SUSTAINABLE FUTURES Shared Leadership – Kay Trotter

The Shared Leadership Volunteer Group is planning to partner with Sustainable Futures on April 4, 2012 from 10:00 AM until 2:00 PM in the Boise State University Quad. Please bring your empty glass bottles to be re-purposed, or spend a few minutes scraping labels and your name will be entered to win one of several great prizes!

Sustainable Futures will then take these bottles and recycle them into glassware, candles and chimes. This helps to reduce glass in landfills and provides job training and life skills to individuals who were recently released from prison, refugees, and at-risk youth. Learn more at www.facebook.com/giveglassa2ndchance.

The Shared Leadership Group hopes to see you there!
