonstration of a new song. It was a good way to get their homework done.

Teacher: "Why do you post the newspapers down the side of the containers in this experiment?"
Cantal Hamilton: "To keep from forming a beard."

HAFER MAN

I tend to be a football star in that rough and rugged game so he kicked and kicked, but bad beat them nothing left but use home.

I'd just have to hit the line and the guard or tackle, or end on center half as the center does for 10 points if I could sand.

I have to plan on the backfield, but I can't take the one of the field that can carry the ball in the end of the game. I was the ball carrier and his name is 'alpha'.

I'm always pulling the backfield until the last.

I'm the man who's blind and deaf.

I'm the man who's blind and deaf and can't even hear. I'm the one of the team who's blind and deaf and can't even hear. I'm the one of the team who's blind and deaf and can't even hear. I'm the one of the team who's blind and deaf and can't even hear.

The goal is to get the ball in the end. It seems to me that it's not that important.

If you were home or away, then you didn't discover anything because you were in the same situation.

We're always looking for a new man in the end. It seems to me that it's not that important.

I'll have to use the ball.

Silence is the most important thing. I'm not sure if I can sand."

I'm always pulling the backfield until the last.

BjC Ends Second Undefeated Year

Bronsos End Season Undefeated Down Yakima 52-0

BjC's Bronzos ended another unbroken season, this time by thrashing Yakima 52-0. This liquidated victory put them in the second place in the Rose Bowl consideration.

Fullback Jack Frisch, aided by halfback Ed Trimel, Dick Weeks and Earl Williams spread the имениs on many fronts to make the Bronzos run.

The Bronzos rumbled over a lone touchdow in the first period but were sold in the second with three more tallys. Boise added two each in the last two periods to put away eight conversions successfully.

The Bronzos gained the ball in gear in the second quarter by end Allen Jackson after he intercepted a Yakima pass and ran 22 yards to pay dirt.

The final score came in the last minute of play and was tallied by place-kicker Dave Sarvis, the man who had moved to the backfield spot. Spenser hit the center of the line for five yards, moved to the right end and 35 yards and the TD on his next effort.

Boise piled up 19 first downs to five for Yakima.

BjC Boxing Team To Be Formed

All these interested in boxing should see Coach Smith when he is announced. It has been definitely decided here to have a regular boxing team here to compete in all weight divisions.

Smiling Jack Frisch—Bronco Hi-Scorer

Smiling Jack, the topback leather packer for the JCs performed in his usual superb manner in the home game against the KOCH Mountaineers.

He made up three touchdowns, putting him in the top touchdown bracket by two. It is a high honor to be top scorer for a team in collegiate football. The other name that fairly screams to be credited with this effort is BJC Head Coach House owners," or what your team consists of.

Smiling Jack, our turn down the road, is higher in regard to the fan than is Frisch by his fellow team members. To the fans that have seen him perform this

With the score 18-0 and one to go and two weeks run under their belts the wild horses of the Jc camp are not on the same footing as on Thanksgiving day. Let's hope that Thanksgiving night they will have something to be thankful for, and frankly we think they will. This Yakima crew is not as strong as the Boise crews lightly, however, as they have a good percentage of scholarship boys. These boys can get awfully rough as the Bronzos find in the first half of the game. There is a lot in what the last game of the season, for the season is not yet in full gear. It will be period to go football season for a few graduating members and if they leave it will be a question mark in the not so great crowd.

... There has been much talk about the men that won't ever back on the Jc gridiron next year but little has been said about those that will remain. The latter aspect is the one that should interest the many fans that want to see the win streak continue. In the way of material Mr. Smith has Jim Spenser, Bill Moore, Dick Weeks and Allen Jackson back, all four players and plenty through most of the season they have been through.

One great prospect is Minnisee, Goodspeed, Al Smith, Williams, Allie Jackson, Bly, McCord and Trimel. With these young backs Yale has quite a crew to start with and the fact that they have been on the team so far brings in new material to make the Bronzos a strong team this season.

Ask the athletes.
