(Honors programs for May candidates were made on the basis of grade point average accumulated before the last semester and there may be differences when final grades are processed. Candidates for second degrees are not eligible for honors designation. All Masters candidates must have a minimum grade point average of at least a 3.00 and are not eligible for honors designation.)

HONORS PROGRAM

Capable, motivated majors from all disciplines may participate in the Honors Program which has a focus in general education. The categories of Honors and Distinguished Honors indicate that students have completed one-fourth of their undergraduate work in the Honors Program including independent learning.

Distinguished Honors

ANNOUNCEMENTS

PHOTOGRAPHS - Photographs will be taken of each graduate as s/he receives the diploma by Chappell Studio, Inc. A free proof will be provided; and orders may be placed, if desired, by any graduate.

Guests are requested to remain in the seating areas during the entire ceremony including processional and recessional. The main floor will be open for picture taking following the program.

ELEVATOR - An elevator is available at entrance 1 (northeast) for use when stairs are a barrier.

EMERGENCY CARE - Emergency medical personnel will be stationed on the parquet level (orange seating area) as well as in the First Aid Room in the lobby area at entrance 1 (northeast).

POST-COMMENCEMENT ACTIVITY - The Boise State Alumni Association cordially invites the graduates, faculty, and guests to an informal picnic on the Practice Field north of the Stadium immediately following the ceremony.

ACKNOWLEDGEMENTS

The processional music, "Golden Jubilee," was composed by Professor Mel Shelton for Boise State University's 50th anniversary (1982).

The Commencement Committee expresses its special appreciation to Mr. Neldon Oyler, Instructor in Horticulture, for arranging the flowers for the ceremony.

The honor color guard is provided by the Cadet Company of the Boise State University ROTC; Commander, Cadet Command Sargeant Major Theodore M. Gropp.

The program cover was designed by Chris Latter, Boise State University Printing & Graphic Services.

ACADEMIC DRESS

For centuries academic dress has been associated with learning. Its origin is considered to be ecclesiastical, though the gown of the medieval scholar may have developed out of the ordinary civilian costume of an earlier period. The medieval scholar was often a monk, who found the hood and gown a protection against the cold of his cell. The sleeves of his gown were used for carrying his books and supplies.

In the United States, three types of gowns and three types of hoods have been devised for the bachelors, masters, and doctors, respectively. The square caps are the same except that the doctor's may be made of velvet and have a tassel of gold.

The distinguishing characteristic of the gowns is the sleeves: pointed and hanging to the knee, for the bachelor; closed (the arm coming through a slit at the elbow), square at the end, extending well below the knee, for the master; full, round, open, bell-shaped, adorned with three bars of velvet, for the doctor.

The colors on the hoods represent two things: the wearer's Alma Mater and the department of learning. The lining of silk is in the color or colors of the college or university granting the degree. The trimming of velvet is the color that represents the department of learning in which the degree was obtained. The velvet trimming on a doctor's gown may also be of the departmental color or it may be black.
